Charles H. Martin, P.E., Director

Date: April 12, 2013

Re: Requesting authorization to execute an agreement awarding a Class B (Infrastructure) Stormwater Quality Projects Incentive Grant to J. M. Smucker, LLC, at a total cost not to exceed \$350,000.00.

The grant application of J.M. Smucker, LLC. was reviewed and recommended by the Water Quality Fees Board at its October 11, 2012 meeting. Funding is provided by revenue from the Water Quality Management Fee and is fully budgeted and available in the Fund 4051 303204 3373 78112. This grant requires a minimum 10% cost share on design phase costs by the grant recipient. The Grant Award Agreements require the Mayor's signature.

Grant Project Description

Project Site Location: 767 Winchester Road

Grantee shall design and construct four stormwater control facilities to improve water quality and reduce runoff leaving the site. Facilities include retrofit of 16,000 square feet of existing parking lots with pervious pavements, retrofit of an existing detention basin with bio-infiltration features, addition of two 5,000 gallon rainwater harvesting tanks, and installation of a rain garden. The grantee will collaborate with the University of Kentucky on environmental education initiatives.

Questions regarding this agreement should be directed to Chris Dent at 859-425-2521.
