Greetings,

Please see an excerpt from yesterday's [press release](#) regarding the upcoming VOCA grant application for the 2021-2022 grant year:

“FRANKFORT, Ky. (March 23, 2021) – Gov. Andy Beshear and Kentucky Justice and Public Safety Cabinet Secretary Mary Noble announced today that applications will be available **April 1, 2021**, to apply for grant funding under the federal Victims of Crime Act program, known as VOCA...

All applications must be submitted online via [Intelligrants \(IG\)](#), the Justice and Public Safety Cabinet's electronic Grants Management System. New applicants will be required to establish an account and become familiar with the system well in advance of the due date. Applicants should also note that validating a new user account requires 48 to 72 hours... Applications are due by **May 14 at 6pm EST** and awards are expected to be announced in September 2021.”

You may access the [2021-2022 VOCA Application Guide](#) and [2021-2022 VOCA Application Terms and Conditions](#) by clicking the links to the VOCA page on the Grants Management Division website. It is recommended that you review both documents as each of these has been updated since the 2020-2021 application cycle. A thorough review of these documents will help you submit the best possible grant application.

If you have any questions regarding the upcoming application, please connect with your VOCA Program and/or Financial Manager between now and April 1<sup>st</sup> when the application window opens. Once the window opens, your VOCA managers can only answer basic questions regarding navigating IG and very basic allowable/unallowable costs and activities-type questions.

Thank you,

*Nick*
