SUBJECT: Bid #67-2014 Animal Care Shelter Trailer

Bids for an Animal Care Shelter Trailer for the Division of Emergency Management were received in the Division of Central Purchasing on April 14, 2014.

Economic Engine notified one hundred and ninety-nine (199) vendors with seventeen (17) vendors viewing the document. Two (2) bids were received. The low bid was submitted by Jackson Creek Manufacturing for \$42,221.50 however, it was determined that their proposed trailer did not include the requested fuel tank placement as specified in the bid document.

The second low bid was submitted by Trailer Logic for \$50,475.65 and their proposed trailer does include the proper fuel tank placement (inside trailer with proper venting). Their bid meets the specification requirements, therefore, we recommend accepting the bid from Trailer Logic for one Animal Care Shelter Trailer.

The recommended bid meets specifications and is within budgetary constraints.
