RAE Systems Inc. – Terms and Conditions

The terms and conditions of sale contained herein apply to all quotations and purchases made and purchase orders received by RAE Systems Inc. ("RAE Systems") and are the exclusive binding agreement between the parties regarding the products or services purchased ("Products"), unless otherwise expressly agreed in writing by RAE Systems and buyer ("Buyer"). THE ACCEPTANCE OF ANY OR ALL OF THE BUYER'S PURCHASE ORDERS IS CONDITIONAL UPON BUYER'S ASSENT TO THE TERMS AND CONDITIONS IN THIS DOCUMENT, IN LIEU OF THE TERMS CONTAINED IN BUYER'S PURCHASE ORDER. RAE Systems hereby rejects all provisions contained in communications from Buyer that conflict with or are inconsistent with the terms contained herein. RAE Systems' failure to object to any of the provisions contained in Buyer's documentation shall not be deemed a waiver of these provisions.

1. Quotation and Prices: All quotations are subject to the terms and conditions stated herein as well as any additional Terms and Conditions that may appear on RAE Systems' quotation. In the case of a conflict between the terms and conditions stated herein and those appearing on RAE Systems' quotation, the latter shall control. RAE Systems prices and quotations are subject to the following:

- a) Buyer will be billed at the prices in the list price or specifically quoted to Buyer at the time of RAE Systems' purchase order acceptance.
- b) All published prices are subject to change without notice.
- c) Unless otherwise specified in writing, all quotations are firm for, and will expire, thirty (30) days after date thereof. Budgetary quotations and estimates are for preliminary information only and shall neither constitute firm offers nor impose any responsibility or liability upon RAE Systems.
- d) Unless otherwise stated in writing by RAE Systems, all prices quoted and billed shall be exclusive of transportation fees, insurance, taxes (including without limitation any use tax, sales tax or similar tax), license fees, customs fees, duties and other charges related thereto, and Buyer shall report and pay any and all such shipping charges, premiums, taxes, fees, duties and other charges related thereto, and shall hold RAE Systems harmless therefrom.
- e) The sale of any of RAE Systems' Products to Buyer in no way conveys to Buyer, either expressly or by implication, any intellectual property license or rights whatsoever, except any limited license rights as may be expressly granted by RAE Systems in the materials which accompany the Products as delivered.

2. Payment: Unless otherwise agreed to in writing, payment shall be paid Net 30 days from the date of invoice. Should custom work be involved, purchase orders shall be accompanied by a non-refundable 50% payment of the total amount with an additional 30% of such total amount due upon the scheduled shipment date, and the final 20% of such total amount is due 30 days after RAE Systems makes shipment. International orders must be accompanied by an irrevocable letter of credit confirmed through a U.S. bank acceptable to RAE Systems and to be drawn at sight when presented with proper documents consisting of (1) signed commercial invoice in triplicate and (2) clean airway bill for the Product. Alternately, wire transfer of funds must be received before shipment (International). Past due balances shall be subject to a finance charge of the lesser of 1.5% per month or the maximum amount allowed by law.

Buyer agrees to accept partial shipments in satisfaction of a single purchase order; when partial shipments are made, pro-rata payments shall become due in accordance with the designated terms for each shipment. RAE Systems may withdraw credit, suspend or cancel performance under any purchase orders or delay delivery of Products in the event Buyer fails to comply with these payment terms.

If Buyer becomes insolvent or bankruptcy proceedings are instituted against Buyer or Buyer makes an assignment for the benefit of its creditors, any such event shall be deemed a material default, entitling RAE Systems to cease performance under a purchase order and to avail itself of all legal or equitable remedies it may have against Buyer. In the event of a default by Buyer under these terms, and the matter is placed in the hands of an attorney for collection, or suit is brought at law, or in equity, to enforce the provisions herein, the Buyer agrees to pay a reasonable attorney's fee together with costs in addition to the amount due under said purchase order.

PROVIDED IN THIS AGREEMENT AND THE REMEDIES STATED HEREIN SHALL BE EXCLUSIVE AND SHALL BE BUYER'S SOLE REMEDY. THIS LIMITATION ON LIABILITY SHALL SURVIVE FAILURE OF ANY ESSENTIAL PURPOSE. Certain jurisdictions do not permit the limitation of certain types of liability, so this limitation may not apply to the Buyer.

8. Governing Law and Disputes: The terms and conditions of sale stated herein shall be governed by and construed according to the laws of the State of California without regard to its conflict of law provisions. All disputes under any purchase order concerning Products not otherwise resolved between RAE Systems and Buyer shall be resolved in a court of competent jurisdiction at the location of RAE Systems' place of business fulfilling the purchase order, and in no other location. In RAE Systems' sole discretion, such action may be heard in some other place designated by RAE Systems (if necessary to acquire jurisdiction over third persons), so that the dispute can be resolved in an action. Buyer agrees to appear in any such action and consent to the jurisdiction of such court upon written notice. No action, regardless of form, arising out of, or in any way connected with, the Products furnished or services rendered by RAE Systems, may be brought by Buyer more than one (1) year after the cause of action has accrued.

9. Indemnification: In the event of a claim by a third party of infringement of proprietary rights, trademarks, or patents, resulting from compliance with Buyer's designs, specifications, or instructions Buyer will defend, indemnify and hold RAE Systems harmless against any expense or loss ensuing from such a claim. Except as otherwise provided above, RAE Systems shall defend any suit or proceeding brought against Buyer to the extent the same is based upon a claim that any Product, or any part thereof, delivered to Buyer under a purchase order constitutes an infringement of any United States patent; provided that, RAE Systems is notified promptly in writing and given authority, information and assistance (at RAE Systems' expense) for the defense of same. In case said Product, or any part thereof, is in such suit held to constitute infringement and the use of said Product or part is enjoined, RAE Systems shall, at its sole and exclusive option and expense, either (i) procure for Buyer the right to continue using said Product or part, (ii) replace said Product with a comparable non-infringing product, (iii) modify said Product so it becomes non-infringing; or (iv) remove said Product and refund to Buyer the actual cost of said Product paid to RAE Systems by Buyer, less a reasonable amount for depreciation. The foregoing states the entire liability of RAE Systems for any patent infringement by the said Product or any part thereof. Notwithstanding the foregoing, in no event shall RAE Systems be obligated to indemnify Buyer pursuant to this Section 10 if a claim, suit or proceeding arises out of or is related to: (a) RAE Systems' compliance with Buyer's designs, specifications or instructions; (b) modifications made to the Products other than by RAE Systems; or (c) Buyer's combination or use of the Product with software, services or products developed by Buyer or a third party.

10. Engineering charges for any specification changes will be quoted under a separate purchase order. Reduction in purchase order quantities and/or extension or delay of scheduled shipment dates will be subject to price adjustment as determined by RAE Systems and agreed to by the Buyer. RAE Systems reserves the right to reject any changes and thus the original purchase order quantities, shipment dates, and prices shall remain in effect.

13. Product Discontinuance: Buyer acknowledges that any of the Products may be discontinued by RAE Systems or RAE Systems' supplier without prior notice to Buyer. Buyer's purchase order for any Product which has not been delivered and which is affected by such discontinuance without any liability to RAE Systems.

14. Export Controls: Buyer acknowledges that all shipments by RAE Systems are or may be subject to restrictions and limitations imposed by United States export controls, trade regulations and trade sanctions. Buyer at all times will comply with such sanctions, controls and regulations and will cause compliance with such sanctions, controls and regulations in its use and disposition of the Products. With respect to each Products shipment pursuant to these terms and conditions, Buyer will obtain and supply to RAE Systems in writing all information required by RAE Systems to obtain any U.S. export license, permit, approval or documentation applicable to such shipment. Notwithstanding any contrary provision in these terms and conditions, RAE Systems will have no obligation to make any shipment to Buyer until it has received all such information and has obtained the applicable licenses, permits, approvals or documentation for shipment, if any. If RAE Systems learns, or has reasonable cause to believe, or if any branch or agency of the government of the United States claims, that a violation of any applicable trade sanctions, export controls or trade regulations has occurred or is likely to occur because of any shipment, RAE Systems may, in addition to any other remedy it may have, suspend all shipments to Buyer until: (a) RAE Systems is satisfied that such violation did not occur or has ceased to occur, or (b) such claim is withdrawn or otherwise resolved in favor of RAE Systems. Neither Buyer nor its employees, agents, subcontractors, officers or representatives shall cause or permit any shipment of the Products to be made by Buyer or by anyone acting on behalf of Buyer or to whom Buyer may sell the Products, to any country for which a validated export license is required by the United States, or to which shipment is prohibited under trade regulations or trade sanctions of the United States. It shall be the duty of Buyer to inform itself in detail of such export controls, trade regulations and trade sanctions. Buyer will not cause or permit any customer or user in other parts of the world until all necessary import and/or export approvals and clearances have been obtained, and until all United States export controls, trade regulations or trade sanctions applicable to such shipments have been fully complied with. Buyer will indemnify and will hold RAE Systems harmless from and against any claim, loss or liability arising out of any breach of the foregoing covenants contained in this Section 14.

15. Notices: Any notice or report required or permitted by these terms and conditions shall be in writing and shall be deemed given if delivered personally or if sent by either party to the other by confirmed overnight delivery or by certified or registered mail, return receipt requested, postage prepaid, addressed to the other party to its address as set forth on the purchase order or at such other address as such party shall designate by notice hereunder. Where Buyer is giving notice to RAE Systems, all notices shall be sent to the attention of RAE Systems' account representative or customer service representative.

16. Government Contracts: Unless otherwise stated by reference on the face hereof, all purchase orders are considered commercial sales regardless of government contract or subcontract references. RAE Systems pricing and production and shipment commitments shall be based on published price lists and RAE Systems internal accounting and production allocation procedures which shall be applied equitably to all customers as determined by RAE Systems. RAE Systems warrants that such prices and allocations that are made under such government contracts are the same as would have been made to RAE Systems "most favored customer" for the same Products or services under identical terms of sale.

17. Service Warranty: RAE Systems warrants all repair work performed on Products theretofore purchased by Buyer from RAE Systems for a period of ninety (90) days after completion of the repairs and shipment to Buyer (the "Warranty Period"). In the event that a Product shall fail within the Warranty Period, Buyer's sole and exclusive remedy shall be to return said Product to RAE Systems during the Warranty Period, transportation prepaid, for re-repair. In this event, this warranty will not be deemed to have failed of its essential purpose. Transportation from Buyer to RAE Systems shall be via a carrier selected by Buyer with all charges borne by Buyer. The aforementioned provisions will not extend the original warranty period for any Product that has been repaired by RAE Systems.

RAE Systems Inc. PRG CloudServer Terms of Service

RAE Systems Inc. CloudServer Service Agreement Last modified May 26, 2011

This ProRAE Guardian (PRG) CloudServer Service Agreement ("Agreement") contains the terms and conditions that govern your access to and use of the PRG CloudServer Service (as defined below) and is an agreement between RAE Systems Inc. ("COMPANY," "we," "us," or "our") and you or the entity you represent ("you"). This Agreement takes effect the fifteenth (15th) day after we notify you (my mail, email, phone, or otherwise) of your PRG CloudServer IP Address ("PRG IPAdd"), or upon your first use of the PRG CloudServer Service (the "Effective Date"), whichever comes first. By your use of the Service, you agree to these terms and conditions, and you represent to us that you are lawfully able to enter into contracts (e.g., you are not a minor). If you are entering into this Agreement for an entity, such as the company you work for, you represent to us that you have legal authority to bind that entity to these terms.

1. PRG CloudServer Service.

1.2 What you can and cannot do with it. You may use your PRG CloudServer instance to connect to any PRG Installations that you choose. It is your responsibility to manage and keep secure your PRG IPAdd, as well as any optional information such as PRG Access Control Access Codes. Company will not be responsible for the security of this information. Company will make every reasonable attempt to help you configure and/or manage this information, but may, at our sole discretion, impose additional charges if repeated requests by you cause us to create new and/or altered PRG IPAdds and/or passphrases. You cannot use your PRG CloudServer service for any purpose other than to connect legitimately licensed instruments, devices, and/or computer systems through PRG Installations. No other software may be operated on or with the PRG CloudServer without prior written consent of Company.

1.3 Usage restrictions. Each PRG CloudServer Service is intended to host instruments, monitors, and devices connected through PRG Installations. Although multiple PRG Installations are supported, each PRG CloudServer will support no more than a total of five hundred (500) individual instruments, devices, and/or monitors at any one time. PRG Installations that attempt to connect more than 500 devices at once are not supported. You may connect up thirty-two (32) PRG Viewers and up to ten (10) remote PRG Installations. Please contact Company if the need arises to connect more than this number of devices or PRG Installations. All connected instruments must be properly licensed. Further, although you may connect computers, instruments, and devices owned by others to your PRG CloudServer, you may not use your PRG CloudServer to host other people's data for a fee. You may host up to the maximum amount of instruments, computers, and viewers from any sources, but you may not erect a service nor may you extract service fees in any manner whatsoever for doing so.

1.4 Support. We will maintain the operational integrity of your PRG CloudServer, and will update it from time to time so that it is running the latest version of PRG. We will not update your PRG CloudServer without notifying you first and giving you a chance to defer the update to a more convenient time.

To update and/or troubleshoot your PRG CloudServer, we may need to take your instruments off-line and attach your PRG CloudServer to our own instruments to test with. This may result in data loss and downtimes, which are unavoidable. We will make every attempt to notify you prior to these actions.

2. Changes.

2.1 To the Service Offerings. We reserve the right to modify our Service Offerings at any time. We will notify you if such modifications affect your current service agreement. If such modifications materially affect your service, you will be given the opportunity to cancel your service contract and receive a pro-rated refund.

2.2 To Pricing. Our pricing for the PRG CloudServer service is subject to change at any time.

2.3 We can move your hosting or change your IP address. Company may engage with various third-party vendors to provide basic data center hosting capability upon which your PRG CloudServer service is based. Further, Company may, from time to time, add additional vendors and/or switch vendors for this capability. Company may move your PRG CloudServer instance to or from any such vendors at will at the sole discretion of Company. If it is determined beforehand that such actions will cause service disruption, Company will make every reasonable attempt to contact you and arrange for a mutually agreeable date and time for such movement

of basic service capability. You agree that it may not be possible to avoid service disruptions, and that Company may not be able to notify you in advance for this and/or any such service disruption. Further, you acknowledge that service disruptions may require you to change your PRG IPAdd or other settings in order to restore service, and that this is acceptable to you.

3. Security and Data Privacy.

3.1 PRG CloudServer Data Security. Company will make every reasonable attempt to keep Your Content secure; however, we do not guarantee such data security. If a data breach occurs, Company will notify you as soon as practicably possible, and make every reasonable attempt to address the situation to your satisfaction. Please note temporary service interruptions may occur as a result of this activity. Company is not responsible for any data loss that occurs as a result of your use of the PRG CloudServer service. We do not guarantee your data is secure. We strongly recommend you redundantly store your PRG CloudServer data in order to safeguard it.

3.2 Data Privacy. We will make every reasonable attempt to secure your data, but we cannot guarantee its ultimate privacy. Initially, most of our hosting sites will be in the U.S., but over time this may change. Under rare conditions, however, sensitive instrument data could be at risk of exposure. We suggest you fully consider this possibility when deciding to use the PRG CloudServer service. **Company is not responsible for any undesired exposure of Your Content beyond taking reasonable and customary precautions against it.**

3.3 No Guarantee of Uptime. We will make every attempt to maintain 24/7/365 uptime, but cannot guarantee it. We will make all reasonable attempts to restore service as soon as possible after an outage. Note service restoration may require new IP address assignment.

3.4 No refunds for service disruptions. Except for those cases explicitly called out in this document, Company will not issue any refunds for any service disruptions. Your use of the service signifies your knowledge of and agreement with this stipulation.

4. Your Responsibilities

You are responsible for all consequences of your (or your designated employees, contractors, vendors, or associates) use of the service. Company does not monitor your use of the PRG CloudServer service for appropriateness. You accept any and all responsibility for the consequences of your use of the service, including but not limited to, adhering to any prevailing legal authorities' laws, regulations, or requirements. Further, you warrant to us that you shall not use your PRG CloudServer for any illegal, unethical, or immoral means. You further warrant that you shall not use your PRG CloudServer in association with any objectionable content or unlicensed or improperly licensed software or content. **Company reserves the right to immediately terminate, without refund, your service contract if, in its sole discretion, you have violated any of these terms.**

4.1 Your PRG Network. You are solely responsible for the development, content, operation, maintenance, and use of Your PRG network. For example, you are solely responsible for:

- (a) the technical operation of Your PRG Network, including operating and maintaining all PRG Installations that are connected to your PRG CloudServer;
- (b) compliance of Your PRG Network with any state, local, and/or country-wide laws or legal entities; and
- (c) properly handling and processing notices sent to you (or any of your affiliates) by any person claiming that Your PRG Network violates any laws or regulations of any kind.

4.2 Other Security and Backup. Although RAE personnel may initially help you set up Your PRG Network, you are responsible for properly configuring and using Your PRG Network and taking your own steps to maintain appropriate security, protection and backup of Your Content, which may include the use of redundant PRG machines. Upon your written request, RAE personnel may, at Company's sole discretion, assist you in obtaining copies of Your Content from your PRG CloudServer instance.

4.3 End User Violations. You will be deemed to have taken any action that you permit, assist or facilitate any person or entity to take related to this Agreement, Your PRG Network or use of the Service Offerings. You are responsible for End Users' use of Your Content and the Service Offerings. You will ensure that all End Users comply with your obligations under this Agreement and that the terms of your agreement with each End User are consistent with this Agreement. If you become aware of any violation of your obligations under this Agreement by an End User, you will immediately terminate such End User's access to Your Content and the Service Offerings.

5. Fees and Payment

5.1. Order, payment, and setup. To use the PRG CloudServer service, you must enter into a business arrangement with Company, place an order for the PRG CloudServer term of your choice, and pay the license fee for such term in full. After we have received

5.2 Renewals are not automatic. PRG CloudServer service contracts are for a fixed term as specified in your Certificate of Service. Company may, at its sole discretion, offer to renew your service contract upon term expiration. Company will make every attempt to notify you prior to service contract termination of your then-available options to renew, if any, and prices that are in effect at that time.

6. Temporary Suspension

6.1 Generally. We may suspend your right to access or use any portion or all of the Service Offerings immediately upon notice to you if we determine:

(a) your or an End User's use of the Service Offerings (i) poses a security risk to the Company, the Service Offerings, or any other PRG CloudServer customer, (ii) may adversely impact the Service Offerings or the systems or Content of any other PRG CloudServer customer, or (iii) may subject us, our affiliates, or any third party to liability;

(b) you are, or any End User is, in breach of this Agreement, including if you are delinquent on any payment obligations for more than 15 days; or

(c) you have ceased to operate in the ordinary course, made an assignment for the benefit of creditors or similar disposition of your assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution or similar proceeding.

6.2 Effect of Suspension. If we suspend your right to access or use any portion or all of the Service Offerings:

(a) you remain responsible for all fees and charges you have incurred through the date of suspension;

(b) you remain responsible for any applicable fees and charges for any Service Offerings to which you continue to have access, as well as any other obligations you have to Company;

(c) we will not erase any of Your Content as a result of your suspension, except as specified elsewhere in this Agreement; and

If we cancel your service, we will notify you and give you at least thirty (30) days notice prior to service cancellation. We will also refund the unused portion of your contract fee based upon a simple pro-rated monthly schedule.

7.2.2 Other forms of acceptable termination are as follows:

Environmental Systems Research Institute Software License Agreement

IMPORTANT: READ CAREFULLY. This End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and RAE Systems Inc. ("RAE"). It covers software ("SOFTWARE") that RAE has licensed from Environmental Systems Research Institute, Inc. ("ESRI") and that RAE in turn is sublicensing to you. RAE has embedded the SOFTWARE into the RAE software contained in the RAE product you are purchasing ("RAE PRODUCT"). By using the RAE PRODUCT, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, you must return the RAE PRODUCT unused, with all of its original packaging, for a refund.

SOFTWARE LICENSE

The SOFTWARE is licensed, not sold, to you, and you have the rights of a licensee, not an owner, in the SOFTWARE.

1. GRANT OF LICENSE. This EULA grants you the right to use the SOFTWARE as described in the RAE Systems Software License, to which you are required to agree as a condition for your use of the RAE PRODUCT.

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

- A. You may use only the executable code of the SOFTWARE, subject to the restrictions provided in the ESRI Business Partner Program OEM Program Addendum, which will be made available to you upon request.
- B. You may not (1) transfer the SOFTWARE from your hardware to hardware owned by a third party, except for temporary transfers in the event of computer malfunction; (2) assign, time-share, lend, lease, or rent the SOFTWARE; (3) use the SOFTWARE for commercial network services or interactive cable or remote processing services; or (4) use the SOFTWARE in any way that may adversely affect ESRI's title and rights in the SOFTWARE.
- C. You may not reverse engineer, disassemble, or decompile the SOFTWARE.
- D. You may not duplicate the SOFTWARE except as necessary for the use of the RAE PRODUCT.
- E. You disclaim, to the extent permitted by applicable law, ESRI's liability for any damages or loss of any kind, whether special, direct, indirect, incidental, or consequential, arising from your use of the SOFTWARE.
- F. Upon the termination of this EULA for any reason, you must certify to RAE that you have discontinued use and have destroyed or returned to RAE all copies of the SOFTWARE.
- G. You must comply fully with all relevant export laws and regulations of the United States to ensure that the SOFTWARE and/or any direct product thereof is not exported, directly or indirectly, in violation of United States law.
- H. You may not remove, alter, or obscure any copyright, trademark notice, or restrictive legend that may be affixed to the RAE PRODUCT or to its packaging.
- I. If the United States Government is the end user of the RAE PRODUCT, then the SOFTWARE is provided as a "Commercial Item" pursuant to FAR 52.201(c), and in no event shall the Government acquire greater than Restricted/Limited Rights as provided in FAR 52.227-19 (June 1987), FAR 52.227-14 (ALT III) (June 1987), DFARS 252.227 7015 (November 1995), NFS 1852.227-86 (December 1987), or equivalent as applicable.
