Dear Mayor Linda Gorton:

On behalf of Governor Andy Beshear and the Kentucky Office of Homeland Security (KOHS), the Kentucky 911 Services Board congratulates you on the approval of your application for the 2021 Kentucky 911 Services competitive grant program. Your application has been awarded **\$86,069.90** for the following project:

Approved Scope of Work: 21-108 - 911 Phone, Media Server and GIS Server Refresh

THIS IS A REIMBURSEMENT GRANT. Grant awardees are required to submit timely quarterly reports to the Kentucky 911 Services Board. Any changes to the original contract, such as a time extension or a modification to the original project description, must be approved by the Kentucky 911 Services Board at least 60 days prior to the expiration of the grant agreement.

My staff and I look forward to working with you throughout the course of this grant. Board staff will be reaching out to you in the near future with necessary paperwork and to arrange a grant orientation meeting. These meetings will begin mid-April and will last for two weeks. Please remember—**do not begin any work on your grant project until you have been notified that your grant contract has been fully executed.** If you have any questions at any time, please do not hesitate to contact a member of our grants management team.
