RE: Paramedic Training Agreement, Jessamine County EMS

DATE: Monday, October 24, 2011

This is a request to execute a Paramedic Training agreement between LFUCG Division of Fire and Emergency Services and Jessamine County Emergency Medical Services (JCEMS). The agreement defines the roles and responsibilities of each agency for providing initial Paramedic training for members of JCEMS.

This agreement will allow JCEMS personnel to participate in the Paramedic program being offered by the LFUCG Division of Fire to include the classroom training, clinical training and field internship. The successful completion of the course is a prerequisite to becoming a Kentucky Licensed Paramedic.

There will be no budgetary impact in this agreement as there are no additional resources required.
