Lt. Clayton Roberts
Lexington Metro Police Departemnt
105 E Main Street
Lexington, KY 40507

Lt. Roberts,

In regards to our recent conversation, please consider this official request regarding your surplus Television Equipment Associates radio headset equipment. If the equipment is no longer of use to you, the Kentucky State Police Hazardous Devices Unit will be able to utilize the equipment for operational use. Your consideration in allowing us to re-purpose the equipment is appreciated. Please contact me if you should require any additional documentation or information.

Respectfully,

A handwritten signature in black ink, appearing to read "Jim Adkins".

Inv. Jim Adkins
Kentucky State Police
Hazardous Devices Branch
