Re: The Summerill Group, LLC

Dear Mr. Slatin,

The former director of the Division of Community Corrections Ron Bishop used this firm approximately four (4) years ago to negotiate a new bed rate for Federal Inmates. This firm conducted research and was very successful in getting a daily increase.

I'm requesting the Summerill Group be considered for a single source because they have done work for us in the past, was successful and will save us money.

If you have any questions please feel free to contact me.

Your consideration in this matter is appreciated.

Respectfully,

Rodney Ballard, Director  
Division of Community Corrections
