EARTHLINK COMMERCIAL TERMS AND CONDITIONS

"We", "us" and "our" refer to EarthLink, LLC. "You" and "your" refer to the customer identified on the attached Cover Page. "Terms" means these Commercial Terms and Conditions. "Agreement" means the attached Cover Page, these Terms, and any terms attached hereto or incorporated by reference in either of the foregoing. "Service(s)" refers to access services ("Access Services") you ordered on the attached Cover Page, and any other services (e.g., voice services) we provide to you. "Equipment" means hardware or software we use or provide to you in connection with Services.

1. **Our Duties.** Subject to all terms of this Agreement, we will provide you Services and you will pay for those Services. **These Terms include and incorporate by this reference our Internet Acceptable Use Policy ("AUP"), a current version of which is attached hereto as Exhibit "A", and you agree that you have reviewed, understand and agree to the AUP.** Any private line services ("Private Line"), including but not limited to Metro Ethernet private line point to point circuits, shall be provisioned as a dedicated circuit. Any traffic traversing Customer's Private Line circuit will be segmented from other customer's traffic and will not traverse the Internet. The traffic will not be subject to degradation from other customers or Internet outages.

2. **Availability of the Service.** We are not liable for Service performance issues caused in whole or in part by you, by third parties, by your equipment or by Equipment you install or maintain or have a third party install or maintain. We are not liable for adverse performance of Services during modifications, relocation, or repairs to Equipment, provided that we give you notice of such activities.

3. **Equipment.** You grant us and our agents full right and authority of entry and access, across, under and over your Premises identified on the attached Cover Page ("Premises") to install, inspect, maintain, repair and remove Equipment, and to do anything necessary with respect to the Services or Equipment, for as long as we provide Service or as long as Equipment is on the Premises. While on the Premises, we will abide by all reasonable security procedures you have in place. You represent and warrant to us that you have the authority to grant us the right and authority of entry and access under this Section. You will abide by all license agreements associated with any computer software. We may supply new or reconditioned Equipment to you. We have no liability whatsoever for any loss, damage, or expense arising out of Equipment provided by you or a third party. You will not move Equipment from the location where installed or open, tamper with, make changes to, or try to repair, Equipment without our prior written permission. You assume all risk of loss of Equipment at the Premises resulting from abuse, misuse or intentional damage of any Equipment.

4. **Charges.** Except for Installation Fees specified on the attached Cover Page, which are due and payable immediately, you will pay all charges for use of Services and Equipment in full within 25 days after receiving our invoice. If you do not notify us of a billing dispute within 14 days of receiving our invoice, you waive all rights to dispute that invoice. You will pay any local, state or federal taxes, charges or fees, including all applicable regulatory surcharges and fees, in connection with the Services, along with all third party charges, including all applicable taxes, incurred while using the Services. You will pay interest on past-due amounts at the rate of 1.5% per month until paid in full.

5. **Term.** This Agreement is effective as of the Effective Date set forth on the attached Cover Page and shall remain in effect until you no longer take any Services and all of our Equipment provided to you or installed at the Premises has been returned to us and you have paid all charges. The Initial Service Term commences on the "Installation Date", which is the date we complete the installation of Services and Equipment and the Services and Equipment are ready for your use. You may cancel Services and/or terminate this Agreement effective at the end of the Initial Service Term by providing us written notice of your intent to cancel thirty days' prior to the end of the Initial Service Term. If you do not provide such written notice, the Initial Service Term will automatically renew, and you agree that you will continue to take, and pay for, the Services, for the Extension Service Term indicated on the attached Cover Page and thereafter on a month-to-month basis; provided, however, that you may, after the end of the Extension Service Term, cancel the Services at any time by giving us thirty days' prior written notice to that effect. Upon cancellation of any Service, you will return any related Equipment (other than Equipment you bought from us) in its original condition and working order.
