& Public Works

DATE: June 5, 2019

RE: Agreement with City Center and ATS for repaving

---

Request

The Department of Environmental Quality & Public Works request approval of an Agreement between City Center Companies, LLC, LFUCG, and L-M Asphalt Partners Ltd, d/b/a ATS Construction for a cost share of the reconstruction of South Upper Street between West Vine Street and West Main Street and resurfacing of the remainder of South Limestone Street between West Vine Street and West Main Street by ATS.

Why are you requesting?

Construction of the City Center development requires the reconstruction of paved right-of-way on South Upper Street and resurfacing on South Limestone Street. LFUCG and City Center are in agreement that restoration of the portion of South Upper Street between Main and Vine requires more than a resurfacing. Additionally, City Center is required to resurface a portion of South Limestone between Main and Vine, and LFUCG desires to resurface the remaining portion of South Limestone at the same time. LFUCG has an agreement with ATS Construction to perform general paving. It would be mutually advantageous to the parties to enter into an Agreement to share the costs of the reconstruction and resurfacing of these portions of South Upper and South Limestone.

What is the cost in this budget year and future budget years?

\$45,000.00 – South Upper; \$17,000.00 – South Limestone (LFUCG’s portion)

Are the funds budgeted? Yes

Account Number: 2609-303301-0001-93011-PAVING\_2019-RESURFACE
