- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

2.0 REQUIREMENTS

- 2.1 Certification: Copies of required certifications shall be submitted with bid and become an integral part of bid.
- 2.2 Bidder's plant shall be certified by the "Tire Retreading Institute" and shall have achieved an "A" rating. Certification shall be in effect at time of bid and must be maintained throughout the term of the contract.
- 2.3 Bidder shall be certified by the manufacturer of the retreading equipment and materials to be thoroughly trained and competent in the subject process.
- 2.4 LFUCG reserves the right to inspect bidder's plant, equipment, materials, records, and procedures relating to the fulfillment of the requirements of this specification prior to award of contract. If inspection reveals that bidder's plant, equipment, materials, records, or procedures are not of sufficient standard or if the plant is judged to be operated or maintained in a less than professional and proper manner, this will be considered grounds for rejection of bid.

3.0 SERVICE

- 3.1 Tires under this contract will primarily be mounted on wheels when picked up. Mounted tires shall be remounted on LFUCG rims after processing and inflated to 110 psi. Every wheel/tire assembly serviced under this contract shall have a new valve stem installed with a double seal flow through valve cap such as Haltec #DS-1. Bid price shall include pickup, demounting, repairs, remounting, and delivery.
- 3.2 The Division of Fleet Service requires a one week turn-around on retreaded tires with a scheduled, weekly delivery cycle (typically Thursday morning). Tires shall be picked up and delivered the same day of the week, every week. Retreaded tires are required to be delivered the week immediately following their pickup. LFUCG Fleet Service reserves the option to call before a scheduled pickup when an excess of casings have accumulated in our warehouse, and ask for an early delivery if recapped tires are available. LFUCG will typically require 5 to 30 recaps per week. {This statement is an estimate and does not obligate LFUCG for any number or amount). In an attempt to keep LFUCG and vendor personnel injuries to a minimum, vendor shall have a pickup/delivery vehicle with a motorized lift gate specifically equipped for tire handling to load and unload tire/wheel assemblies.

4.0 TREAD

4.1 Presently LFUCG is recapping only 12R22.5 casings. Tread depths shall be consistent throughout the finished tire. Treads shall encapsulate the shoulder area of the tire such that the finished tire has an appearance similar to a new tire with no exposed seams or gaps. Installed tread shall strictly adhere to the OE tire manufacturer's approved retread base width for the particular tire being retreaded.

4.2 Acceptable Tread: The following precured treads have been tested and approved for this bid.

4.2.1 Bandag - BDR-HG

4.2.2 Goodyear - 0622

4.2.3 Michelin - XDUS

5.0 INSPECTION

5.1 All tire casings processed for retreading shall be inspected using electronic processes and nondestructive ultrasound techniques. A thorough description of your tire inspection process shall be included in bid package.

6.0 REPAIRS

6.1 Bid price shall include any necessary repairs including punctures and section repairs. Repairs shall not be limited in number providing the integrity of the casing is preserved.

6.2 Only repair procedures expressly approved by the original tire manufacturer shall be employed. Your bid package shall contain an overview of repair procedures employed in your plant.

6.3 Contractor shall provide a list of rejected casings each week with a stated reason for rejection. Control number shall be included identifying each rejected casing. The Division of Fleet Service reserves the right to inspect any and all rejected casings. Rejected casings shall be returned to LFUCG Fleet Service.

6.4 When compared to past experience, the number of rejected casings is excessive, or in the judgment of the Division of Fleet Service, casings are being rejected to avoid compliance with section 6.1, this will be considered grounds for termination of the contract.

6.5 Maximum section repair limits shall be limited to the following:

| Tire Size | Sidewall Area | Crown Area |
|-----------|---|-----------------|
| 12R22.5 | 3/8" X 5" 3/4" X 4 3/8" 1" X 3 1/4" 1 1/2" X 3 3/4" 3/4" X 5" | 1 1/2" X 1 1/2" |

2. Permanent record of each casing retreaded with type and style of tread.
3. Permanent record of each casing rejected with reason for rejection.
4. Date of return to LFUCG Fleet Services.

7.2 Contractor shall furnish an annual report of retread activity including total number of casings retreaded, total number of rejected casings, reason for rejections, and number of times rejected casings have been retreaded. Report is to cover period January 1 to December 31 and is due by the 2nd week of January. LFUCG reserves the option to request a current report at any time.

7.3 All invoices shall contain contractor's assigned DOT code and a cross reference of work order numbers and tire control numbers. Invoices shall be computer generated, hand written invoices are not allowed.

7.4 All processed casings shall have contractor's assigned DOT code followed by the date of retreading permanently affixed near the original DOT serial number.
