Commander Doug Pape, Div. of Police, stated that Officer Michael S. Sharp II had committed the offense of Misconduct, in violation of KRS 95.450 and General Order #73-2/H, Operational Rules, Section 1.02, in that on the 23rd day of September, 2012, he was not on-duty and in the Kroger's parking lot located at 3650 Boston Rd. at 0216 hours with family and friends when Patrol Officers were dispatched to that location in reference to a disorder. Mr. Timothy Jenks was walking past a truck and heard a bottle hit the ground and stated something to the effect of 'not wasting a good beer.' A few moments later, Mr. Jenks was approached by Officer Michael S. Sharp II and Mr. Thompson, who instigated a verbal and physical altercation. A struggle ensued and minor injuries occurred to both Mr. Jenks and Officer Sharp and that the appropriate punishment for this offense is Forty (40) Hours Suspension Without Pay.

Upon motion of Ms. Gorton, seconded by Ms. Henson, the disciplinary action was approved by unanimous vote.

Commander Doug Pape, Div. of Police, stated that Officer Adam P. Ray had committed the offense of Dissemination of Information in violation of KRS 95.450 and General Order #73-2/H, Operational Rules, Section 1.15 in that on the 15th day of September, 2012, he accessed information from his MDC for a non-law enforcement purpose and gave this information to a citizen. Commander Doug Pape, Div. of Police, stated that Lieutenant Edward A. Hart had committed the offense of Misconduct and Unsatisfactory Performance in violation of KRS 95.450 and General Order #73-2/H, Operational Rules, Section 1.02 and Section 1.11, in that on the 4th day of September, 2012, on various dates and times during the last twelve months, has made multiple postings on Facebook. These postings have caused concern with his subordinate officers as well as his supervisors. While these postings have been interpreted as offensive, improper, and/or unprofessional, they have, at the very least, had a direct impact on his ability to effectively supervise personnel under his command. Lieutenant Hart has failed to establish and maintain the highest standard of efficiency in carrying out the functions and objectives of the Division by compromising his standing in a supervisory position. The public posting of material, pictures, and statements by Lieutenant Hart has reflected poorly upon the Division and has clearly demonstrated an impairment to the operation and efficiency of the Division. In addition, Lieutenant Hart's ability to effectively supervise subordinates has been diminished and his ability to project the Division of Police's image in a positive manner has been compromised, and that the appropriate punishment for this offense is a 30-Day Suspension (240 Hours) Without Pay.

Ms. Henson asked questions of Commander Pape regarding the rank of the Lieutenant Hart. Commander Pape confirmed his rank.

Upon motion of Ms. Gorton, seconded by Ms. Henson, the disciplinary action was approved by unanimous vote.
