## Pricing Amendment

This Pricing Amendment ("*Amendment*") is an amendment to the Master Treasury Management Agreement (the "*Master Agreement*") currently in effect between the "Customer" identified on the Signature Page below ("*you*") and Fifth Third Bank ("*we*" or "*us*"). All capitalized terms not otherwise defined in this Pricing Amendment have the meaning provided in the Master Agreement.

1. **Account Fees.** This Pricing Amendment establishes the Account Fees for the Services we provide you pursuant to the Master Agreement or otherwise. The Fee Schedule attached to this Amendment shall govern for the term commencing on the "*Effective Date*" specified below and ending on the "*Expiration Date*" specified below. ***This Amendment is not valid unless the Fee Schedule is attached at the time of signing this Amendment.*** On the day following the Expiration Date, the Account Fees shall adjust to the then rates offered by us to customers with similar credit and relationship characteristics unless you and we have otherwise expressly agreed in writing.

2. **Effect.** This Amendment amends the Master Agreement solely for purposes of establishing the Account Fees for you during the Term. All provisions of the Master Agreement not inconsistent with this Amendment remain unchanged and in full force and effect, and are ratified and confirmed. In the case of any conflict between the provisions in the Master Agreement and this Amendment, the provisions of this Amendment shall prevail.

3. **Miscellaneous.** We represent and warrant to each other that this Amendment has been authorized by all necessary corporate or other entity action, and that the person signing this Amendment on our behalf is duly authorized to do so. This Amendment evidences the entire agreement and understanding between us with respect to the subject matter of this Amendment and supersedes all prior agreements and discussions between us with respect to that subject matter.

EXECUTED THIS September 13, 2019
