Jake,

Please allow this email to serve as your official Notice to Proceed to award the design contract to GRW. I have reviewed the selection committee's recommendation and concur. Please let me know should you have any additional questions or concerns.

Thanks,

Shane

The selection committee met to discuss the results and GRW was chosen. See attached selection committee members and scoring summary. I can't recall if you need the proposals but provided those just in case. Let me know if you need anything else.

Thanks,

Shane,

I apologize but I don't think I ever reached back out to you on this project. We have decided to move forward with the project significantly reducing scope around the Lane Allen/Alexandria intersection to minimize rework for the future SS4A project. We decided that project may be years down the road and would prefer to get the sidewalk in now. I already put this out for letting and it has closed. I have attached the RFQ and the advertisement. We had 2 proposals sent to us and will be discussing our evaluations today. Let me know if there is anything else you need for this.

Thanks,

Jake Stephens, P.E.
