Subject: Two (2) Sulzer-ABS Submersible Pumps for Town Branch WWTP

---

Request

The purpose of this memorandum is to request approval for the purchase of two (2) Sulzer-ABS Submersible Pumps Model XFP400M-CH2 PE1040/6 with 16" discharge. Southern Sales is the contracted Sulzer sole distributor for Sulzer wastewater (formerly ABS) products for the Municipal Wastewater market. Southern Sales' territory includes Fayette County.

Purpose of Request

The requested equipment will be installed in place of existing (identical units) as needed when existing units are removed from service due to mechanical issues that may/have required pump rebuild. Resolution 220-2021 approved the purchase of a set of identical pumps, approval of this purchase will facilitate completion of the Town Branch WWTP pumping station redundancy project.

Replace and Repair Cost in FY21

The quote provided by Southern Sales for Two (2) Sulzer-ABS Submersible Pumps is \$91,900.00.
