RE: Donation to the Fayette County Sheriff's Office – Police Bicycles (3)

Please find attached documentation requesting approval for the Lexington Division of Police to donate three (3) police bicycles to the Fayette County Sheriff's Office for law enforcement use only. The Division of Police is currently in the process of taking the bicycles out of service due to age and overall condition. These late model bicycles, which have no safety issues, would be a great resource for the Fayette County Sheriff's Office. The bicycles are currently being processed for surplus purposes (copy of FA9 is attached). Upon approval of donation, the bicycles will be transferred to the Fayette County Sheriff's Office.

There will be no budgetary impact. If you have any questions or require additional information, please contact my office.
