Section 1 – That updated Expansion Area Exaction Rate Tables for January 1, 2015 and March 1, 2020, which are attached hereto and incorporated herein by reference as Exhibit A and Exhibit B, respectively, for roads, parks, stormwater, open space, sewer transmission, and sewer capacity, be and hereby are adopted to reflect actual and/or contracted costs for eligible system improvements constructed since the last update approved by Resolution No. 149-2010 on March 25, 2010, on behalf of the Department of Finance, the Department of Environmental Quality and Public Works, and the Divisions of Planning and Engineering.

Section 2 – That the Expansion Area Rate Table for January 1, 2015 (Exhibit A) is to be applied in a manner such that qualified development activity which took place after January 1, 2015 but before March 1, 2020 would be eligible to have those rates apply in lieu of the Expansion Area Exaction Rate Table approved by Resolution No. 149-2010.

Section 3 – That the Administration be and hereby is authorized and directed to engage necessary consultants to perform a comprehensive review of the existing exactions program to determine whether alternatives exist to equitably allocate and distribute the costs of improvements in the Expansion Areas, with the ultimate objective of bringing the program to a full and final conclusion.

Section 4 – If any section, subsection, sentence, clause, phrase, or portion of this Resolution, including Exhibit A and Exhibit B attached hereto and incorporated herein by reference, is for any reason held invalid or unlawful by a court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.
