Lexington-Fayette Urban County Gov't
Robert Stack
Director of Enhanced 9-1-1
200 E Main Street, Rm 313
Lexington, KY 40507

Attention Robert Stack:

Please accept this letter to confirm 911 Datamaster is the sole developer of software and authorizer of maintenance partners for: 911 DBMS, WebDBMS, ALI, Remarks and Cellular Steering.

AK Associates, presently, is our only business partner in the State of Kentucky that has attended ongoing training sessions on the latest ALI/DBMS software releases used by LFUCG. They are our only business partner that has the training to provide LFUCG with comprehensive data management services in the State of Kentucky.

Should you have any additional questions, don't hesitate to contact me.

Sincerely,

Eric J Regnier

Vice President Business Development and Strategy
