To whom it may concern

Per your request, please see information below on pricing for NARCAN® Nasal Spray 4 mg/.1mL

Lexington Fayette Urban County Government qualifies to purchase NARCAN® Nasal Spray at Emergent Device's public interest pricing of \$41.00 per carton. Each carton contains two 4 mg devices. The minimum order is 1 case (12 cartons) which is \$492.00.

There is no shipping fee, as shipping is provided free of charge. However, please note that this purchase is subject to sales tax, if applicable.

If you were to purchase 1 cases (12 cartons), the subtotal would be \$492.00.

Please reference the Terms & Conditions (or your contract details) for additional information.

Sincerely,

Clark Baker
