RE: Sole Source Purchase Request of replacement pitch-in containers for downtown – Manufactured by Securr

Request: The purpose of this memorandum is to request approval to purchase replacement containers for the downtown pitch-in dual stream containers (trash and recycling).

Authorization to: Approve sole source purchase of more downtown pitch-in containers directly from the manufacturer (Securr), which will incorporate our slight modifications to make them dual streams to match the current installed units.

Why are you requesting? Many of the current pitch-in containers are getting old and damaged.

Department needs this action completed because: We currently have no containers in stock to replace the damaged ones that have been removed, and there are more in need of replacement.

What is the cost in this budget year and future budget years?

The cost for this FY is: \$39,300.00

The cost for future FY is: \$85,000.00

Are the funds budgeted? Yes

The funds are budgeted or a budget amendment is in process: Budgeted.
