THE COMMONWEALTH OF KENTUCKY TRANSPORTATION CABINET
AND
LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT
OXFORD CIRCLE SIDEWALKS/ ITEM NO. 7-3220
FEDERAL PROJECT NUMBER 4003 017/PO2-628-1700004160
\$20,000.00**

This AGREEMENT is made and entered into by and between the Commonwealth of Kentucky, Transportation Cabinet, hereinafter the "CABINET" and the Lexington-Fayette Urban County Government, hereinafter the "RECIPIENT".

WITNESSETH:

WHEREAS, the Federal Highway Administration (FHWA), through the CABINET, has approved \$20,000.00 in federal funding for the Oxford Circle Sidewalks hereinafter the "PROJECT", known as Federal Project Number TAP 4003 017 and the applicable Catalog of Federal Domestic Assistance number is 20.205-Highway Planning and Construction,

WHEREAS, the Federal-aid Highway Program is a State Administered Reimbursement Program and the RECIPIENT shall carry out this PROJECT in accordance with applicable Federal and State laws and regulations including all of Title 49 United States Code (USC), Title 23 United States Code (USC), 49 Code of Federal Regulations (CFR), 23 Code of Federal Regulations (CFR), and 2 CFR 200,

WHEREAS, the RECIPIENT must comply with applicable CABINET policies and procedures,

WHEREAS, Federal-aid projects are to serve a public purpose, the RECIPIENT is responsible for maintaining any real property or facilities improved pursuant to the PROJECT on a non-profit basis,

WHEREAS, the RECIPIENT shall refer to the *Federal-Aid Project Development Guide for Local Public Agencies*, hereinafter the "GUIDE", and any future revisions for assistance in complying with this AGREEMENT,

WHEREAS, the RECIPIENT shall outline, undertake, and complete the work as described in the Scope of Work and Budget Summary (Attachment A) in accordance with the terms and conditions of this AGREEMENT, and consistent with the FHWA Contract Administration Manual, the CABINET/FHWA Stewardship Agreement, FHWA Form 1273 and all applicable State and Federal laws and regulations,

WHEREAS, the RECIPIENT shall demonstrate and shall maintain adequate staff, provide delivery systems, and sufficient accounting control to complete the PROJECT in accordance with all Federal and State laws and regulations addressed herein, and

WHEREAS, the RECIPIENT has agreed to provide a minimum of 20% matching funds and to accept responsibility for all administration, staffing, maintenance and operation costs for the Project as identified under this AGREEMENT;

NOW THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the CABINET and the RECIPIENT hereby agree as follows:

Section 1. Scope of Work & Budget Summary. It is understood that the PROJECT will enhance the transportation system as further described in the Scope of Work and Budget Summary (Attachment A, attached hereto and made a part of this AGREEMENT). In the Scope of Work and Budget Summary, the RECIPIENT is to include detailed expectations, individual activities, estimates, and a schedule with

milestones which the CABINET will use as checkpoints for the PROJECT. Further, the RECIPIENT is to define the roles, responsibilities, and authorities of the various entities and/or organizational units with regard to the project development and project delivery processes specific to this PROJECT in the Scope of Work and Budget Summary.

The RECIPIENT shall identify and provide a point of contact, including adequate contact information, for who shall be responsible to manage this PROJECT on the RECIPIENT's behalf, submit the Scope of Work and Budget Summary to the CABINET, and be responsible for ensuring that the RECIPIENT adheres to all terms and conditions of this AGREEMENT. The RECIPIENT shall have final design plans, specifications, and a total estimate prepared by a Professional Engineer licensed to practice in the Commonwealth of Kentucky and approved by the CABINET prior to any construction. The Project Development Checklist (LPA-PDC) (Appendix 1 of the GUIDE) shall be submitted by the RECIPIENT and certified by the CABINET prior to construction.

Section 2. Effective Date of Agreement and Term of Eligible Reimbursement. It is understood the effective date of this AGREEMENT is the date the AGREEMENT is signed by the Secretary of the CABINET. After execution of the AGREEMENT, the CABINET will return a copy of the AGREEMENT to the RECIPIENT and issue a Notice to Proceed to begin work on a particular Phase of the PROJECT. Expenditures made prior to the effective date of the AGREEMENT and before the Notice to Proceed for the particular Phase covering the expenditure shall not be eligible for reimbursement. The Term of Eligible Reimbursement under this AGREEMENT shall end December 31, 2019 unless that Term is extended or amended by written agreement in accordance with the provisions of KRS 45A and 2 CFR Part 200 as to period of performance. Any and all funding obligated for any Phase of this PROJECT defined by the original Scope of Work and authorized changes shall be available to reimburse the RECIPIENT for eligible work activities completed and costs incurred after the effective date of this AGREEMENT and the Notice to Proceed covering that Phase of the PROJECT. If the PROJECT cannot be completed during the Term of Eligible Reimbursement under this AGREEMENT, the RECIPIENT must provide justification why the PROJECT end date should be extended and identify the new Term of Eligible Reimbursement being requested.

Funding Out Provision. The CABINET may terminate this contract if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the contract. The CABINET shall provide the RECIPIENT thirty (30) calendar days written notice of termination of the contract.

This AGREEMENT is contingent upon the continued availability of appropriated Federal funding. If the funding appropriated for any Phase of the PROJECT becomes unavailable for any reason including the Kentucky General Assembly's failure to appropriate the funding, by operation of law or as the result of a reduction in Federal funding, further reimbursement of PROJECT expenditures may be denied, the PROJECT may be cancelled, the timeline extended or the scope amended by the CABINET either in whole

or in part without penalty. Denial of further reimbursement, PROJECT cancellation, extension or amendment because of an interruption in the appropriated funding is not a default or breach of this AGREEMENT by the CABINET nor may such denial, cancellation, extension or amendment give rise to any claim against the CABINET.

Section 3. Duration of Project. It is understood and agreed by the parties hereto that the Scope of Work shall be completed within the period set forth herein under Section 2. In the event the RECIPIENT fails to perform the Scope of Work within the time allotted, or at any time the RECIPIENT fails to maintain adequate staff, project delivery systems, or sufficient accounting control, the CABINET reserves the right to cancel further reimbursements related to the PROJECT under the AGREEMENT. In the event the CABINET denies further reimbursement under this section, the RECIPIENT shall refund all reimbursements made by the CABINET to the RECIPIENT under this AGREEMENT.

Section 4. Project Funding. It is expressly understood that Federal funding for this PROJECT is being provided by the Federal Highway Administration (FHWA) through the CABINET, specifically through the Catalog of Federal Domestic Assistance program number 20.205, Highway Planning and Construction. The Federal share of the total cost of this AGREEMENT shall not exceed \$20,000.00 (the amount indicated on Attachment A) unless otherwise approved in writing by the CABINET with the concurrence of FHWA. If the RECIPIENT completes the PROJECT for less than this amount, the remaining funds may only be used by the RECIPIENT upon written agreement of the CABINET and may only be used for eligible PROJECT costs within the original PROJECT scope. Unless otherwise stated, the funding for the PROJECT shall be authorized in Phases and no reimbursement shall be considered for expenditures made before a Notice to Proceed for that Phase has been received. Reimbursement requests will be considered only for and up to the funding amount and type of work described in the approved Scope of Work and Budget and authorized by the Notice to Proceed for that Phase. The RECIPIENT has agreed to accept up to \$20,000.00 in Federal reimbursement funding available as authorized in Phases for eligible PROJECT costs. The RECIPIENT shall be responsible for any ineligible costs, the required 20% local match funds (Local match amount), and any costs in excess of \$20,000.00 necessary for completion of the approved Scope of Work and any authorized changes to the PROJECT.

The RECIPIENT shall pay all PROJECT expenses and only upon meeting all terms and conditions of this AGREEMENT will be eligible to receive Federal reimbursement funding. All charges to the PROJECT shall be supported by properly executed invoices, contracts, vouchers, or monthly employment data evidencing in proper detail the nature and propriety of the charge. The CABINET or FHWA may require additional documentation at their discretion.

Section 5. Allowable Costs. Funding may be used for restoration, repair, construction and other activities eligible under the Surface Transportation Program (STP) as defined within 23 USC 133(b). Funding may also be used for passenger and freight rail transportation and port infrastructure projects eligible for assistance under subsection 23 USC 601(a)(8). The PROJECT costs referred to in this

AGREEMENT shall be those costs included in the Scope of Work (Attachment A) and submitted to the CABINET on the Reimbursement Request Form. The RECIPIENT shall follow 2. CFR 200.

The RECIPIENT is responsible for adhering to all Federal and State laws and regulations listed in this AGREEMENT and all documents referred to herein. Reimbursement by the CABINET shall not be provided to the RECIPIENT if any requirements listed within 23 CFR 123 are not met. The CABINET shall reimburse the RECIPIENT upon request by the RECIPIENT providing proof of payment through appropriate documentation, which includes but is not limited to the following: work progress completed to date, expenses, cancelled checks, bank statements, verified affidavits, and employment reports. The RECIPIENT shall also certify the work shown on the invoice has been performed in accordance with the terms of this AGREEMENT and approved plans and specifications, the cost(s) shown are verified and are true and correct, and the request for reimbursement in no way represents any degree of duplication of payments that have or will be received from other funding sources. This formal letter must be signed by the designated project manager for the RECIPIENT in responsible charge.

Reimbursement by the CABINET is also subject to the provisions of Sections 33 and 36 hereof. The CABINET or FHWA reserves the right to require additional documentation.

Section 6. Reporting and Monitoring. The RECIPIENT shall maintain and comply with all reporting requirements outlined by the CABINET and FHWA.

This Federal-aid project is subject to the reporting requirements contained in the Federal Funding Accountability and Transparency Act (Transparency Act) of 2006 and its associated amendments. The Transparency Act requires entities receiving Federal awards such as Federal contracts, sub-contracts, grants and sub-grants, to disclose certain information. This Agreement is subject to 31 USC 6101, 2 CFR 170, and 2 CFR Subtitle A, Chapter I and Part 25. The CABINET may require that the RECIPIENT provide a completed Federal Funding Accountability and Transparency Act form prior to execution of this Agreement.

The making, recording and reporting of any purchases shall be undertaken in accordance with the requirements of KRS 45A and applicable federal guidelines. All checks, invoices, contract records, vouchers, orders, purchasing documents, and monthly employment data pertaining in whole or in part to the PROJECT shall be clearly identified and readily accessible. The RECIPIENT shall permit the CABINET and/or FHWA to conduct periodic site visits to ascertain compliance with Federal and State laws and regulations. The RECIPIENT shall maintain financial records for three years after the latest of project completion, the execution of the Project Closure Form by KYTC, Final Acceptance and final reimbursement.

Section 7. Environmental Requirements. With the advice and assistance of the CABINET, the RECIPIENT shall ensure that all applicable environmental requirements are met including the preparation of appropriate environmental documentation prepared pursuant to the National Environmental Policy Act (NEPA) of 1969 addressing the social and environmental effects of the proposed PROJECT. Adequate resources must be devoted to ensuring that all applicable environmental reviews under NEPA are completed on an expeditious basis and that the shortest existing applicable process under NEPA shall be

utilized. Compliance with NEPA, Section 4(f) of 49 USC 303, Section 106 of the National Historic Preservation Act, Sections 401 and 404 of the Clean Water Act, Section 7 of the Endangered Species Act, and any other applicable environmental laws and regulations must be received to permit funding authorization by the FHWA. Specifically, Phase I design activities will be allowed to proceed without a valid environmental document; however, the commencement of any Phase II design, right-of-way acquisition, utility relocation, or construction activities shall not be permitted prior to approval of the appropriate environmental document. Federal funds will be available for reimbursement of construction costs upon successful completion of design activities.

Section 8. Land Acquisition. Should the PROJECT require the acquisition of any interest in real property by the RECIPIENT; the RECIPIENT must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (49CFR part 24), State Law and KYTC Division of Right of Way & Utilities Guidance Manual and the RECIPIENT does not have the authority to acquire property by eminent domain, the applicability of the Uniform Relocation Assistance (URA) and Real Property Acquisitions Policies Act, 49 CFR Part 24 (as amended) shall be limited to the following requirements: (1) Prior to making an offer for the property, the property owner shall be advised in writing that should negotiations fail to result in an amicable agreement, the RECIPIENT will not be able to acquire the property, and (2) The property owner shall be informed in writing of what the RECIPIENT believes to be the fair market value of the property based upon a fair market value appraisal approved by the CABINET, Division of Right-of-Way and Utilities prior to any offer by the RECIPIENT.

The RECIPIENT shall ensure that all real property acquisition, relocation assistance, and property management are completed in a fair, equitable and approved manner consistent with all State and Federal laws and regulations governing the acquisition of real property for public use using State or Federal highway funding. (1) The RECIPIENT shall either adopt in writing the CABINET's written Policies and Procedures for Right of Way Acquisition and Relocation Assistance or present its own written Policies and Procedures for approval by the CABINET's Division of Right of Way and Utilities and, if applicable, the FHWA. (2) The RECIPIENT shall conduct all appraisals and appraisal reviews using personnel meeting the CABINET's minimum qualifications and listed on the CABINET's pre-qualified appraiser and reviewer list. (3) If the RECIPIENT chooses to use an acquisition consultant on all or any portion of the PROJECT, the selection of the consultant shall be in accordance with the CABINET's Division of Right of Way Guidance Manual. (4) All appraisals must be reviewed and approved by the CABINET's Central Office review appraisers, failure to do so will result in the PROJECT being ineligible for reimbursement. (5) The RECIPIENT shall provide property management in accordance with approved procedures and be responsible for the abatement of any asbestos containing materials and removal of contaminated soils pursuant to applicable State and Federal laws and regulations. (6) The RECIPIENT shall provide the CABINET and, when applicable, FHWA, necessary assurance that all real property has been acquired and all displaced individuals, businesses, non-profit organizations and farms have been offered relocation assistance according to applicable State and Federal laws and regulations. (7) The RECIPIENT shall provide the

CABINET, and when applicable, FHWA, necessary documentation for review and approval at various stages of the acquisition process, as described in the CABINET's Right of Way Relocation Assistance Guidance Manual.

The CABINET shall: (1) Review all appraisal reports to ensure proper appraisal practice and procedures as well as compliance with State and Federal laws and regulations, and (2) Approve the final value conclusion through the Director, Division of Right of Way and Utilities.

The RECIPIENT shall provide to the CABINET the following information on each parcel of real property to be acquired:

- A title opinion for the Property,
- An accurate legal description and plat delineating the shape and location of the Property to be acquired, (*In accordance to KYTC Division of Design Specifications*)
- The total area of the Property,
- The Property interest to be acquired

Should the acquisition of real property result in the displacement of a tenant-occupant, such displacement shall be subject to the requirements of the URA, as set out in implementing regulations 49 CFR Part 24. A displaced tenant shall be eligible for moving expenses and any other relocation expenses for which they might qualify.

Section 9. Restrictive Easements. The RECIPIENT acknowledges that the CABINET will require the placement of a restrictive easement approved by and in favor of the CABINET in the chain of title of any real property acquired or improved pursuant to the PROJECT in favor of the CABINET. If the Owner of any real property acquired or improved pursuant to the PROJECT is different from the RECIPIENT, then the Owner shall sign and be made a party to this AGREEMENT and the Owner hereby acknowledges, covenants and consents to the placement of a restrictive easement for perpetual maintenance of the property acquired or improved pursuant to the PROJECT in the chain of title in favor of the CABINET prior to final reimbursement by the CABINET.

Section 10. Reimbursable Utility Relocations. When conducting a utility relocation, KRS 177.035 and KRS 179.265 determine the necessity of payment on behalf of the utility company in question. When law requires the reimbursement of the work, the cost of constructing the most economical type of facilities that satisfactorily meet the service requirements of the former facilities is negotiated, and an agreement is executed between the RECIPIENT and the utility company. Utility relocations shall be designed by the utility company and shown on the PROJECT's survey and general plan sheets. The impacted utility company, with its regular construction or maintenance personnel, and/or with an approved contractor or subcontractor, will furnish all engineering, administration, labor, and materials to make and complete all necessary adjustments of its facilities to accommodate the PROJECT. The RECIPIENT shall inspect the relocation and document the proper installation of the facilities. If it is determined that the utility relocation work is best conducted within the PROJECT's construction contract, the RECIPIENT or the authority designated by the RECIPIENT will negotiate, execute the agreement, and inspect the relocation work. If a

conflict of interest arises between the RECIPIENT and a utility company, the CABINET shall intercede to provide the utility coordination.

Section 11. Non-Reimbursable Utility Relocations. When KRS 179.265 indicates the work is not reimbursable, the utility company shall design their relocation plan on the PROJECT's survey and general plan sheets. The RECIPIENT shall perform a review and approval of the relocation per agency policy and procedure. The RECIPIENT shall inspect the relocation and document the proper installation of the facilities. If a conflict of interest arises between RECIPIENT and a utility company, the CABINET shall intercede to provide the utility coordination.

Section 12. General Railroad Coordination. The RECIPIENT shall be charged with any railroad coordination for the PROJECT, the execution of a contract with the impacted railroad and oversight of the execution. All work related to the PROJECT shall be done in accordance with the CABINET's Standards, Specifications, Standard Drawings, and Utilities and Rails Manual. Correspondence pertaining to railroad coordination may impact both the project development and construction of the PROJECT. Therefore any and all correspondence regarding railroad coordination activities must be provided to both contracted parties. The CABINET's representative in such matter is the Central Office Rails Coordinator.

The RECIPIENT shall provide the following with the bid package for the PROJECT: a railroad coordination note defining any and all special project terms and conditions due to the involvement of the railroad company and an estimate of the PROJECT expenses for railroad coordination.

Section 13. General Utility Coordination. The RECIPIENT shall be charged with the identification of utility facilities in conflict with the PROJECT, the execution of a remedy for said conflict, and oversight of the execution. The CABINET encourages dutiful consideration of utility avoidance via design considerations. When avoidance is impossible, uneconomical or otherwise invalid, utility relocation is an acceptable remedy for conflict. All work related to the PROJECT shall be done in accordance with the CABINET's Standards, Specifications, Standard Drawings, and Utilities and Rails Manual. Correspondence pertaining to utility coordination may affect both the project development and construction of the PROJECT. Therefore any and all correspondence regarding utility coordination activities must be provided to both contracted parties. The CABINET's representative on these matters is the District Office Utility Supervisor.

The RECIPIENT shall provide the following upon full execution of the utility relocation for the PROJECT: 3 sets of as-built plans for each utility company that completes facility relocation on the project prior to the construction letting, a utility and rail certification note defining the utilities and railroad identified in the PROJECT scope, relocations that have been performed, incomplete relocations, and completion schedules for the incomplete work. If no railroad is involved the note shall indicate as such.

Section 14. Permits and Licenses. The RECIPIENT is responsible for obtaining all permits and licenses required to initiate, perform and complete all phases of the PROJECT in an appropriate and timely manner. Per the CABINET/FHWA Stewardship Agreement, the PROJECT may require more involvement from the FHWA.

Section 15. Design and Construction Standards. All Federal and State design and construction criteria for the type of work shall be followed, including but not limited to 23 CFR 625, the CABINET's Highway Design Manual, the CABINET's Standard Drawings, the CABINET's Standard Specifications for Road and Bridge Construction, the CABINET's Drainage Manual, the CABINET's Structural Design Manual, the American Association of State Highway Transportation Officials' (AASHTO) "Policy on Geometric Design of Highways and Streets", and the Institute of Transportation Engineers' (ITE) Manual on Uniform Traffic Control Devices (MUTCD). All work performed shall be in accordance with the most recent edition of the CABINET's Standard Specifications for Road and Bridge Construction, as revised, and as provided in Subsection 105.01 of said Specifications. All materials furnished shall be in accordance with Subsection 106 of said Specifications to include all CABINET List of Approved Materials. These standards, specifications, and criteria are incorporated in this AGREEMENT by this reference.

Section 16. Consultant Selection. The RECIPIENT shall be responsible for all PROJECT design activities, which may be completed either by the RECIPIENT's staff or a consultant. If the RECIPIENT selects to perform the design work with internal staff, these costs will be eligible for an in-kind match if pre-approved by the CABINET Administering Office. If the RECIPIENT selects to perform the work through a consultant, the RECIPIENT, with the oversight and approval of the CABINET, shall be responsible for the advertisement, selection, and contracting for consultant engineering and related services for the PROJECT in compliance with the Federal requirements set forth in the Brooks Act, Public Law 92-582, the FHWA policy outlined in 23 CFR 172, CABINET policies and procedures, the CABINET procurement policies, and the Kentucky Model Procurement Code as defined within KRS 45A.730-750. This requires the use of a Qualifications Based Selection (QBS) process for the selection of all engineering and related services. By complying with KRS 45A.730-750, the required Federal provisions of the Brooks Act will be satisfied. All plans and specifications must be prepared by a professional engineer or architect licensed in the Commonwealth of Kentucky and prequalified by the CABINET to practice the type of work to be done. If no CABINET prequalification category exists, a consultant must receive approval by the CABINET prior to working on the PROJECT. The RECIPIENT may choose to enter into a letter agreement with a consultant that has a statewide contract with the CABINET instead of going through the procurement process itself.

Section 17. Contractor Procurement. The RECIPIENT shall be responsible for all PROJECT construction activities, which may be completed either by the RECIPIENT's staff or by a contractor. If the RECIPIENT intends to use contractor services, the RECIPIENT shall be responsible for the advertisement, opening of bids, selection, and contracting for contractor services for the PROJECT, with the concurrence of the CABINET, in accordance with the Federal contract provisions listed in FHWA Form 1273 which take precedence over the Kentucky Model Procurement Code provisions KRS 45A.343 and KRS 45A.345-460, as well as KRS 424, 23 CFR 635, 23 USC 112. Bid proposals must be accepted for a minimum of 21 days from the date of the first advertisement for award. Contractors and subcontractors must be pre-qualified by the CABINET for the type of work prior to being awarded a contract. If no CABINET prequalification

category exists, a contractor or subcontractor must receive the approval of the CABINET prior to working on the PROJECT.

The RECIPIENT shall prepare an independent engineer's estimate in accordance with 23 CFR 630, Subpart B to compare against the contractors' bids for reasonableness. The RECIPIENT shall thoroughly review all bids and obtain concurrence from the CABINET prior to the award or the rejection of any contract of bids for work or materials to be used on this PROJECT. Factors that should be considered and documented in reviewing submitted bids are: a comparison of the bids against the engineer's estimate, the number of bids submitted, the distribution or range of bids received, the geographic location of bidders, any potential savings from readvertising the PROJECT, a comparison of bids against other recent bids for the same item or service, the urgency of the PROJECT, the number of times previously advertised or contracted for, the current market conditions, a comparison of unit bids versus engineer's estimate unit bids, the funding available. Determining whether the bids received are adequate involves considering any critical safety improvements, emergency repair or replacement of damaged facilities, the opening of otherwise completed facilities to traffic, furthering a phased construction schedule, or any other factors deemed important by the CABINET or FHWA. Specific Federal requirements defined within 23 CFR 635 require that the award be made to the lowest responsive bidder meeting the criteria of responsibility established by the CABINET.

Section 18. Contract Administration and Inspection It is understood that the RECIPIENT shall be responsible for all aspects of administration, testing, and inspections to ensure the materials and construction meet CABINET specifications and Federal quality assurance specifications referenced in 23 CFR 637 and 23 CFR 635.105 (a) or (b). This includes providing daily on-site inspection of contractor work activities and prompt processing all of the paperwork associated with the construction contract, including any change orders. The RECIPIENT must receive prior written CABINET approval for all change orders, but such approval shall not increase the funding obligated to the RECIPIENT under this AGREEMENT or otherwise.

The RECIPIENT shall use the most recent edition of the CABINET's Regional Highway and Bridge Construction Inspection advertisement for construction inspectors, or must receive CABINET approval to submit an Alternative Construction Inspection Plan. If the RECIPIENT does not have adequate staff to perform this work, the RECIPIENT may hire a consultant or enter into an agreement with another governmental agency to provide these services. The CABINET must review and approve the Construction Engineering and Inspection agreement and the agreement with the service provider and a copy of both in the PROJECT file as required by FHWA. If the RECIPIENT elects to hire a consultant, the RECIPIENT must ensure that the consultant staff is competent in construction inspection and performs all work under the direct supervision of a registered professional engineer or architect licensed in the Commonwealth of Kentucky. The use of a consultant does not relieve the RECIPIENT of ultimate responsibility for the proper administration and inspection of the construction. If a consultant is used to provide inspection services, the

RECIPIENT must also provide an appropriately certified and licensed RECIPIENT employee to be in responsible charge of the PROJECT and oversee the inspections.

When an Alternative Construction Inspection Plan is submitted, the RECIPIENT must ensure sufficient quantity and quality are delivered and that proper inspection documentation is maintained. The Alternative Construction Inspection Plan must be performed under the supervision of a Professional Engineer licensed in the State of Kentucky, include credentials and experience of inspectors, indicate testing consistent with the CABINET's Sampling Manual, detail the frequency, who will be responsible, and what will be included in reports, and coordinate with the CABINET's construction inspector.

The CABINET and/or the FHWA may conduct an announced or unannounced field review of the PROJECT at any time. This field review is intended to verify conformance with all laws, regulations, and policies applicable to the Federal-aid Highway Program and provide assistance to the RECIPIENT where necessary.

Section 19. Davis-Bacon and Related Acts. The 1931 Davis-Bacon Act (prevailing Federal wage) requires the RECIPIENT of all Federal-aid construction projects to comply with contractor and subcontractor payment rates and fringe benefits as determined by the Secretary of Labor for corresponding classes of laborers and mechanics engaged on similar construction, alteration, and/or repair of public buildings or public works, painting, or decorating projects in the locality. Specific wage rates shall be included in the construction contract between the RECIPIENT and the contractor, which must also include a contract provision that overrides the general applicability provisions in Form FHWA-1273, Sections IV and V.

Section 20. The Contract Work Hours and Safety Standards Act. During the construction of the PROJECT, the RECIPIENT shall comply with the Contract Work Hours and Safety Standards Act which contains weekly (after 40 hours) overtime pay requirements and applies to most Federal contracts which may require or involve the employment of laborers and mechanics, including watchmen and guards. Section 107 of the Act provides health and safety standards on covered construction work which are administered by the Occupational Safety and Health Administration (OSHA). The RECIPIENT shall refer to the Contract Work Hours and Safety Standards Act for the requirements under this provision.

Section 21. The Copeland "Anti-Kickback" Act. The RECIPIENT shall comply with the "Anti-Kickback" section of the Copeland Act, which makes it punishable to induce any person working on a Federally funded or assisted construction project to "give up any part of the compensation to which he is entitled under his contract of employment." The RECIPIENT shall refer to the Copeland Act for the requirements under this provision.

Section 22. Title VI - Civil Rights Act of 1964. The RECIPIENT shall comply with all requirements imposed by Title VI of the Civil Rights Act of 1964 (78 Stat. 252), the Regulations of the United States Department of Transportation issued thereunder (CFR Title 49, Subtitle A, Part 21), and the assurance by the RECIPIENT pursuant thereto. Title VI prohibits discrimination on the basis of race, color, national origin, disability, gender, age, and income in all programs or activities of any RECIPIENT of Federal assistance.

Section 23. Equal Employment Opportunity. In connection with the execution of this AGREEMENT, the RECIPIENT shall take affirmative action and not discriminate against any employee or applicant for employment to ensure that applicants are employed, and that employees are fairly treated during their employment, without regard to their race, religion, color, sex, national origin, age, or disability. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection of training including apprenticeship. The RECIPIENT shall incorporate the foregoing requirements of this paragraph in all subcontracts for services covered by this AGREEMENT.

Section 24. Non Discrimination. Discrimination (because of race, religion, color, national origin, sex, sexual orientation, gender identity, age, or disability) is prohibited. This section applies only to contracts utilizing federal funds, in whole or in part. During the performance of this contract, the RECIPIENT agrees as follows:

- a. The RECIPIENT will not discriminate against any employee, applicant, contractor or consultant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, or age. The RECIPIENT further agrees to comply with the provisions of the Americans with Disabilities Act (ADA), Public Law 101-336, and applicable federal regulations relating thereto prohibiting discrimination against otherwise qualified disabled individuals under any program or activity. The RECIPIENT agrees to provide, upon request, needed reasonable accommodations. The RECIPIENT will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The RECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
- b. The RECIPIENT will, in all solicitations or advertisements for work placed by or on behalf of the RECIPIENT; state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.
- c. The RECIPIENT will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the RECIPIENT's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The RECIPIENT will take such action with respect to any contract, subcontract or purchase order as the CABINET or FHWA may direct as a means of enforcing such provisions, including sanctions for noncompliance.

d. The RECIPIENT will comply with all provisions of Executive Order No. 11246 of September 24, 1965 as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.

e. The RECIPIENT will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to the PROJECT books, records and accounts by the CABINET or FHWA and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

f. In the event of the RECIPIENT's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the RECIPIENT may be declared ineligible for further government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in or as otherwise provided by law.

g. The RECIPIENT will include the provisions of paragraphs (1) through (7) of section 202 of Executive Order 11246 in every contract, subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor, issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each contractor, subcontractor, consultant or vendor. The RECIPIENT will take such action with respect to any contract, subcontract or purchase order as the CABINET or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a RECIPIENT becomes involved in, or is threatened with, litigation with a contractor, subcontractor or vendor as a result of such direction by the CABINET or FHWA, the RECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

Section 25. Disadvantaged Business Enterprise (DBE) Requirements. An applicant DBE firm must be given consideration for participation in the PROJECT and a DBE goal shall be set by the CABINET for work on the PROJECT. The CABINET shall review and approve the DBE goal based on CABINET processes and procedures. Any participating DBE firm must be certified as a DBE firm and be prequalified with the CABINET. SCOPE OF WORK AND BUDGET SUMMARY

Scope of Work:

All federally-funded projects are set up in phases (design, ROW, utilities, construction). No work can begin on any phase of a project until the CABINET provides a written notice to proceed for that phase. Funding for this project will be programmed with FHWA as each phase is approved. Effective December 26, 2014, FHWA requires a project end date for each federal project phase programmed. As each phase of the project is programmed with FHWA a supplemental agreement will be sent to the project sponsor to add the funding and adjust the project end date. Any expenditure incurred by the project sponsor after the end date will not be eligible for reimbursement. If the project sponsor requires an extension, they must notify the Administering Office thirty (30) days before the project end date.

The scope of work for this project includes PE, environmental, and design engineering for approximately 410 feet of sidewalk along Oxford Circle to connect Cambridge Drive to Versailles Road, providing a pedestrian connection between Cardinal Valley and the Versailles Road commercial corridor and transit line.

The TAP funding for this project covers design costs only. Section 102(b) of Title 23, United States Code requires repayment of all Federal-aid reimbursements for PE costs on a project that has not advanced to ROW acquisition or construction within 10 years after Federal-aid funds were first made available. This rule will apply to this project. LFUCG will be responsible for reimbursing KYTC for these funds if the project has not moved to the ROW or construction phase within 10 years. LFUCG will be responsible for securing funds for future phases of the project.
