(2) Utilize the professional investment management facilities of a local bank trust department acting in a fiduciary capacity within the same approved investment policies and federal, state, local and trust laws and regulation. The trust department may utilize its regular short-term one hundred percent (100%) US Treasury Fund for daily funds investment.

The election of option 1 or 2 should be made consistent with the relative cost incurred and in the case of option 2 the cost shall be competitive among local trust departments.

C. Investment Policies - - Safety and Prudence.

Investments shall be diversified according to maturity in order to meet projected cash flow needs.

Collateral pledged to secure uninsured deposits shall be held at a federal reserve bank with the receipt providing absolute control by the agency.

(2) Retirement funds, endowment funds, long-term capital reserve funds and any other special funds

may be held and invested by a local bank trust department under investment objectives and diversification in accordance with the individual nature of the funds and pursuant to the "prudent man" investment rule as well as general trust law.

(3) All investments shall be reviewed monthly by a finance or investment committee of the agency.

(4) Local brokerage firms may hold and invest funds provided that investments are located within Kentucky and are full insured.

Addendum

Agency: Sunflower Kids

Program Name: Supervised Visitation and Safe Exchange

LFUCG Partner Agency Program Funding: \$16,010

Program Summary: When a parent cannot be alone with his or her child because of a history of abuse, neglect, substance abuse, or mental illness, or when there's a history of domestic violence and threat of harm to one parent by the other, SFK provides supervised visitation and safe exchange services. Our services allow children to build and maintain relationships with non-custodial parents while reducing risk of further abuse to the child and other parent. We believe children deserve access to people they love, but that access should be in a safe, supportive environment.

To accommodate working parents, SFK provides supervised visitation Monday-Wednesday 4:45pm - 7:45pm and Sundays 12:15 – 6:45; monitored exchanges are Friday and Sunday, but may be accommodated at other times according to family need. To maintain predictability and stability for victims and children, services are scheduled for the same day and time every week.

During supervised visits, a Monitor remains in the room with the parent and child(ren) to ensure the visit is physically and emotionally safe.

Long-Term Program Goals: In the long term, SFK hopes to expand services that focus on safety for families. In particular, SFK would like to begin providing parenting classes and other services identified through a community needs assessment. As a more immediate goal, SFK plans to increase outreach to families and community members with limited English proficiency.
