Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and to promote equal employment through a positive, continuing program from itself and each of its subcontracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;

(2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;

(3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and

(4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Resume available in addendum

Alan Stein
President and CEO of SteinGroup, LLC

Alan Stein has been intimately involved in relevant business endeavors that would enhance the ability to satisfy the research, valuation and community-specific needs of this project.

After 15 years of development, Alan was able to craft a plan and strategy to build a state-of-the-art professional baseball stadium in Lexington and bring minor league baseball to Central and Eastern Kentucky. Politics, finance, strategic planning, marketing acumen and a solid business plan were all necessary to bring this project together. The unique solution ultimately created the need to finance the entire project privately, including the building of the stadium. This had never been done previously in the United States, but was accomplished under Alan's leadership. This included placing a value on assets, and then seeking sponsors for those assets.

Additionally, as an owner of the Minor League Triple A Omaha Royals, Alan was able to rebrand his team and move it to a new, suburban location in an award-winning stadium. In this case, the project was financed by a public-private partnership designed by Mr. Stein and the Sarpy County, Nebraska local government entity. All of this occurred simultaneously to the Metropolitan Omaha government building a \$140M dollar stadium to continue as the permanent home of the NCAA College World Series. Again, the politics, public engagement and strategic planning in this process were paramount.

Alan was the founding member of BIRCO (Baseball Internet Rights Company), the organization that consolidated all 160 affiliated minor league teams' intellectual property rights, internet rights, ticket and merchandising sales into a single, shared asset which has resulted in millions of dollars in additional revenues for all the MiLB teams. Alan has served as the Commerce Lexington Board Chair, as well as a member of multiple boards in Lexington. His passion is to create and leave an impactful legacy in the Lexington community.

Additional team members may be involved in the project on an as needed basis

Our team loves working with organizations that make a difference in Central Kentucky and beyond.

SteinGroup, LLC

Alan Stein has extensive experience in naming rights valuation and sponsorship sales in Central Kentucky, resulting in millions of dollars of sponsorships sold. Successful sponsorship and naming right projects in Lexington include:

- Naming rights for Applebee's Park, resulting in a deal for \$2 million over 10 years;
- Naming rights for Whitaker Bank Ballpark, resulting in a 10-15 year deal with incentives to generate up to \$5.25 million;
- Hundreds of sponsorship, pouring rights deals for multiple organizations, including Fayette County Public Schools, resulting in deals in excess of \$25 million in value;
- Major asset sales for University of Kentucky Athletics.

Alan has sponsorship and naming rights valuation experience that goes beyond Lexington, as well. Werner Park, located in Omaha, Nebraska, is one such example, where he was instrumental in securing a 10 year, \$6.25 million deal.

For each of these projects, Alan was instrumental in the process from start to finish, including:

- Setting values,;
- Putting pitches together;
- Making presentations to potential sponsors;
- Closing the sponsorship deals;
- Overseeing fulfillment.

These experiences showcase a successful track record in naming rights valuation and sponsorship sales that would prove valuable to the city of Lexington.

Impressions Marketing and Events

The Impressions Marketing and Events team is skilled in crafting messages and creating materials to support the goal of clients. In order to sell naming rights, sponsorship packages must be presented in a way that the potential sponsor is able to easily navigate. Additionally, design of the sponsorship packet provides a level of professionalism necessary to high value sales.

The Impressions team supports Lexington brands including United Way of the Bluegrass, Lexington Habitat for Humanity, American Heart Association of the Bluegrass, and others. In each of these instances, our team works within the brand guidelines and standards of the organization. Additionally, team members have supported the city of Georgetown in communication projects, providing experience in the government space.

Laura, President of Impressions Marketing and Events, has extensive experience in project management. As an entrepreneur and leader of the Impressions team, she manages projects daily for clients to ensure their completion. Laura's primary role in this partnership was project management.

Distinguishing Factor

The examples provided above showcase the sponsorship and naming rights valuation and marketing experience of this combined team. It is important to note for the purpose of this project that both Impressions and SteinGroup are based in Central Kentucky, ensuring our team members have a great understanding of the local market conditions. Additionally, both firms have strong, expansive networks, providing an opportunity to connect with potential sponsors.

To complete the sponsorship and naming rights valuation and management services work for parks and recreation assets, the following fee is proposed:

Lump sum fee for complete asset inventory and valuation, as well as creation of materials needed to sell sponsorships: \$30,000.

Percentage of successful sponsorship amount fee: 15%.

Thank you for the opportunity to provide a proposal for the sponsorship and naming rights valuation and management services for Parks and Recreation assets. We look forward to the opportunity to speak with you further about this project.

IMPRESSIONS MARKETING AND EVENTS

Impressions Marketing and Events is an integrated agency, helping clients share their message since 2012. This year, Impressions was awarded the **Young Entrepreneur of the Year Award from Commerce Lexington**.

Impressions was born out of the gap Laura McDonald saw between effective results and quality service

"Somehow, working with an agency seemed to increase my workload instead of taking things off of my to do list. What appeared to be a perfect match during the proposal and contracting phases became tedious and more costly than expected. For all of the added costs and work, we weren't even pleased with the results." - Laura McDonald

Out of this experience, Impressions Marketing and Events became a reality.

At Impressions, we enjoy:

- Making your job easier.
- Providing exceptional service.
- Experiencing high quality results.
- Building relationships with our clients.

How can Impressions Marketing and Events help the **Sponsorship and Naming Rights Valuation and Management Services** campaign?

With an exceptional team of marketers who are experts in their respective fields, Impressions is uniquely positioned to meet and exceed the needs of **Sponsorship and Naming Rights Valuation and Management Services**. Coupled with our experience in the mechanics of marketing is our creativity in messaging, helping to ensure your message is presented in a new, exciting way.

Our team is skilled in and can support the following marketing areas:
