2. Ongoing Maintenance and Support. On the Amendment Effective Date, Tyler will issue a new invoice for maintenance and support fees for the year September 1, 2020 through August 30, 2021 in the amount of \$134,760.00 (“Legacy Maintenance Amount”). Subsequent annual maintenance and support fees will be billed as follows:

In the event Go-Live for CAD/Mobile is delayed beyond August 30, 2021, Client shall be invoiced for an additional year of maintenance and support at the Legacy Maintenance Amount for a term of September 1, 2021 through August 30, 2022. Upon Go-Live for CAD/Mobile, Tyler shall invoice Client for one year of maintenance and support at the Interim Maintenance Amount. Tyler will apply a credit to said invoice equal to any prepaid, but unused, maintenance and support services paid at the Legacy Maintenance Amount.
 - b. After CAD/Mobile Go-Live, annual maintenance and support fees shall continue at the Interim Maintenance Amount until Go-Live of the ENTRMS software. Upon Go-Live of the ENTRMS software, annual maintenance and support fees shall increase to \$238,443.67 (“Live Maintenance Amount”). Tyler will apply a credit to said invoice equal to any prepaid, but unused, maintenance and support services paid at the Interim Maintenance Amount.
 - c. Subsequent annual maintenance and support fees shall be at our then-current rates.

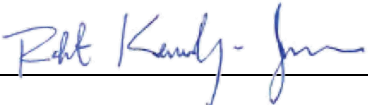

¹ Go-Live shall be deemed to have occurred when the respective software modules have been used by Client in a live production environment for a period of thirty (30) days without a Priority 1 or Priority 2 Defect, as defined under the Agreement.

3. This Amendment shall be governed by and construed in accordance with the terms and conditions of the Agreement.
