PREAMBLE

THIS COLLECTIVE BARGAINING AGREEMENT, entered into this ____ day of _____, 2016 by and between Lexington-Fayette Urban County Government, (hereinafter "LFUCG") and the Lexington Professional Firefighters, IAFF, Local 526 members with the rank of Major, (hereinafter "the Union", "the Local" "the bargaining unit") by which said parties hereby agree upon the terms and conditions as hereinafter set out, concerning wages, hours and working conditions of certain employees.

ARTICLE 1

RECOGNITION

Section 1. LFUCG recognizes IAFF Local 526 as the sole and exclusive bargaining agent for all employees of the LFUCG Division of Fire and Emergency Services within the rank of Major for the purpose of collective bargaining on all matters related to wages, benefits, or terms and other conditions of employment, with the exception of the Fire Chief, Assistant Chief, Battalion Chief or any other appointed rank above the rank of Major.

Section 2. In the event a new sworn classification is created within the Division, LFUCG shall meet with Local 526 to discuss the possible inclusion of the new classification within fourteen days after the new classification is created and adopted by ordinance. If the parties cannot reach agreement regarding inclusion or exclusion of the new classification, the parties will proceed in accordance with the Kentucky Labor Board.

Section 3. Local 526 recognizes the Mayor and/or the Mayor's designees as the sole representative of LFUCG for purposes of collective bargaining negotiations.

Section 4. Any Bargaining Unit Member who accepts an appointment and qualifies as Chief, Assistant Chief, Battalion Chief, or any other rank or grade above the rank of Major shall be deemed to have received a leave of absence from the bargaining unit for and during service in any of these respective positions. Should any Chief, Assistant Chief, Battalion Chief or any other rank or grade above the rank of Major cease to serve in that capacity, the Member shall be restored to the same classification and rank which the Member held prior to the appointment without loss of seniority in grade. Any person not covered by this Agreement when appointed to Chief, shall not be deemed to be part of the bargaining unit and shall not be placed in the bargaining unit when he ceases to serve in that position. All appointments to the position of Assistant Chief, Battalion Chief or any other rank or grade above the rank of Major shall come from the bargaining unit.

ARTICLE 2

MANAGEMENT RIGHTS OF LFUCG

Any and all rights, prerogatives, and authority of LFUCG in the administration, operation, management, and direction of the Division of Fire and Emergency Services, existing prior to the effect of this Agreement shall be and remain vested in LFUCG, except as and to the extent specifically modified by this Agreement. Such rights, prerogatives, and authority shall include any not preempted by state or federal law. In addition to such rights, prerogatives, and authority as are specified elsewhere in this Agreement, they shall include, but shall not be limited to the following:

- a. Setting or modifying the organizational structure of the Division, including the existence, continuance, abolishment, restructuring, or combining, of all bureaus, departments, units, branches, and subparts thereof;
- b. Direction of the work of Division employees;
- c. Establishing and maintaining the efficiency of Division operations;
- d. Carrying out such actions as are necessary to carry out the mission of the Division;
- e. Determination of the methods, means, and personnel by which operations are carried out;
- f. Assignment of personnel, consistent with provisions of this Agreement;
- g. Establishment of standards of performance and service, and taking disciplinary action for just cause, subject to applicable state law and this Agreement;
- h. Conferring and relieving sworn employees of their sworn powers, or relieving employees of duty, pending disciplinary or other action.

The powers, rights and or authority herein of the Employer are not to be exercised in a manner that will undermine the Union, or as an attempt to evade or to violate the provisions of this agreement.

ARTICLE 3

WORK RULES

Section 1. Local 526 recognizes that the Employer has the right to promulgate reasonable work rules. Work rules shall not be applied in violation of the terms of this Agreement.

Section 2. Prior to implementing any new work rules, policies, procedures, or standard operating procedures the Employer will notify The Local at least ten (10) calendar days in advance of the effective date. If the Local requests to meet over such a change within that notice period, the Employer and the Local will meet to discuss the proposed changes. Neither Local 526's agreement nor impasse is required before implementing a new work rule, provided it is promulgated consistent herewith.

Section 3. Newly written work rules, regulations, policies, procedures, job descriptions, or standard operating procedures applicable to bargaining unit employees will be posted or otherwise communicated to the affected employees in advance; which will include email communications; provided the parties recognize that certain situations, for example an emergency or state or federal directive, may require that the Employer implement a change immediately.

ARTICLE 4

NON-DISCRIMINATION

Neither LFUCG nor Local 526 shall discriminate against any member of the collective bargaining unit because he or she is or is not a member of the Local, nor because of lawful Union activity or refraining there from; nor shall either party discriminate against any member of the bargaining unit on the basis of race, color, sex, creed, religion, marital status, age, national origin, disability, political affiliation, or sexual orientation.

ARTICLE 5

NO STRIKES, WORK STOPPAGES, AND SLOWDOWNS

Local 526 recognizes that it is unlawful to engage in strikes and work stoppages. The Local further agrees that it shall not engage in, condone, or encourage work slowdowns and mass absenteeism. Local 526 agrees that any of the foregoing actions by or on the part of bargaining unit members may constitute cause for disciplinary action, up to and including termination and that Local 526 shall not encourage such activities and shall take prompt and reasonable steps to discourage same. The LFUCG agrees that there shall be no lock out of the employees.

ARTICLE 6

DUES CHECKOFF

Section 1. LFUCG agrees to deduct monthly, and without cost to Local 526, dues and any assessments in an amount certified to be current by the Treasurer of Local 526 from the pay of those employees who are members of Local 526. LFUCG shall remit this amount to the Treasurer of the Local each month.

Section 2. All employees in the bargaining unit who are not or who do not become members in good standing of Local 526, shall begin to pay a fair share fee to Local 526 effective upon either (a) written notification to LFUCG of an existing employee's termination of Local membership or non-membership, or (b) the date of hire of a new employee who elects not to join the IAFF. Local 526 shall certify to LFUCG annually during the term of this Agreement the fair share fee for applicable non-member employees of the Division. The monthly fair share fee shall be certified to LFUCG's Division of Human Resources by Local 526.

Section 3. The fair share fee shall be deducted by LFUCG and remitted during the same period as Local 526 dues are remitted at no cost to the Local. The deduction of the fair share fee from the earnings of the employee shall be automatic and does not require a written authorization for payroll deduction.

Section 4. The parties agree that the determination and notice of the fair share amount and the processing of any challenges by bargaining unit members to that amount shall be consistent with the U.S. Constitution and all applicable law, as interpreted by the courts. That will include the escrowing of fair share moneys in the event of a challenge.

Section 5. Local 526 shall indemnify and hold LFUCG harmless against any expense or liability, including attorney fees that may arise out of or by reason of any action taken by LFUCG consistent with the foregoing, in connection with a fair share fee. In the event LFUCG should be held liable or responsible for repayment of moneys paid to the Local pursuant hereto, Local 526 shall reimburse said moneys to LFUCG. Should LFUCG receive notice of a claim pertaining to fair share fees, LFUCG shall provide the Local with notice of same.

ARTICLE 7

UNION BUSINESS/REPRESENTATION

Section 1. The Employer agrees that during working hours, on the Employer's premises, and without loss of pay, Union representatives as defined in Section 5 below shall be permitted to perform the following functions, provided the normal operations of the Division are not hindered or disrupted.

- A. Attend meetings with LFUCG Management, and consult with the Employer or his representatives, concerning the enforcement of any provision of this Agreement, provided that the number of Union representatives shall be reasonable and shall not exceed two (2) members unless LFUCG specifically agrees otherwise;
- B. Transmit communications, authorized by the local union or its officers to the employer or his representatives;
- C. The Local shall be permitted to send and receive Email and documents related to Union business over the LFUCG computer system, provided use of LFUCG Email facilities shall be reasonable and compliant with LFUCG policy.
- D. The Local shall be permitted to use fire station phones for Union business provided such usage must be compliant with LFUCG telephone policy and shall not incur costs to LFUCG.
- E. Local members shall be allowed to affix one (1) IAFF helmet sticker to their helmet, not to exceed two and one half (2 ½) inches in diameter and affixed in a manner not to interfere with safety and reasonable placement. Local 526 members may also wear a grey union t-shirt with Lexington Fire Department on the back with company designation on duty according to LFDES policy. On short sleeve polo shirts, members may choose to have embroidered in small letters Local 526 with the IAFF Logo at the end right above the elastic cuff.

Section 2. Bargaining unit members (hereinafter also referred to as “employees”, “members”, or “bargaining unit employees”) elected or appointed by the Union President to represent the Union at Union functions, shall be granted paid leave (Absent With Leave - AWL) to attend the following:

- A. Any regular and special Union meetings (limited to one (1) member at a time, and provided that the Local shall notify the Chief immediately upon the scheduling of a special meeting, and employees granted leave under this section shall not be absent for any period longer than required to attend the meeting);
- B. State or IAFF conventions, seminars, conferences not to exceed two (2) members per day at one time, not to exceed a cumulative total two hundred forty (240) hours per year of AWL leave. Up to fifty (50) hours unused time may be carried over to the next year, such that the available total shall never exceed two hundred ninety (290) hours. The Local shall provide thirty (30) days advance notice of such events to the Chief for his approval, which shall not be unreasonably withheld.

Section 3. In addition LFUCG shall also provide to the Union President, or any other single representative designated by the Union President, with notice to the Chief, paid leave (AWL) to attend each session of the State Legislature, as well as any scheduled meetings of the LFUCG Council. The Union may designate one (1) additional member to attend. However, paid leave for such additional member shall be charged to the 240 hour total in Section 2(b) above. Employees granted leave to attend a council session under this section shall not be absent for any period longer than required to attend the session.

Section 4. Union representatives shall be able to perform necessary activities related to processing a grievance without loss of pay up to a cumulative total of ten (10) hours per month, with no carryover from month to month.

Section 5. The Local shall provide the Fire Chief with an official written roster of its Union representatives and shall include name and Union position held. The number of Union representatives covered by this Article shall not exceed ten (10) in number.

Section 6. The purpose of paid leave and AWL leave is that the affected individual not lose pay by attending the sessions and proceedings set forth in this Article. Under no circumstances shall an affected individual earn more than his or her regularly scheduled pay while attending the above.

ARTICLE 8

DEFINITION OF DIVISION SENIORITY

Section 1. For issues of utilizing earned benefits and layoffs, seniority shall be determined by continuous service in the LFUCG Division of Fire and Emergency Services calculated from the initial employment date with the Division of Fire as a Firefighter. Seniority shall be continuous unless broken by resignation, termination,

retirement, or loss of recall-from-layoff rights as provided within Article 14 (Layoff). Employees with the same employment date shall be assigned to the seniority list in order of their ranking on the eligibility list. Time in grade shall be considered for issues other than utilizing earned benefits.

Section 2. The Employer shall prepare and maintain a seniority list indicating employee name, seniority date and current classification. Such lists shall be updated annually, posted in appropriate work locations and a copy given to the Local.

ARTICLE 9

PROBATIONARY PERIODS

All newly promoted Bargaining Unit Members shall serve a promotional probationary period of one hundred eighty (180) days, during which time LFUCG shall have the discretion to demote them to their prior rank. However, any such demotion shall be for a reason or reasons stated in writing, and shall be subject to review in the grievance and arbitration procedure for arbitrariness and capriciousness. A demotion during the promotional probationary period shall not be deemed disciplinary action, and therefore shall not be subject to the provisions of Section 6 of Article 13.

ARTICLE 10

ASSIGNMENTS, VACANCIES, AND TRANSFERS

Section 1. Assignments and transfers shall be based on a reason or reasons that will be communicated to the affected bargaining unit members and that shall not be arbitrary or based on personal feelings. Factors that may be considered shall include but are not limited to ability, performance, experience and certifications. Seniority shall be given due consideration but shall not be controlling except in the instance all other factors are equal.

Section 2. LFUCG reserves the right to make and change assignment(s) or transfer employees provided that such assignment or transfer shall comply with the criteria stated in Section 1 above.

ARTICLE 11

SHIFT EXCHANGE/TRADE TIME

Bargaining unit members shall have the right to exchange shifts when the change does not interfere with the normal operation of the Fire Department, provided that all such exchanges shall be consistent with Division of Fire policies and practices.

ARTICLE 12

CONTRACTING OUT

Section 1. LFUCG agrees not to contract out the traditional work of fire suppression or emergency medical/rescue services. The parties specifically agree that in the event of mutual aid and support between the Division and other fire or emergency services, including response by other such services to assist LFUCG, shall not be deemed to be contracting out of such work, and shall not be prohibited by this agreement.

Section 2. The parties agree that traditional work of fire suppression includes the duties of fire prevention, fire investigation, planning and review and public education.

Section 3. The parties further agree that in all other bureaus not specifically mentioned herein, the Employer reserves the right to subcontract any work assigned to said bureaus as long as such assignment does not result in the direct loss of those bargaining unit positions assigned to those bureaus.

ARTICLE 13

GRIEVANCE PROCEDURE

Section 1. Any grievances or disputes, which may arise between the parties concerning the meaning or interpretation, of this Agreement, which shall also include the application of any work rules established and enforced by LFUCG, or the issuance of discipline of a Bargaining Unit member shall be settled in the following manner.

Section 2. A "grievant" is defined as a Bargaining Unit member, group of Bargaining Unit members, or Local 526. In order for any grievance to be recognized as such, all written grievances should be signed by the grievant or those persons of the group allegedly harmed. Only Local 526 may file a grievance pursuant to the steps set forth in this article.

Section 3. A Bargaining Unit member must first discuss any matter with their immediate Supervisor, except for alleged harassment involving the Supervisor. In the event an agreement cannot be reached, then the steps in Section 4 below shall be followed with respect to any grievance.

Section 4. No grievance resolution shall be in conflict with the provisions of this Agreement.

Step 1: Local 526 shall submit a written grievance to the Shift Commander of the Bargaining Unit member's respective platoon. Any Bargaining Unit member assigned to a Bureau shall have the Local submit a written grievance form to the appropriate department head. Bargaining Unit members shall be entitled, if requested, to have Union representation at any step in this article. The Shift Commander/Bureau Chief shall then attempt to adjust the matter

and shall respond to the employee within ten (10) work days. Grievances must be submitted to Step 1 within forty-five (45) calendar days of knowledge of the incident giving rise to the grievance. Grievances regarding discipline shall start at Step 4 of the Grievance Procedure with the Mayor or the Human Resources Director holding a meeting within ten (10) work days of the filing of the grievance.

- Step 2:** If the grievance has not been resolved to both parties' satisfaction, it may be presented in writing by Local 526 to the Assistant Chief of Administration within ten (10) work days after the Shift Commander/Bureau Chief's response is due. The Assistant Chief of Administration shall respond to Local 526 Representative in writing within ten (10) work days of their receipt of the grievance.
- Step 3:** If the grievance has not been resolved, it may be presented in writing by Local 526 to the Fire Chief within ten (10) work days after the response of the Assistant Chief of Administration is due. The Fire Chief or designee shall respond in writing to Local 526 within ten (10) work days.
- Step 4:** If the grievance has not been resolved after Step 3, it shall be presented in writing by the Union Grievance Committee to the Mayor or the Human Resources Director within ten (10) work days after the response of the Fire Chief is due. The Mayor or the Human Resources Director shall conduct a meeting with Local 526 within ten (10) work days after a grievance is presented. A written response shall be sent to the Union Grievance Committee within ten (10) work days after the meeting.
- Step 5:** In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of LFUCG, then within ten (10) days after the rendering of the decision at Step 4, Local 526 may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached either party shall request a list of seven (7) impartial arbitrators from the Federal Mediation and Conciliation Service (FMCS). Upon receipt of the list of seven (7) arbitrators, the parties shall meet to select an arbitrator within ten (10) days from the date the list is received. The parties shall use the alternate strike method from the list of seven (7) arbitrators submitted to the parties by the FMCS. A coin toss shall determine the order in which the names are to be stricken and the party winning the coin toss shall be the first (1st) to strike a name and alternate in this manner until one (1) name remains on the list. The

remaining name shall be designated as the arbitrator to hear the dispute in question. All procedures relative to the hearing shall be in accordance with the rules and regulations of the Federal Mediation and Conciliation Service.

The arbitrator shall hold the arbitration hearing and issue a decision thereafter.

The cost involved to obtain the list of arbitrators, and the rent, if any, of the hearing room shall be borne equally by each party. The expense of any non-employee witness shall be borne, if at all, by the party calling them. The fee of the court reporter shall be paid by the party making the request, provided, that this fee shall be split equally if both parties desire a reporter or request a copy of a transcript. The fees and expenses of the arbitrator will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred

The arbitrator's decision will be in writing. The parties agree the issue(s) to be arbitrated shall be no broader in scope than the issue(s) presented during the grievance procedure, except the parties would not be precluded from introducing background material. The arbitrator shall not change, modify, or add to the provisions of this Agreement as the right to do so is the prerogative of the contracting parties only. Furthermore, the arbitrator shall not change, modify, alter, delete, or add to the provisions of any law, rule, or regulation affecting conditions of employment. The decision of the arbitrator shall be advisory.

Section 5. Any grievance not advanced to the next step by the grievant, within the time limits in that step, shall be deemed resolved by LFUCG's last response. If LFUCG does not respond within the prescribed time limits, the grievance shall advance to the next step of the grievance procedure. The time limits in this Article may be extended by mutual agreement between LFUCG and the grievant, which agreement shall be in writing.

Section 6. Except as otherwise agreed in this Agreement, in discipline cases (i.e., matters involving reprimand, dismissal, suspension, or reduction in pay or grade of an employee), the parties acknowledge that pursuant to KRS 95.450, no discipline can actually be imposed until action by the LFUCG Council. Therefore, the time limit for grieving of discipline shall begin by the Fire Chief serving the recommended charges on the subject Bargaining Unit member, and a grievance shall begin at the level of the Mayor as specified above. Should the matter not be resolved prior to the level of arbitration, it shall be arbitrated based on the recommended charges and recommended discipline of the Chief. After the decision of the arbitrator, the matter shall be presented to the LFUCG Council as required by KRS 95.450. The parties agree that only the

written decision of the arbitrator will be presented to the Council and that neither side shall present additional evidence unless requested by the Council. Any further hearing rights before the Council pursuant to KRS 95.450 are hereby waived.

Section 7. For purposes of this grievance procedure, "work days" shall include Monday through Friday but exclude Saturday, Sunday, and holidays.

ARTICLE 14

LAYOFF

Section 1.

- A. Whenever a reduction in Bargaining Unit members is required for cause, Bargaining Unit members shall be laid off in inverse order to length of service in the Division of Fire and Emergency Services, without regard to rank or classification.
- B. A laid off Bargaining Unit member shall be eligible for recall for a period of thirty-six (36) months after the effective date of the layoff. Notice of a recall shall be sent by certified or registered mail, with a copy sent to Local 526, to the last address registered with LFUCG by the Bargaining Unit member. The recalled Bargaining Unit member shall have fourteen (14) calendar days following the date of receipt of the recall notice to notify LFUCG of their intention to return to work and shall have fourteen (14) calendar days following mailing the recall notice in which to report for duty, unless a different date for returning to work is otherwise specified in the notice.
- C. A laid off Bargaining Unit member shall have the option to receive payment for all earned but unused leave, which shall include but not limited to vacation and holiday time for which they have not otherwise been compensated. Bargaining Unit members with any accumulated compensatory time shall be allowed to exhaust that time off with pay or the LFUCG may choose to pay-out all accrued compensatory time prior to the effective date of the lay off.
- D. Health and life insurance coverage, per this Agreement, will be continued until the end of the next full month after the effective date following the month of the layoff. The Bargaining Unit member may, thereafter, elect to continue participation in such health plan in accordance with the LFUCG's COBRA policy.
- E. LFUCG agrees to notify Local 526 and affected Bargaining Unit members at least thirty (30) calendar days in advance of the effective date of a layoff. Upon request from Local 526, during the thirty (30) day notification period, LFUCG agrees to meet with representatives of Local 526 to discuss alternatives to the layoffs and the impact of the layoffs on the Bargaining Unit members.

Section 2. Bargaining Unit members shall retain their previously accrued Divisional/LFUCG seniority dates with the LFUCG while on layoff.

ARTICLE 15

REINSTATEMENT

Section 1. A Bargaining Unit Member who has completed his initial probationary period, and who is separated from employment for reasons other than disciplinary action, may apply for reinstatement for a period of one year from the date of his separation. The decision whether to grant a request for reinstatement is in the discretion of LFUCG.

Section 2. As a condition of reinstatement, the Bargaining Unit Member shall repay any monies removed from the Lexington Police and Fire Pension Fund received upon separation from the Division. If monies are not paid back to the pension fund, the Member shall start at Step 1 of the payscale.

ARTICLE 16

HEALTH AND SAFETY

Section 1. The LFUCG and Local 526 share mutual concern and responsibility for the health and safety of the employee. The LFUCG shall provide a safe and healthy working environment in accordance with applicable State, Federal laws and regulations.

Section 2. Any Bargaining Unit Member who believes a safety hazard exists, such as unsafe equipment, conditions, or practices should report the situation immediately to the chain of command. LFUCG will then investigate and take necessary corrective steps. Should the employee believe that the safety hazard still exists seventy-two (72) hours after such notification, he shall have the right to notify the Chief directly in writing of his safety concern.

Section 3. The Division's Safety Committee shall be structured so that it is composed of three (3) bargaining-unit members one of whom shall be a Union representative, and three (3) members of the Fire Administration. This Committee shall meet monthly or at mutually agreed upon times to discuss matters of concern and make recommendations. Any member of the Committee may submit items to be included on the agenda for the meeting.

The function of the Safety and Health Committee is to:

- Recommend changes or additions to protective equipment, protective apparel, or devices;
- Recommend changes or additions to the physical and environmental conditions at Division of Fire facilities;
- Review injuries;
- Discuss safety policies and recommend their adoption by management;
- Work to have approved recommendations put into practice;
- Learn about different safety matters and incorporate them in training;
- Maintain safety awareness and interest throughout the Division; and
- Help make safety an integral part of job procedures and Division operations.

Section 4. LFUCG shall provide appropriate immunizations, at no cost, to bargaining unit members to prevent contracting a disease on the job. All participation is voluntary, unless LFUCG determines based on sound medical reasons that an immunization is needed for protection of the public, or unless otherwise required by law. Any employee declining an immunization shall sign an appropriate waiver. Immunizations shall include, but not be limited to, tetanus-diphtheria, hepatitis-B, and influenza, based on availability. The parties further agree that based on experience, advances in technology and other changing circumstances, these policies will need to be reviewed on a periodical basis.

Section 5. The LFUCG agrees that all fire department suppression equipment shall be in compliance with all applicable state and federal regulations, and that

equipment purchased by LFUCG shall be consistent with NFPA standards at the time of purchase. This section does not address post purchase safety issues.

Section 6. Each district officer shall have discretion to remove apparatus from service if in his opinion the condition of the apparatus requires removal pending inspection by the mechanical division commander. The final decision as to the serviceability of a piece of equipment lies with the Chief or his designee.

Section 7. LFUCG shall make reasonable effort to maintain all reserve fire apparatus, including EMS reserve vehicles, equipped the same as the front line apparatus.

Section 8. Bargaining Unit Members will be required to submit to a physical examination once every two (2) years consisting of job related tests/examinations or as necessary to determine physical and/or psychological fitness for duty. A Bargaining Unit Member may elect to have the required biennial physical examination performed by his/her primary care physician, provided that the physician is able to perform all tests and provide that the examination and the results are received within three (3) months of the announced physical exam schedule. LFUCG shall reimburse a member for the cost of the physical examination by his primary care physician up to the maximum of one hundred dollars (\$100.00). A Bargaining Unit Member who elects to have his biennial physical examination conducted by his/her personal physician shall also be required to undergo any physical examination or test to comply with state or federal law. Such examination or test will be performed by a physician selected and paid for by the LFUCG.

Section 9. The LFUCG shall provide a cancer screening and 12 lead EKG testing/evaluation for all Bargaining Unit Members upon request at their biennial physical examination referenced in Section 8. A Bargaining Unit Member with a positive test result from any cancer screening conducted shall be able to work unrestricted unless restricted by the treating physician.

Section 10. In the event a medical condition covered in this Article is proved to be non-occupational, the expenses shall then be turned over to the Bargaining Unit member's personal health insurance for payment of claims.

ARTICLE 17

MEDICAL EXAMINATIONS/FITNESS FOR DUTY

Section 1. LFUCG may require a Bargaining Unit member to take an examination, conducted by a licensed medical practitioner of LFUCG's choosing to determine the Bargaining Unit member's physical or mental capability to perform the essential functions of their position. In addition, LFUCG may require a Bargaining Unit member to provide medical certification that the Bargaining Unit member is medically able to return to work before a Bargaining Unit member returns to work after a Family Medical Leave or sick leave absence.

If the Bargaining Unit member disagrees with the results of an examination ordered by LFUCG, they may be examined by a licensed medical practitioner of their choice, at their expense. If the two reports conflict, the parties shall choose a mutually agreed upon neutral licensed medical practitioner whose decision shall be final.

Medical examinations under this Section shall not apply to medical examinations conducted in connection with Workers Compensation claims.

Section 2. If a Bargaining Unit member after examination is found to be unable to perform the essential functions of their position, the Bargaining Unit member may utilize accumulated sick leave or other leave benefits. Any Bargaining Unit member who is unable to perform the essential functions of their position, and who has utilized all of their accumulated leave benefits, may be placed on administrative leave without pay. Any Bargaining Unit member placed on such administrative leave shall with an appropriate medical release, have the right to return to duty within twelve months from the date they first were unable to perform their duties. FMLA leave will run concurrently with the paid and unpaid leaves set forth herein.

Section 3. Any cost for examination required by LFUCG shall be paid by LFUCG. Any cost for examination by a neutral licensed practitioner shall be paid by LFUCG.

Section 4. A Bargaining Unit member who is required to take a medical examination by LFUCG and not allowed to work, shall be placed on appropriate leave consistent with the provisions of this Agreement. Should it be shown per Section 1 above that the Bargaining Unit member was actually fit for duty, any accrued paid leave used by the Bargaining Unit member shall be restored and if the Bargaining Unit member has no or insufficient paid leave available, they shall be paid for their lost wages. Under the foregoing circumstances, they shall be placed on modified duty pursuant to Article 36 (Modified Duty).

Section 5. Local 526 and the LFUCG agree to refer the subject of physical fitness assessments and physical examinations to the Labor Management Committee for purposes of: (1) developing a recommended policy of minimum standards of physical fitness; (2) developing recommended rehabilitation guidelines in the event those standards are not maintained; and (3) developing recommendations for sanctions in the event of a Bargaining Unit member's failure to meet those standards or successfully rehabilitate. IV. EMPLOYEE ASSISTANCE PROGRAM (EAP):

The LFUCG has established and maintains an EAP, which informs members of the dangers of alcohol and drug abuse and offers assistance to members seeking help for alcohol or drug abuse, and the personal and emotional problems associated with abuse.

A. Members Who Seek Assistance from LFUCG - PRIOR TO NOTIFICATION OF TESTING:

At any time prior to testing, an employee may acknowledge his drug or alcohol abuse and secure a leave of absence to undergo rehabilitation in a certified program.

An admission of substance abuse, including alcohol, will not subject the employee to disciplinary action providing the aforementioned process is followed and the employee successfully completes the rehabilitation program.

After acknowledgment of substance abuse involving the work place, refusal to commit to and successfully complete an authorized rehabilitation program will be grounds for discipline.

Should the employee commit to rehabilitation, a determination will be made by the EAP, the Director of Human Resources and the Chief as to whether the employee can remain on the job in a current or available substitute duty capacity during rehabilitation, performing duties that pose no risk to fellow employees, property, or the general public or whether the employee must take a leave of absence or sick time during rehabilitation.

Once the employee is authorized to return to work, subsequent testing for continued substance use/abuse may be performed based upon a medical recommendation by the treatment provider.

B. Leave During Treatment: There will be two (2) types of treatment plans for LFUCG employees:

1. **In-patient followed by Outpatient Phase:** The in-patient phase will be charged as sick leave or other leave, if such is available. If sick or other leave has been exhausted, their status will be changed to leave of absence without pay.
2. **Out-Patient Phase Only:** Normally, the employee will return to work at his normal or alternate duties. However, if the EAP

Representative recommends other duties during this phase, then provisions will be made.

- C. **Medical Insurance:** The cost of rehabilitation will be provided by the LFUCG to those employees who are covered by the government's medical insurance, but only to the extent of applicable coverage which exist at the time of any claim. Employees are responsible for all costs not covered by the employee's medical insurance.

A. LEGAL DRUGS:

Prior to ingesting any legal drug, it shall be the sole responsibility of the employee to inquire from the attending physician, pharmacist, or health care provider, if the legal drug may limit or impair their ability to perform the duties of his/her position in any way.

Employees, who have knowledge or have been informed, that the use of any legal drug may present a safety risk, shall immediately report such drug use to their immediate supervisor to determine job related consequences.

Should any legal drug adversely alter the senses of or prevent the employee from performing the job duties in a safe and productive manner, it shall be the responsibility of the employee to notify his/her immediate supervisor, advising them of the limitations the legal drug poses. Supervisors who are aware of such a situation are to instruct the employee to report performance problems to the District Major.

The Chief, or his designee, and the Director of Human Resources, or his designee, shall then determine if the employee can safely and effectively perform the assigned job duties while taking the legal drug. If it is determined that the employee cannot perform the job duties safely and effectively, the employee may be required to take a leave of absence, sick time or assigned other modified duties to be determined by the Chief and the Director of Human Resources or designee. Any dispute relative to the employee's ability to perform his work assignment shall be resolved pursuant to the Medical Examination/Fitness for Duty Article 18.

An employee who has an unexpected adverse reaction to any legal drug shall, without delay, safely cease operating vehicles where continued operation while impaired may be inherently dangerous, and shall immediately notify his immediate supervisor.

No supervisor or Chief may assign, direct, or order an impaired employee to continue operating a vehicle or equipment, or performing a safety sensitive function.

For the purposes of detecting alcohol and illegal drug use/abuse, drug or breath alcohol test (BAT) will be requested. All tests shall be done in accordance with current applicable statutory or case laws to protect each employee's constitutional rights. Refusal to submit to a drug or BAT, under these stipulations, shall be immediate grounds for dismissal.

VIII. TESTING SAFEGUARDS, TERMINOLOGY AND GUIDELINES:

Alcohol and Drug Screening shall be conducted under the following circumstances:

A. DRUG TESTS AND CUT OFF LEVELS

<u>Drug</u>	<u>Screening Limit</u>	<u>Confirmation Limit</u>
Amphetamines	1000 NG/ML	500 NG/ML
Barbiturates	200 NG/ML	200 NG/ML
Benzodiazepines	200 NG/ML	200 NG/ML
Cannabinoids	100 NG/ML	15 NG/ML
Cocaine	300 NG/ML	150 NG/ML
Methadone	300 NG/ML	300 NG/ML
Opiates	300 NG/ML	300 NG/ML

B. TESTING SAFEGUARDS

All testing will conform to Substance Abuse and Mental Health Service Administration (SAMSHA) drug testing protocol. If SAMSHA

determines that the drug testing protocol will change, the Division of Human Resources will advise the Local of such changes.

The procedures utilized by the Employer and testing laboratory shall follow Department of Transportation standards and shall include an evidentiary chain of custody control. The lab will split the sample upon receipt to insure the availability of sufficient quantity to comply within this article. All breath analysis testing shall be in accordance with Department of Transportation Standards. Alcohol testing shall be done to detect drivers operating a motor vehicle under the influence. A positive result of .02 or above shall require for a confirming blood test. The blood test shall immediately be drawn to confirm a positive test. A confirming positive test of 0.02 or above shall result in dismissal. The MRO review is not required to confirm the results of an alcohol test.

All positive results will automatically be confirmed utilizing the appropriate determination by a certified laboratory. If an alcohol test is confirmed as positive, the employee may, upon written request and at the employee's expense, have the split sample tested at a certified laboratory. The request shall be presented within 72 hours following notification of a positive result. The employee will notify the testing facility that they wish to contest the test results and will be provided a list of certified labs to choose from for conducting the contesting test. The employee is responsible for the cost of this test. MRO review is not required to confirm the results of the test.

Because of the key role that the Medical Review Officer (MRO) plays in maintaining a fair and accurate drug-testing program, the Employer shall select an MRO who meets all DOT regulations, training and education requirements.

Upon reviewing a positive drug test result, the MRO shall attempt to contact the employee to advise of the positive test result. If after 72 hours the MRO has not been able to contact the employee, then the MRO shall notify the Division of Human Resources designee of the positive test results in order to assist with contacting the employee.

After the MRO determines the test is positive, the testing results shall be delivered to the Employer and the employee tested. An employee who tests positive in accordance with the above procedures shall have the right to request a certified copy of the testing results. The results of a positive test shall be delivered to the Division of Human Resources. An Employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods.

If a drug test is confirmed as positive, the employee may, upon written request and at the employee's expense, have the split sample tested at a certified laboratory. This request shall be presented within seventy-two (72) hours following notification of a positive result. The employee will notify the testing facility that they wish to contest the test results and will be provided a list of SAMSHA certified labs to choose from for conducting the contesting test. The employee is responsible for the cost of this test.

In the event the split sample test confirms the results of the first test, the Employer may proceed with the sanctions set forth in this Article.

In the event that the split sample test contradicts the result of the first test, the split sample result is determined to be the final result. If the results of the split sample test are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed. If the results are negative, the employee shall be reimbursed for the retest expense.

C. REASONABLE SUSPICION TESTING (RST)

Employees will be tested for drugs or alcohol when reasonable suspicion exists to determine if the employee is under the influence of drugs or alcohol. The basis for the decision shall be documented, in writing, by supervisory personnel or by medical personnel. A determination will be based upon observation and documentation of:

1. Detection of an alcoholic substance emitting from the employee's breath.
2. Observation(s) of the employee's speech being unusually slurred, or noticeably different without a proper medical reason being given.
3. Observation(s) of the employee's actions or conduct as being noticeably different or impaired and not consistent with normal conduct and without proper explanation.
4. Observation(s) that the employee's appearance, in conjunction with the above, indicates that the employee is impaired.
5. A pattern of abnormal conduct or erratic behavior, including abnormal leave patterns.
6. Observable phenomenon, such as direct observation of drug or alcohol use or possession and/or physical symptoms of being under the influence of a drug and/or alcohol.

At the request of the Chief or the Director of Human Resources or designee, the observed employee may be required to submit to an independent blood/breath/urine test to determine if the employee is impaired. The requested testing is to be done within two (2) hours but no later than eight (8) hours after observation.

D. POST CRITICAL INCIDENT TESTING (PCIT)

1. Any employee who is involved in any of the following, shall immediately notify their supervisor to confirm if the employee will be tested.
 - (a) in an accident while operating a Division engine, ladder truck, or emergency care unit, which results in damages of \$7,500 or more, or while operating any other Division vehicle with property damages of \$5,000 or more, or
 - (b) in a work related incident resulting in any fatality, or
 - (c) in a work related incident or accident involving any injury requiring emergency treatment, or
 - (d) in a work related incident involving property damage of \$5,000 or more.
2. Such testing shall be conducted within two (2) to eight (8) hours of the incident.
3. Nothing in this section contravenes the right of LFUCG to require testing after a critical incident, injury or accident, based on reasonable suspicion as provided in Section C above, regardless of the nature of the incident or injury, or the amount of damage.

E. RANDOM TESTING (RAN)

Random Testing means that drug tests are unannounced and that through a random selection process all employees have an equal chance of being selected.

An employee selected for random testing through the use of the random selection procedures specified within this article shall be subjected to testing of his blood, breath or urine, for the presence of alcohol and/or drugs within their system.

Confirmed positive drug test results and the corresponding documentation will be forwarded by the medical facility to the MRO for review.

IX. CONFIDENTIALITY:

For the purpose of implementing the provisions of this Article, each Employee who undergoes drug testing shall execute a medical release in order for the Employer to obtain the results of the drug screening testing. Except as otherwise provided by state or federal law with regard to communicable diseases, or without further authorization of the Employee, the releases referred to in this Article shall authorize only the release of examination results to the drug screening test results. No other medical finding may be released without the express written permission of the Employee.

X. RANDOM SELECTION PROCEDURES

The Division of Human Resources, utilizing a computer-generated program for random selection, shall generate lists of random names from the select pools. Division of Fire employees shall be tested weekly, at the rate of no more than one point five (1.5%) percent of the pool.

An employee must take photo identification to the nearest as designated below testing facility within two (2) hours of being notified of their random selection.

Employees who are on vacation, off-duty, or on sick or disability leave, shall not be called in from that status. The Chief or his designee shall immediately notify the Division of Human Resources of any employee who is unavailable for testing.

The President of the Local may request, and be provided an opportunity, to review the random selection history at any time.

XI. TESTING FACILITIES

The Division of Human Resources will provide a list of testing facilities to the Union and will also notify it of any changes in testing locations or procedures as soon as reasonably possible.

Should Local 526 decide not to invoke the grievance procedure, the Bargaining Unit member may elect the remedies provided for in KRS 95.450.

Under either the invocation by Local 526 of the grievance procedure, or the election by the Bargaining Unit member of the process under KRS 95.450, no disciplinary action in the form of suspension of over two weeks or dismissal shall be effective, and no Bargaining Unit member shall be deprived of their regular pay and benefits, until final action by the LFUCG Council pursuant to KRS 95.450.
