Storm Tie-in Proposal

Dear Rick:

As requested, please see below for the proposal to tie-in the upstream neighbor's storm system to the new box culvert system. The broken-out costs for this work are as follows:

Material	\$1,314.00
Supervision & Labor	1,615.00
Equipment & Fuel	796.00
Overhead and Profit	500.00
Total	\$4,225.00

This pricing includes the necessary supervision, labor, material, equipment, additional sodding, taxes, and all other items related to this work. The material costs include pipe, fittings, sod, and stone used for backfill of the pipe and driveway trench. The equipment costs include the excavator and compact track loader for a day, as well as the fuel.

Please let me know if you have any questions. Thank you very much.

Sincerely,

James Bryant

Driveway Repair Proposal

Dear Rick:

As requested, please see below for the proposal to repair the existing driveway area at 210 Wilson Downing Road that was damaged by KAWC's contractor after we completed our work. This work includes re-grading the area, installing risers on the two manhole lids, removing any loose asphalt, and any additional stone that is needed. The broken-out costs for this work are as follows:

Paving Subcontractor	\$1,200.00
(2) Manhole Riser Rings	527.29
Overhead and Profit	<u>259.00</u>
Total	\$1,986.29

This pricing includes the necessary supervision, labor, material, equipment, taxes, and other items related to this work.

Please let me know if you have any questions. Thank you very much.

Sincerely,

James Bryant

Exterior Drop Manhole Credit

Dear Rick:

As requested, please see below for the credit to delete the replacement of the manhole with the exterior drop. The broken-out costs for this work are as follows:

Material credit from Oldcastle	(\$1,595.00)
Labor credit for leaving the existing manhole in place	(1,320.00)
Bypass Pumping Credit	(2,000.00)
Overhead and Profit	(485.00)
Total	(\$5,400.00)

This pricing includes the necessary supervision, labor, material, equipment, taxes, and all other items related to this work. This work was included in bid item numbers 14 and 15, totaling \$5,400.00.

Please let me know if you have any questions. Thank you very much.

Sincerely,

James Bryant
