Organization shall use compensation paid to it under this Agreement to fulfill its obligations under this Agreement only, and for no other purposes. Organization shall keep itself fully informed of all national and state laws and all municipal ordinances and regulations in any manner affecting the work or performance of this Agreement, and shall at all times observe and comply with such laws, ordinances and regulation, whether or not such laws, ordinances or regulations are mentioned herein and shall indemnify Government, its officers, agents and employees against any claim or liability arising from and based on Organization's violation of any such laws, ordinances or regulations. 5. Organization represents that it has filed any federal, state or local income tax returns required by law in the legally prescribed time and manner. This Agreement shall not become effective unless and until copies of all of the executed originals of the aforementioned tax returns filed for the Organization's most recent or current tax year are registered by the Organization in the Department of General Services, and the Organization shall not be compensated unless and until such registration has taken place.

6. The Organization shall, at the end of each quarter and by no later than the 10th working day of the succeeding quarter, on the form attached as Exhibit A, submit to

the Department of General Services a report containing, for each of the services enumerated herein that were provided in the preceding quarter: (a) a description of the service provided, including the costs of providing services and the quantity and quality of the service provided, and (b) the additional information requested on the form(s) provided by the Department of General Services.

8. Government may designate such persons as may be necessary to monitor and evaluate the services rendered hereunder by the Organization. The Government, its agents and employees, shall, at all times, have unrestricted access to all places where or in which the services required hereunder are being carried on and conducted. Inspection and monitoring of the work by these authorities shall in no manner be presumed to relieve in any degree the responsibility or obligations of Organization, or to constitute Organization an agent of the Government.

9. Organization shall provide equal opportunity in employment for all qualified persons, shall prohibit discrimination in employment because of race, color, creed,

national origin, sex, age, sexual orientation or gender identity, or handicap, shall promote equal employment through a positive, continuing program of equal employment, and shall cause each of its subcontracting agencies to do so. The policy shall be given to all employees and clients and shall be posted at all locations where Organization conducts business. The policy shall be submitted to the Department of General Services for review within thirty (30) days of the execution of this Agreement.

11. The Organization agrees that all revenue and expenditures shall be audited at least once every three years by independent certified public accountants who shall express an opinion as to whether or not revenue and expenditures during the year audited have conformed to state and local law and regulation.
