Memorandum of Agreement Terms and Conditions
Revised May 2016

This Memorandum of Agreement (MOA) is entered into, by and between the Commonwealth of Kentucky, Department of Military Affairs, Division of Emergency Management ("the Commonwealth") and Lexington-Fayette Urban County Government ("the Contractor") to establish an agreement for mitigation projects related to natural hazards. The initial MOA is effective from 11/15/2016 through 03/30/2017.

Scope of Services

The Pre-Disaster Mitigation (PDM) grant program was authorized by the Joint Explanatory Statement (JES) of 2008 to provide a source of pre-disaster funding to the state and local governments for mitigation planning and projects primarily related to natural hazards. The grant number for this project is PDMC-PJ-04-KY-2014-003. The funds will be used to purchase six (6) properties in a flood-impacted area along Clarksdale Court in Lexington, Fayette County, Kentucky. The structures will be demolished, including complete removal of the existing foundations.

Pricing

Total contract amount is \$145,630.43. Payments from the contract will be made through the reimbursement process, whereby the Second Party provides backup for the expenditures and is reimbursed after review by the First Party.

The Second Party fees and expenses relative to the performance of the scope of services outlined in this Contract and in the detailed attachment(s) to this contract shall not exceed the Total Order Amount as set forth on signature page of this Contract. The subject services and functions are to be performed during the term of this contract as set forth on page 1. It is understood that this contract is not effective and binding until approved by the Secretary of the Finance and Administration Cabinet and/or Legislative Research Commission's Government Contract Review Committee per KRS 45A.705.

Payment by the First Party to the Second Party shall be made only after receipt of appropriate, acceptable and timely invoice, as so described in this Contract, and as submitted in written or electronic format to the First Party by the Second Party. The preferred method of payment will be through electronic funds transfer.

(b) Where applicable:

(i) Invoicing for fee: The contractor's fee shall be original invoice(s) and shall be documented by the contractor. The invoice(s) must conform to the method prescribed in the specifications of this contract.

Cancellation clause

Either party may cancel the agreement at any time for cause or may cancel without cause on 30 days' written notice.

Funding Out Provision

The state agency may terminate this agreement if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the agreement. The state agency shall provide the Contractor thirty (30) calendar days written notice of termination of the agreement due to lack of available funding.

Reduction in Contract Worker Hours

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. The state agency certifies that it is in compliance with the provisions of KRS 45A.695, "Access to contractor's books, documents, papers, records, or other evidence directly pertinent to the contract." The Contractor, as defined in KRS 45A.030(8) and (10), agrees that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to this agreement for the purpose of financial audit or program review. The Contractor also recognizes that any books, documents, papers, records, or other evidence, received during a financial audit or program review shall be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884. Records and other prequalification information confidentially disclosed as part of the bid process shall not be

Effective Date

All Memorandum of Agreements are not effective until the Secretary of the Finance and Administration Cabinet or his authorized designee has approved the agreement and until the agreement has been submitted to the government contract review committee. However, in accordance with KRS 45A.700, memoranda of agreement in aggregate amounts of \$50,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head, if the agency has been granted delegation authority by the Secretary.
