RE: Ordinance Amendment

DATE: February 10, 2012

The Division of Fire & Emergency Services is requesting to amend Section 23-18 of the Code of Ordinances.

Section 1 (g) (1) - The reason for the requested change is that the psychological screening can not be completed until after a conditional job offer is approved by council due to questions asked during the psychological screening included HIPPA protected medical information.

Section 1 (f) (4) - This change will make the scores of all candidates more equal. Assuring the division is hiring the best candidates based on their written and oral interview scores.
