Celia:

We received an increase on our KY Homeland Security Grant from KY Homeland Security that we need bluesheeted. We will receive the revised MOU later on but since this grant ends June 30, 2021 we need to go ahead and get as much out of the way as we can with Council not meeting until January. Jennifer,

Per our discussions, please find attached letter from Chief Weathers officially requesting consideration for additional funds to supplement our remaining FFY2018 grant funds for the purchase of a sUAS for our agency in support of that project. I have attached the letter and three quotes for reference and will forward the original letter if you need. Thanks in advance for all of your

assistance.
