If you are aware of other areas of potential exposure that need to be evaluated or of additional information of which we should be aware prior to binding of coverage, please bring the other areas or additional information to our attention as soon as possible. Should any of your exposures change after coverage is bound, please notify us immediately.

Client Contracts

In the event that you enter into a contract that has specific insurance requirements, J. Smith Lanier & Co. will review your contract, but only in regards to the insurance requirements of the contract. The scope of our review will be to determine if the current insurance program which you have placed through our agency addresses the types and amounts of insurance coverage referenced by the contract. We will identify the significant insurance obligations and will provide a summary of the changes required in your current insurance program to meet the requirements of the contract. Upon your authorization, we will make the necessary changes in your insurance program. We will also be available to discuss any insurance requirements of the contract with your attorney, if desired.

Compensation Disclosure (Including New York Regulation 194 Disclosure)

J. Smith Lanier & Co. is an insurance producer domiciled in the State of Georgia and licensed to sell insurance in additional states (including New York). Our licensed insurance producers are authorized by law to confer with you regarding the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. Our role in any particular insurance transaction typically involves one or more of these activities. Except in cases where J. Smith Lanier & Co. has a specific fee agreement to receive compensation from a client, we customarily receive compensation from insurers for our professional services in the form of a commission, which normally consists of a percentage of the premium collected by the insurers.

J. Smith Lanier & Co. may also receive additional compensation, under agreements with one or more insurers and/or insurance intermediaries, in the form of commission overrides or based on some combination of volume, profitability or other factors. We will receive compensation in connection with the sale of insurance products based upon the type of insurance contract that we sell and our arrangement with the insurer. Depending on the insurer and insurance contract that you select, compensation may be paid to J. Smith Lanier & Co. by the insurer selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract and the insurer the purchaser selects. In some cases, other factors such as the volume of business a producer provides to an insurer or the profitability of insurance contracts a producer provides to an insurer also may affect compensation.

At your request, we will be pleased to provide you with information about compensation expected to be received by J. Smith Lanier & Co. based in whole or in part on the sale of insurance to you and (if applicable) compensation expected to be received by us based in whole or in part on any alternative quotes presented to you by J. Smith Lanier & Co.

GUIDE TO BEST'S FINANCIAL STRENGTH RATINGS

A Best's Financial Strength Rating is an independent opinion of an insurer's financial strength and ability to meet its ongoing insurance policy and contract obligations. The rating is based on a comprehensive quantitative and qualitative evaluation of a company's balance sheet strength, operating performance and business profile.

Financial Strength Ratings

	Rating	Descriptor	Definition
Secure	A++, A+	Superior	Assigned to companies that have, in our opinion, a superior ability to meet their ongoing insurance obligations.
	A, A-	Excellent	Assigned to companies that have, in our opinion, an excellent ability to meet their ongoing insurance obligations.
	B++, B+	Good	Assigned to companies that have, in our opinion, a good ability to meet their ongoing insurance obligations.
Vulnerable	B, B-	Fair	Assigned to companies that have, in our opinion, a fair ability to meet their ongoing insurance obligations. Financial strength is vulnerable to adverse changes in underwriting and economic conditions.
	C++, C+	Marginal	Assigned to companies that have, in our opinion, a marginal ability to meet their ongoing insurance obligations. Financial strength is vulnerable to adverse changes in underwriting and economic conditions.
	C, C-	Weak	Assigned to companies that have, in our opinion, a weak ability to meet their ongoing insurance obligations. Financial strength is very vulnerable to adverse changes in underwriting and economic conditions.
	D	Poor	Assigned to companies that have, in our opinion, a poor ability to meet their ongoing insurance obligations. Financial strength is extremely vulnerable to adverse changes in underwriting and economic conditions.
	E	Under Regulatory Supervision	Assigned to companies (and possibly their subsidiaries/affiliates) placed under a significant form of regulatory supervision, control or restraint - including cease and desist orders, conservatorship or rehabilitation, but not liquidation - that prevents conduct of normal, ongoing insurance operations.
	F	In Liquidation	Assigned to companies placed in liquidation by a court of law or under a voluntary agreement. Note: Companies voluntarily liquidated/dissolved generally are not insolvent.
	S	Suspended	Assigned to rated companies when sudden and significant events affect their balance sheet strength or operating performance and rating implications cannot be evaluated due to a lack of timely or adequate information.
