Subject: Bid #2-2023 Mowing for Environmental Services

Dear Kristie,

This submittal is provided in response to the solicitation referenced above. The required bid documents and supporting information are attached.

Brownfields is a nationally certified woman-owned business enterprise (WBE) offering a wide range of services on construction, maintenance and environmental projects. A copy of our NWBOC certificate is attached. Our firm has a 20-year history of delivering innovative, economical solutions to the challenges of industry, municipalities, and the federal government.

We will comply with all insurance requirements if awarded this contract. A copy of our current certificate of insurance is attached. Company information is provided below in **Table 1**.

Table 1. Company Information	
Business Name	Brownfields Development, LLC
Corporate Address	2527 Nelson Miller Parkway Suite 204 Louisville, KY 40223
Contact / Number	Theresa Bascom / 502-741-3805
Lexington Specialty Contractor	18288
Lexington Business Occupational License	15058968
Website	www.brownfieldsenv.com

Delivering client success demands more than a comprehensive array of skills and construction services. Providing real depth of service requires a broad range of expertise and resources which can be focused on any project in a very short timeframe. Our deliberate approach ensures the most qualified technical, management, and construction specialists for each project are individually selected for their unique skill sets to contribute to the success of a project or assignment.

We focus on solutions that meet our clients' requirements and business goals. We strive to understand our clients' full complement of needs including their financial parameters and constraints.

Past Performance & Experience

We have successfully completed large-scale mowing programs, clearing/degrubbing, tree trimming/removal, trash removal and various other maintenance services at multiple facilities throughout the region for federal agencies, state and local governments, industry and private clients. Brownfields has more than 20 years of construction, demolition, and facility/grounds maintenance experience throughout Kentucky and the adjoining states.

We've attached summaries of on-going projects or recently completed projects with similar scope and requirements (see attached form [F.2 References with Past Work Experience](#)). References for projects of similar scope, including contact information, are included with each project summary.

Project Methodology & Capacity

Proper planning of field activities and communication will occur to ensure that the required resources are available to implement the scope of work and accomplish the project's objectives. We have developed a Standard Operating Procedure (SOP) which describes the requirements and procedures that must be followed by the Project Manager (PM) and assigned field staff to properly prepare for field activities. The Project Manager is ultimately responsible for the proper planning, implementation and successful completion of the project.

Health and Safety

The expectation of our management and our clients is that we operate in a manner that protects our employees, property, and reputation as well as the assets of our clients. Whether they involve harm to people or the environment, damage to property, or loss of a process, accidents are costly and can have a significant impact to our employees, subcontractors, clients and public image, as well as project cost and schedule.

Brownfields maintains a continually improving integrated safety and risk management program so that we can safely deliver leading edge construction and business solutions to efficiently and effectively meet the needs of our clients. The result of our efforts is that we not only have safe and healthy employees, but our accident costs and loss history are substantially better than our industry at large. Our goal is not just to have safety with projects, or safety and projects, but to have **safe projects**.

To accomplish our goal, we have fully embraced the concept of Integrated Safety Management (ISM). For us, ISM is the integration of safety into all aspects of work planning and execution, and is an essential part of project accomplishment. ISM is an integral part of the definition, planning, engineering, analyses, budgeting, approval, and execution of work from beginning to end for all of our employees and subcontractors.

Brownfields has a comprehensive health and safety program which has been developed to meet or exceed federal and state OSHA requirements as well as other applicable

regulatory standards. Employees are required to read the written safety program as part of new hire orientation.

Project Specific Health and Safety

Employees and subcontractors address project safety throughout the duration of each work task or project. Pre-project meetings include safety planning and site-specific Health and Safety Plans. The purpose of each Safety Plan is to identify and reduce potential hazards associated with site operations. Each Safety Plan outlines potential hazards associated with performing field work and the measures for minimizing the risks associated with those hazards. Each Safety Plan is reviewed and approved by the Project Manager and the designated Site Safety Officer. Employees involved with the project are required to review, discuss areas of potential concern, and sign the Health and Safety Plan prior to commencement of work. Employees perform a safety start-up meeting at the project site on the first day of the project. Employees perform a safety tool box or safety minute meeting every morning prior to work commencement. Inspections are performed as required and/or as necessary. New employees and/or visitors are not allowed to participate in field-related activities until receiving a proper level of safety training.

The Team has an internal reporting procedure and utilizes phone contact to ensure the fastest notification of incidents, including close calls and notices of unsafe conditions. All employees have been trained on the importance of reporting all potential safety concerns. As a result, close call and unsafe condition reporting has increased for the company, significantly contributing to the reduction in both OSHA recordable cases and insurance dollars spent. Incident investigations pertaining to our work or employees are thorough, and corrective actions are implemented as soon as possible. Any unsafe conditions due to our actions or directly affecting our employees' working environment are documented and corrected immediately or work ceases until conditions can be corrected.

Employees and managers are encouraged and provided with materials to regularly discuss safety in staff meetings. All employees and contractors are strongly encouraged to practice safety with all project and office activities as well as personal and home activities. Safety is part of our culture and we recognize that our most valuable resource is our employees.

Traffic Control Measures

Temporary Traffic Control (TTC) measures will be employed when conducting maintenance and construction on paved and unpaved roadways. Typical maintenance activities include grading and removing debris from ditches, while typical construction activities include resurfacing and reconstruction.

Traffic control equipment (ex. work vehicle lights, cones, lighted barricades, lighted roadwork signs, detour signs, road closed signs, and directional) will be employed when working in the right-of-ways and on roadways. Work zones requiring TTC will be established with the following four distinctive requirements:

- Advance Warning Area - The advance warning area tells road users what to

expect. TTC may be a single sign, a series of signs, or high-intensity rotating, flashing, oscillating, or strobe lights on a work vehicle. In a short-duration operation on a low-volume, unpaved road with adequate sight distance in both directions, in which neither the work nor the traveling public creates dust clouds obscuring the work area, sufficient advance warning may be achieved with the high-intensity lights on a work vehicle. Conversely, a work operation that is not clearly visible to the traveling public and requires motorists to modify their path may require the full series of advance warning signs.

- Transition Area - Redirects road users out of the normal path. Light grading operations with sufficient sight distances in both directions, in which neither the work nor the traveling public creates dust clouds, may rely on high-intensity flashing lights to indicate a need for approaching motorists to leave the normal travel path. By contrast, in operations where sight distances are limited and where motorists must leave the normal travel path for significant distances, a full series of channelizing devices may be needed to delineate where motorists must leave the lane. Typically, these types of operations will also require flaggers or other means of alternating one-way lanes around the work area. This TTC may need to be installed a significant distance from the workers and equipment. Flaggers, when needed, will be properly trained and equipped with a stop-slow paddle.
- Activity Area - The activity area is where the work task takes place. As with paved roadways, unpaved roadways may require a number of spot maintenance activities including drainage repair and replacement, approach grading, and sign repair and replacement. For these activities, the TTC and the Traffic Control Plan (TCP) on paved and unpaved roads are interchangeable. An activity unique to unpaved roads is the process of reshaping the road surface. This is accomplished using a motor grader/ maintainer to cut the gravel surface and remove material from the surface, place the material into a berm or windrow, and then spread the material across the full width of the unpaved road.
- Termination Area - The termination area informs the traveling public of the end of the work zone, where motorists return to the normal driving path. As most unpaved roads are two-lane, two-way, and low-volume, the termination area will be established occasionally as needed for local conditions.

Key Personnel & Equipment

We understand the importance of keeping any project on schedule and as such, we have evaluated our staff's current availability. The most experienced staff is only effective if it is available. We know that successful project delivery is the key ingredient to maintaining our solid reputation and we don't sacrifice our ability to provide high quality services by taking on too much work. Quality is the priority and we carefully control our volume of work to maintain that priority and meet the schedule commitments of the projects we undertake. Our Team utilizes a detailed forecasting system to manage the staffing of our projects and we have utilized this system to evaluate the availability of key staff for this project. During execution of project work, weekly staff meetings are held in which work is scheduled in advance on a master schedule. This ensures that appropriate staff are

available to meet client needs and project schedules.

Our Team's past performance record demonstrates that we can successfully complete multiple task orders simultaneously. On a routine basis with our current and our previous contracts, it is not unusual for us to manage multiple simultaneous task orders with similar performance schedules. We achieved this high level of performance with dedicated project managers and project teams committed to each task order allowing us to handle all task orders efficiently and effectively.

The management approach presented in this section is structured to consistently provide quality service that will achieve three major objectives:

- Complete assigned work tasks in a workman-like manner.
- Meet all interim project milestones and the overall schedule.
- Finish the project tasks on or under budget.

The first step in successful project management is the right organization, and the central figure in any project organization is the Project Manager. For this project we are fortunate to offer one of our most experienced managers, Richard Bascom, to fill this role. Richard is very experienced in working with various city, state and Federal agencies. Richard will also be the designated Field Superintendent for tasks assigned under this contract.

Richard Bascom – Program Manager / Field Superintendent. Richard possesses over 30 years of experience managing and implementing large-scale mowing and maintenance projects. Areas of expertise include industrial facility maintenance, demolition of industrial facilities, pipeline installation, construction management, underground storage tank management, pesticide/herbicide applications, and large-scale excavation projects. In addition to the Field Superintendent, we anticipate using multiple laborers and equipment operators to complete the work tasks associated with this contract.

Brownfields typically employs up to ten seasonal or part time employees in Lexington during the mowing season. The seasonal or part time employees are trained in the proper and safe use of mowing equipment including zero turn mowers, tractors with bush hog attachments, string trimmers, chain saws, edgers, etc.

A resume for our proposed Field Superintendents is attached (see for [F.3 Qualifications and Staffing](#)). We have access to a full-service staff of construction and support personnel in Lexington. Additional resources will be provided from other locations as needed.

Equipment

A list of equipment designated for use on this contract is attached (see form [F.4 Equipment](#)). Additional new zero turn mowers are currently on order for the 2023 mowing season in Lexington. Brownfields also maintains active accounts with most of the major equipment rental companies throughout the state. These include Sunbelt, Art's Rental, United Rental, HERC and Wayne Supply. Equipment will be pulled from either our yard or the rental location nearest the work site. Brownfields has established multiple equipment storage locations in Lexington that are advantageous for storing equipment and materials frequently needed for mowing/trimming the ROWs. Temporary storage

areas help to reduce mobilization costs and promote more timely response times.

MBE Participation

As a woman-owned business enterprise, Brownfields supports initiatives of local and state government. We endeavor to incorporate MBE and WBE participation goals in our contracting opportunities. Brownfields has a long history of partnering with disadvantaged businesses by providing opportunities to expand their business boundaries where opportunities are available.

Affirmative Action Plan

Brownfields will administer its personnel policies and conduct its employment practices in a manner that treats each employee and applicant for employment on the basis of merit and experience, without regard to race, color, religion, sex, national origin, age, physical disabilities, or veteran status. Brownfields expressly prohibits any form of discrimination based on race, color, religion, sex, national origin, age, sexual orientation, disability, status as a Vietnam-era or special disabled veteran, or status in any group protected by state or local law. Brownfields also complies with applicable state and local laws governing non-discrimination in employment in every location in which the company performs work.

To ensure compliance, Brownfields includes this information in its employee handbook (each employee receives a copy), as well as in its new employee orientation program, its supervisory/management training, and in other related company communications.

Again, we thank you for the opportunity to respond to this solicitation. We would very much like to assist the LFUCG on this project and we believe that our technical expertise and proven track record qualifies us to complete this project within the requirements outlined by the RFP. Should you have any questions or need additional information, please feel free to call Richard Bascom at (502) 974-2240 or contact him by email at rbascom@brownfieldsenv.com.

Sincerely,
Brownfields

Richard B. Bascom, P.G.
Project Manager

The Affidavit in this bid must be completed before your firm can be considered for award of this contract.

AFFIDAVIT

Comes the Affiant, Richard Bascom, and after being first duly sworn under penalty of perjury as follows:

1. His/her name is Richard Bascom and he/she is the individual submitting the bid or is the authorized representative of Brownfields Development, LLC, the entity submitting the bid (hereinafter referred to as "Bidder")
2. Bidder will pay all taxes and fees, which are owed to the Lexington-Fayette Urban County Government at the time the bid is submitted, prior to award of the contract and will maintain a "current" status in regard to those taxes and fees during the life of the contract.
3. Bidder will obtain a Lexington-Fayette Urban County Government business license, if applicable, prior to award of the contract.
4. Bidder has authorized the Division of Central Purchasing to verify the above-mentioned information with the Division of Revenue and to disclose to the Urban County Council that taxes and/or fees are delinquent or that a business license has not been obtained.
5. Bidder has not knowingly violated any provision of the campaign finance laws of the Commonwealth of Kentucky within the past five (5) years and the award of a contract to the Bidder will not violate any provision of the campaign finance laws of the Commonwealth.
6. Bidder has not knowingly violated any provision of Chapter 25 of the Lexington-Fayette Urban County Government Code of Ordinances, known as "Ethics Act."
7. Bidder acknowledges that "knowingly" for purposes of this Affidavit means, with respect to conduct or to circumstances described by a statute or ordinance defining an offense, that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists.

Further, Affiant sayeth naught.

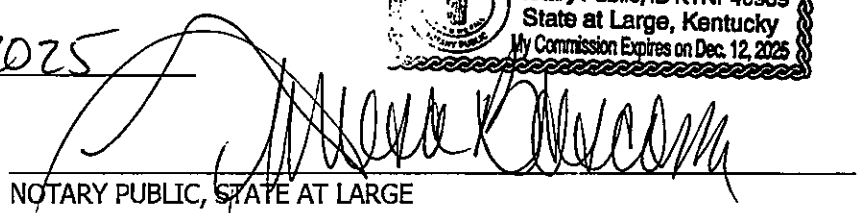

STATE OF Kentucky

COUNTY OF _____

The foregoing instrument was subscribed, sworn to and acknowledged before me by Richard Bascom on this the 12th day of January, 2023

My Commission expires: 12/12/2025

NOTARY PUBLIC, STATE AT LARGE

Please refer to Section II. Bid Conditions, Item "U" prior to completing this form.

I. GREEN PROCUREMENT

A. ENERGY

The Lexington-Fayette Urban County Government is committed to protecting our environment and being fiscally responsible to our citizens.

The Lexington-Fayette Urban County Government mandates the use of Energy Star compliant products if they are available in the marketplace (go to www.Energystar.gov). If these products are available, but not submitted in your pricing, your bid will be rejected as non-compliant.

ENERGY STAR is a government program that offers businesses and consumers energy-efficient solutions, making it easy to save money while protecting the environment for future generations.

Key Benefits

These products use 25 to 50% less energy
Reduced energy costs without compromising quality or performance
Reduced air pollution because fewer fossil fuels are burned
Significant return on investment
Extended product life and decreased maintenance

B. GREEN SEAL CERTIFIED PRODUCTS

The Lexington-Fayette Urban County Government is also committed to using other environmentally friendly products that do not negatively impact our environment. Green Seal is a non-profit organization devoted to environmental standard setting, product certification, and public education.

Go to www.Greenseal.org to find available certified products. These products will have a reduced impact on the environment and on human health. The products to be used must be pre-approved by the LFUCG prior to commencement of any work in any LFUCG facility. If a Green Seal product is not available, the LFUCG must provide a signed waiver to use an alternate product. Please provide information on the Green Seal products being used with your bid response.

C. GREEN COMMUNITY

The Lexington-Fayette Urban County Government (LFUCG) serves as a principal, along with the University of Kentucky and Fayette County Public Schools, in the Bluegrass Partnership for a Green Community. The Purchasing Team component of the Partnership collaborates on economy of scale purchasing that promotes and enhances environmental initiatives. Specifically, when applicable, each principal is interested in obtaining best value products and/or services which promote environment initiatives via solicitations and awards from the other principals.

If your company is the successful bidder on this Invitation For Bid, do you agree to extend the same product/service pricing to the other principals of the Bluegrass Partnership for a Green Community (i.e. University of Kentucky and Fayette County Schools) if requested?

Yes No

II. Bid Conditions

- A. No bid may be withdrawn for a period of sixty (60) days after the date and time set for opening.
- B. No bid may be altered after the date and time set for opening. In the case of obvious errors, the Division of Central Purchasing may permit the withdrawal of a bid. The decision as to whether a bid may be withdrawn shall be that of the Division of Central Purchasing.
- C. Acceptance of this proposal shall be enactment of an Ordinance by the Urban County Council.
- D. The bidder agrees that the Urban County Government reserves the right to reject any and all bids for either fiscal

or technical reasons, and to award each part of the bid separately, all parts to one vendor or all parts to multiple vendors.

- E. Minor exceptions may not eliminate the bidder. The decision as to whether any exception is minor shall be entirely that of the head of the requisitioning Department or Division and the Director of the Division of Central Purchasing. The Urban County Government may waive technicalities and informalities where such waiver would best serve the interests of the Urban County Government.
- F. Manufacturer's catalogue numbers, trade names, etc., where shown herein are for descriptive purposes and are to guide the bidder in interpreting the standard of quality, design, and performance desired, and shall not be construed to exclude proposals based on furnishing other types of materials and/or services. However, any substitution or departure proposed by the bidder must be clearly noted and described; otherwise, it will be assumed that the bidder intends to supply items specifically mentioned in this Invitation for Bids.
- G. The Urban County Government may require demonstrations of the materials proposed herein prior to acceptance of this proposal.
- H. Bids must be submitted on this form and must be signed by the bidder or his authorized representative. Unsigned bids will not be considered.
- I. Bids must be submitted prior to the date and time indicated for opening. Bids submitted after this time will not be considered.
- J. All bids mailed must be submitted in the Ion Wave online portal at <https://lexingtonky.ionwave.net/>
- K. Bidder is requested to show both unit prices and lot prices. In the event of error, the unit price shall prevail.
- L. A certified check or Bid Bond in the amount of XX percent of the bid price must be attached hereto. This check must be made payable to the Lexington-Fayette Urban County Government, and will be returned when the material and/or services specified herein have been delivered in accordance with specifications. In the event of failure to perform within the time period set forth in this bid, it is agreed the certified check may be cashed and the funds retained by the Lexington-Fayette Urban County Government as liquidated damages. Checks of unsuccessful bidders will be returned when the bid has been awarded.
- M. The delivery dates specified by bidder may be a factor in the determination of the successful bidder.
- N. Tabulations of bids received may be mailed to bidders. Bidders requesting tabulations must enclose a stamped, self-addressed envelope with the bid.
- O. The Lexington-Fayette Urban County Government is exempt from Kentucky Sales Tax and Federal Excise Tax on materials purchased from this bid invitation. Materials purchased by the bidder for construction projects are not tax exempt and are the sole responsibility of the bidder.
- P. All material furnished hereunder must be in full compliance with OSHA regulations.
- Q. If more than one bid is offered by one party, or by any person or persons representing a party, all such bids shall be rejected.
- R. Signature on the face of this bid by the Bidder or his authorized representative shall be construed as acceptance of and compliance with all terms and conditions contained herein.
- S. The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.
- T. The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly

or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age or national origin;*
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age or national origin;*
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provisions of the non-discrimination clauses required by this section; and*
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses.*

The Act further provides:

KRS 45.610. Hiring minorities - Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetable.*
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.*

KRS 45.620. Action against contractor - Hiring of minority contractor or subcontractor

- (1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.*
- (2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.*
- (3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.*

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job.

It is recommended that all of the provisions above quoted to be included as special conditions in each contract.

In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his work-force in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

- U. Any party, firm or individual submitting a proposal pursuant to this invitation must be in compliance with the requirements of the Lexington-Fayette Urban County Government regarding taxes and fees before they can be considered for award of this invitation and must maintain a "current" status with regard to those taxes and fees throughout the term of the contract. The contractor must be in compliance with Chapter 13 from the Code of Ordinances of the Lexington-Fayette Urban County Government. The contractor must be in compliance with Ordinance 35-2000 pursuant to contractor registration with the Division of Building Inspection. If applicable, said business must have a Fayette County business license.

Pursuant to KRS 45A.343 and KRS 45A.345, the contractor shall

- (1) *Reveal any final determination of a violation by the contractor within the previous five year period pursuant to KRS Chapters 136 (corporation and utility taxes), 139 (sales and use taxes), 141 (income taxes), 337 (wages and hours), 338 (occupational safety and health of employees), 341 (unemployment and compensation) and 342 (labor and human rights) that apply to the contractor; and*
- (2) *Be in continuous compliance with the above-mentioned KRS provisions that apply to the contractor for the duration of the contract.*

A contractor's failure to reveal the above or to comply with such provisions for the duration of the contract shall be grounds for cancellation of the contract and disqualification of the contractor from eligibility for future contracts for a period of two (2) years.

- V. Vendors who respond to this invitation have the right to file a notice of contention associated with the bid process or to file a notice of appeal of the recommendation made by the Director of Central Purchasing resulting from this invitation.

Notice of contention with the bid process must be filed within 3 business days of the bid/proposal opening by (1) sending a written notice, including sufficient documentation to support contention, to the Director of the Division of Central Purchasing or (2) submitting a written request for a meeting with the Director of Central Purchasing to explain his/her contention with the bid process. After consulting with the Commissioner of Finance the Chief Administrative Officer and reviewing the documentation and/or hearing the vendor, the Director of Central Purchasing shall promptly respond in writing findings as to the compliance with bid processes. If, based on this review, a bid process irregularity is deemed to have occurred the Director of Central Purchasing will consult with the Commissioner of Finance, the Chief Administrative Officer and the Department of Law as to the appropriate remedy.

Notice of appeal of a bid recommendation must be filed within 3 business days of the bid recommendation by (1) sending a written notice, including sufficient documentation to support appeal, to the Director, Division of Central Purchasing or (2) submitting a written request for a meeting with the Director of Central Purchasing to explain his appeal. After reviewing the documentation and/or hearing the vendor and consulting with the Commissioner of Finance and the Chief Administrative Officer, the Director of Central Purchasing shall in writing, affirm or withdraw the recommendation.

III. Procurement Contract Bid Conditions

- A. The terms of this agreement shall be for 2 year(s) from the date of acceptance of this contract by the Lexington-Fayette Urban County Government. This agreement may be automatically extended for an additional **(2) two, 1** year(s) renewal. This contract may be canceled by either party thirty (30) days after delivery by canceling party of written notice of intent to cancel to the other contracting party.

- B. Price Changes **(Space Checked Applies)**
 - (XXX)1. Prices quoted in response to the Invitation shall be firm prices for the first 365 days of the Procurement Contract. After 365 days, prices may be subject to revision and such changes shall be based on general industry changes. Revision may be either increases or decreases and may be requested by either party. There will be no more than one (1) price adjustment per year. Requests for price changes shall be received in writing at least twenty (20) days prior to the effective date and are subject to written acceptance before becoming effective. Proof of the validity of a request for revision shall be responsibility of the requesting party. The Lexington-Fayette Urban County Government shall receive the benefit of any decline that the seller shall offer his other accounts.

 - 2. No provision for price change is made herein. Prices are to be firm for the term of this contract.

 - 3. See bid specifications.

- C. If any contract item is not available from the vendor, the Lexington-Fayette Urban County Government, at its option, may permit the item to be back-ordered or may procure the item on the open market.

- D. All invoices must bear reference to the Lexington-Fayette Urban County Government Purchasing document numbers which are being billed.

- E. This contract may be canceled by the Lexington-Fayette Urban County Government if it is determined that the Bidder has failed to perform under the terms of this agreement, such cancellation to be effective upon receipt of written notice of cancellation by the Bidder.

- F. No substitutions for articles specified herein may be made without prior approval of the Division of Central Purchasing.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states: *The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.*
- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states: *The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Bidders

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, veteran status, disability and age.

GENERAL PROVISIONS OF BID CONTRACT

By signing the below, bidder acknowledges that it understands and agrees with the following provisions related to its bid response and the provision of any goods or services to LFUCG upon selection by LFUCG pursuant to the bid request:

1. Bidder shall comply with all Federal, State & Local regulations concerning this type of service or good. All applicable state laws, ordinances and resolutions (including but not limited to Section 2-33 (Discrimination due to sexual orientation or gender identity) and Chapter 13 (Licenses and Regulations) of the Lexington-Fayette Urban County Government Code of Ordinances, and Resolution No. 484-17 (Minority, Women, and Veteran-Owned Businesses)) and the regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.
2. Failure to submit ALL forms and information required by LFUCG may be grounds for disqualification.
3. Addenda: All addenda and IonWave Q&A, if any, must be considered by the bidder in making its response, and such addenda shall be made a part of the requirements of the bid contract. Before submitting a bid response, it is incumbent upon bidder to be informed as to whether any addenda have been issued, and the failure of the bidder to cover any such addenda may result in disqualification of that response.
4. Bid Reservations: LFUCG reserves the right to reject any or all bid responses, to award in whole or part, and to waive minor immaterial defects in proposals. LFUCG may consider any alternative proposal that meets its basic needs.
5. Liability: LFUCG is not responsible for any cost incurred by bidder in the preparation of its response.
6. Changes/Alterations: Bidder may change or withdraw a proposal at any time prior to the opening; however, no oral modifications will be allowed. Only letters, or other formal written requests for modifications or corrections of a previously submitted proposal which is addressed in the same manner as the bid response, and received by LFUCG prior to the scheduled closing time for receipt of bids, will be accepted. The bid response when opened, will then be corrected in accordance with such written request(s), provided that the written request is contained in a sealed envelope which is plainly marked "modifications of bid response".
7. Clarification of Submittal: LFUCG reserves the right to obtain clarification of any point in a bid or to obtain additional information from any bidder.
8. Bribery Clause: By his/her signature on its response, bidder certifies that no employee of his/hers, any affiliate or subcontractor, has bribed or attempted to bribe an officer or employee of the LFUCG.
9. Additional Information: While not necessary, the bidder may include any product brochures, software documentation, sample reports, or other documentation that may assist LFUCG in better understanding and evaluating the bid response. Additional documentation shall not serve as a substitute for other documentation which is required by the LFUCG to be submitted with the bid response.
10. Ambiguity, Conflict or other Errors: If a bidder discovers any ambiguity, conflict, discrepancy, omission or other error in the bid request of LFUCG, it shall immediately notify LFUCG of such error in writing and request modification or clarification of the document if allowable by the LFUCG.
11. Agreement to Bid Terms: In submitting its bid response, the bidder agrees that it has carefully examined the specifications and all provisions relating to LFUCG's bid request, including but not limited to the bid contract. By submission of its bid response, bidder states that it understands the meaning, intent and requirements of LFUCG's bid request and agrees to the same. The successful bidder shall warrant that it is familiar with and understands all provisions herein and shall warrant that it can comply with them. No additional compensation to bidder shall be authorized for services, expenses, or goods reasonably covered under these provisions that the bidder omits from its bid response.
12. Cancellation: LFUCG may unilaterally terminate the bid contract with the selected bidder(s) at any time, with or without cause, by providing at least thirty (30) days advance written notice unless a different advance written notice

period is negotiated prior to contract approval. Payment for services or goods received prior to termination shall be made by the LFUCG provided these goods or services were provided in a manner acceptable to the LFUCG. Payment for those goods and services shall not be unreasonably withheld.

13. Assignment of Contract: The selected bidder(s) shall not assign or subcontract any portion of the bid contract with LFUCG without the express written consent of LFUCG. Any purported assignment or subcontract in violation hereof shall be void. It is expressly acknowledged that LFUCG shall never be required or obligated to consent to any request for assignment or subcontract; and further that such refusal to consent can be for any or no reason, fully within the sole discretion of LFUCG.
14. No Waiver: No failure or delay by LFUCG in exercising any right, remedy, power or privilege hereunder, nor any single or partial exercise thereof, nor the exercise of any other right, remedy, power or privilege shall operate as a waiver hereof or thereof. No failure or delay by LFUCG in exercising any right, remedy, power or privilege under or in respect of this bid proposal or bid contract shall affect the rights, remedies, powers or privileges of LFUCG hereunder or shall operate as a waiver thereof.
15. Authority to do Business: Each bidder must be authorized to do business under the laws of the Commonwealth of Kentucky and must be in good standing and have full legal capacity to provide the goods or services specified in the bid proposal. Each bidder must have all necessary right and lawful authority to submit the bid response and enter into the bid contract for the full term hereof including any necessary corporate or other action authorizing the bidder to submit the bid response and enter into this bid contract. If requested, the bidder will provide LFUCG with a copy of a corporate resolution authorizing this action and/or a letter from an attorney confirming that the proposer is authorized to do business in the Commonwealth of Kentucky. All bid responses must be signed by a duly authorized officer, agent or employee of the bidder.
16. Governing Law: This bid request and bid contract shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky. In the event of any proceedings regarding this matter, the bidder agrees that the venue shall be the Fayette County Circuit Court or the U.S. District Court for the Eastern District of Kentucky, Lexington Division and that the bidder expressly consents to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to these matters or any rights or obligations arising thereunder.
17. Ability to Meet Obligations: Bidder affirmatively states that there are no actions, suits or proceedings of any kind pending against bidder or, to the knowledge of the bidder, threatened against the bidder before or by any court, governmental body or agency or other tribunal or authority which would, if adversely determined, have a materially adverse effect on the authority or ability of bidder to perform its obligations under this bid response or bid contract, or which question the legality, validity or enforceability hereof or thereof.
18. Price Discrepancy: When applicable, in case of price discrepancy, unit bid price written in words will prevail followed by unit price written in numbers then total amount bid per line item.
19. Bidder understands and agrees that its employees, agents, or subcontractors are not employees of LFUCG for any purpose whatsoever. Bidder is an independent contractor at all times related to the bid response or bid contract.
20. Contractor [or Vendor or Vendor's Employees] will not appropriate or make use of the Lexington-Fayette Urban County Government (LFUCG) name or any of its trade or service marks or property (including but not limited to any logo or seal), in any promotion, endorsement, advertisement, testimonial or similar use without the prior written consent of the government. If such consent is granted LFUCG reserves the unilateral right, in its sole discretion, to immediately terminate and revoke such use for any reason whatsoever. Contractor agrees that it shall cease and desist from any unauthorized use immediately upon being notified by LFUCG.
21. If any term or provision of this bid contract shall be found to be illegal or unenforceable, the remainder of the contract shall remain in full force and such term or provision shall be deemed stricken.

Revised 2015-Dec-15

**DIRECTOR, DIVISION OF CENTRAL PURCHASING
LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT
200 EAST MAIN STREET
LEXINGTON, KENTUCKY 40507**

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE
EQUAL EMPLOYMENT OPPORTUNITIES AND DBE CONTRACT PARTICIPATION**

The Lexington-Fayette Urban County Government has set a goal that not less than ten percent (10%) of the total value of this contract be subcontracted to MBE/WBE's, and set a goal that not less than three percent (3%) of the total value of this contract be subcontracted to Veteran-Owned Small Businesses. The goal for the utilization of Certified MBE/WBE's and Veteran-Owned Small Businesses as subcontractors are recommended goals. Contractors who fail to meet such goals will be expected to provide written explanations to the Director of the Division of Central Purchasing of efforts they have made to accomplish the recommended goals and the extent to which they are successful in accomplishing the recommended goals will be a consideration in the procurement process.

For assistance in locating MBE/WBE Subcontractors contact Sherita Miller at 859/258-3320 or by writing the address listed below:

Lexington-Fayette Urban County Government
MWDBE PARTICIPATION GOALS

A. GENERAL

- 1) The LFUCG request all potential contractors to make a concerted effort to include Minority-Owned (MBE), Woman-Owned (WBE), Disadvantaged (DBE) Business Enterprises and Veteran-Owned Small Businesses (VOSB) as subcontractors or suppliers in their bids.
- 2) Toward that end, the LFUCG has established 10% of total procurement costs as a Goal for participation of Minority-Owned, Woman-Owned and Disadvantaged Businesses on this contract.
- 3) **It is therefore a request of each Bidder to include in its bid, the same goal (10%) for MWDBE participation and other requirements as outlined in this section.**
- 4) The LFUCG has also established a 3% of total procurement costs as a Goal for participation for of Veteran-Owned Businesses.
- 5) **It is therefore a request of each Bidder to include in its bid, the same goal (3%) for Veteran-Owned participation and other requirements as outlined in this section.**

B. PROCEDURES

- 1) The successful bidder will be required to report to the LFUCG, the dollar amounts of all payments submitted to Minority-Owned, Woman-Owned or Veteran-Owned subcontractors and suppliers for work done or materials purchased for this contract. (See Subcontractor Monthly Payment Report)
- 2) Replacement of a Minority-Owned, Woman-Owned or Veteran-Owned subcontractor or supplier listed in the original submittal must be requested in writing and must be accompanied by documentation of Good Faith Efforts to replace the subcontractor / supplier with another MWDBE Firm; this is subject to approval by the LFUCG. (See LFUCG MWDBE Substitution Form)
- 3) For assistance in identifying qualified, certified businesses to solicit for potential contracting opportunities, bidders may contact:
 - a) The Lexington-Fayette Urban County Government, Division of Central Purchasing (859-258-3320)
- 4) The LFUCG will make every effort to notify interested MWDBE and Veteran-Owned subcontractors and suppliers of each Bid Package, including information on the scope of work, the pre-bid meeting time and location, the bid date, and all other pertinent information regarding the project.

C. DEFINITIONS

- 1) A Minority-Owned Business Enterprise (MBE) is defined as a business which is certified as being at least 51% owned, managed and controlled by persons of African American, Hispanic, Asian, Pacific Islander, American Indian or Alaskan Native Heritage.
- 2) A Woman-Owned Business Enterprise (WBE) is defined as a business which is certified as being at least 51% owned, managed and controlled by one or more women.
- 3) A Disadvantaged Business (DBE) is defined as a business which is certified as being at least 51% owned, managed and controlled by a person(s) that are economically and socially disadvantaged.

- 4) A Veteran-Owned Small Business (VOSB) is defined as a business which is certified as being at least 51% owned, managed and controlled by a veteran and/or a service disabled veteran.
- 5) Good Faith Efforts are efforts that, given all relevant circumstances, a bidder or proposer actively and aggressively seeking to meet the goals, can reasonably be expected to make. In evaluating good faith efforts made toward achieving the goals, whether the bidder or proposer has performed the efforts outlined in the Obligations of Bidder for Good Faith Efforts outlined in this document will be considered, along with any other relevant factors.

D. OBLIGATION OF BIDDER FOR GOOD FAITH EFFORTS

- 1) **The bidder shall make a Good Faith Effort to achieve the Participation Goal for MWDBE and Veteran-Owned subcontractors/suppliers. The failure to meet the goal shall not necessarily be cause for disqualification of the bidder; however, bidders not meeting the goal are required to furnish with their bids written documentation of their Good Faith Efforts to do so.**
- 2) Award of Contract shall be conditioned upon satisfaction of the requirements set forth herein.
- 3) The Form of Proposal includes a section entitled "MWDBE Participation Form". The applicable information must be completed and submitted as outlined below.
- 4) **Failure to submit this information as requested may be cause for rejection of bid or delay in contract award.**

E. DOCUMENTATION REQUIRED FOR GOOD FAITH EFFORTS

- 1) Bidders reaching the Goal are required to submit only the MWDBE Participation Form." The form must be fully completed including names and telephone number of participating MWDBE firm(s); type of work to be performed; estimated value of the contract and value expressed as a percentage of the total Lump Sum Bid Price. The form must be signed and dated, and is to be submitted with the bid.
- 2) Bidders not reaching the Goal must submit the "MWDBE Participation Form", the "Quote Summary Form" and a written statement documenting their Good Faith Effort to do so. If bid includes no MWDBE and/or Veteran participation, bidder shall enter "None" on the subcontractor / supplier form). In addition, the bidder must submit written proof of their Good Faith Efforts to meet the Participation Goal:
 - a. Advertised opportunities to participate in the contract in at least two (2) publications of general circulation media; trade and professional association publications; small and minority business or trade publications; and publications or trades targeting minority, women and disadvantaged businesses not less than fifteen (15) days prior to the deadline for submission of bids to allow MWDBE firms and Veteran-Owned businesses to participate.
 - b. Included documentation of advertising in the above publications with the bidders good faith efforts package
 - c. Attended LFUCG Central Purchasing Economic Inclusion Outreach event
 - d. Attended pre-bid meetings that were scheduled by LFUCG to inform MWDBEs and/or Veteran-Owned businesses of subcontracting opportunities

- e. Sponsored Economic Inclusion event to provide networking opportunities for prime contractors and MWDBE firms and Veteran-Owned businesses.
- f. Requested a list of MWDBE and/or Veteran subcontractors or suppliers from LFUCG and showed evidence of contacting the companies on the list(s).
- g. Contacted organizations that work with MWDBE companies for assistance in finding certified MWDBE firms and Veteran-Owned businesses to work on this project. Those contacted and their responses should be a part of the bidder's good faith efforts documentation.
- h. Sent written notices, by certified mail, email or facsimile, to qualified, certified MWDBEs and/or Veteran-Owned businesses soliciting their participation in the contract not less than seven (7) days prior to the deadline for submission of bids to allow them to participate effectively.
- i. Followed up initial solicitations by contacting MWDBEs and Veteran-Owned Businesses to determine their level of interest.
- j. Provided the interested MWDBE firm and/or Veteran-Owned business with adequate and timely information about the plans, specifications, and requirements of the contract.
- k. Selected portions of the work to be performed by MWDBE firms and/or Veteran-Owned businesses in order to increase the likelihood of meeting the contract goals. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MWDBE and Veteran participation, even when the prime contractor may otherwise perform these work items with its own workforce
- l. Negotiated in good faith with interested MWDBE firms and Veteran-Owned businesses not rejecting them as unqualified without sound reasons based on a thorough investigation of their capabilities. Any rejection should be so noted in writing with a description as to why an agreement could not be reached.
- m. Included documentation of quotations received from interested MWDBE firms and Veteran-Owned businesses which were not used due to uncompetitive pricing or were rejected as unacceptable and/or copies of responses from firms indicating that they would not be submitting a bid.
- n. Bidder has to submit sound reasons why the quotations were considered unacceptable. The fact that the bidder has the ability and/or desire to perform the contract work with its own forces will not be considered a sound reason for rejecting a MWDBE and/or Veteran-Owned business's quote. Nothing in this provision shall be construed to require the bidder to accept unreasonable quotes in order to satisfy MWDBE and Veteran goals.
- o. Made an effort to offer assistance to or refer interested MWDBE firms and Veteran-Owned businesses to obtain the necessary equipment, supplies, materials, insurance and/or bonding to satisfy the work requirements of the bid proposal
- p. Made efforts to expand the search for MWBE firms and Veteran-Owned businesses beyond the usual geographic boundaries.

q. Other--any other evidence that the bidder submits which may show that the bidder has made reasonable good faith efforts to include MWDBE and Veteran participation.

Note: Failure to submit any of the documentation requested in this section may be cause for rejection of bid. Bidders may include any other documentation deemed relevant to this requirement which is subject to review by the MBE Liaison. Documentation of Good Faith Efforts must be submitted with the Bid, if the participation Goal is not met.

MINORITY BUSINESS ENTERPRISE PROGRAM

Sherita Miller, MPA
Minority Business Enterprise Liaison
Division of Central Purchasing
Lexington-Fayette Urban County Government
200 East Main Street
Lexington, KY 40507
smiller@lexingtonky.gov
859-258-3323

OUR MISSION: The mission of the Minority Business Enterprise Program is to facilitate the full participation of minority and women owned businesses in the procurement process and to promote economic inclusion as a business imperative essential to the long term economic viability of Lexington-Fayette Urban County Government.

To that end the city council adopted and implemented Resolution 484-2017 – A Certified Minority, Women and Disadvantaged Business Enterprise ten percent (10%) minimum goal and a three (3%) minimum goal for Certified Veteran-Owned Small Businesses and Certified Service Disabled Veteran – Owned Businesses for government contracts.

The resolution states the following definitions shall be used for the purposes of reaching these goals (a full copy is available in Central Purchasing):

Certified Disadvantaged Business Enterprise (DBE) – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a person(s) who is socially and economically disadvantaged as define by 49 CFR subpart 26.

Certified Minority Business Enterprise (MBE) – a business in which at least fifty-one percent (51%) is owned, managed and controlled by an ethnic minority (i.e. African American, Asian American/Pacific Islander, Hispanic Islander, Native American/ Native Alaskan Indian) as defined in federal law or regulation as it may be amended from time-to-time.

Certified Women Business Enterprise (WBE) – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a woman.

Certified Veteran-Owned Small Business (VOSB) – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a veteran who served on active duty with the U.S. Army, Air Force, Navy, Marines or Coast Guard.

Certified Service Disabled Veteran Owned Small Business (SDVOSB) – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a disabled veteran who served on active duty with the U.S. Army, Air Force, Navy, Marines or Coast Guard.

The term “Certified” shall mean the business is appropriately certified, licensed, verified, or validated by an organization or entity recognized by the Division of Purchasing as having the appropriate credentials to make a determination as to th status of the business.

To comply with Resolution 484-2017, prime contractors and minority, women and veteran owned businesses must enroll in the new Diverse Business Management Compliance system, <https://lexingtonky.diversitycompliance.com/>

LFUCG SUBCONTRACTOR MONTHLY PAYMENT REPORT

The LFUCG has a 10% goal plan adopted by city council to increase the participation of minority and women owned businesses in the procurement process. The LFUCG also has a 3% goal plan adopted by cited council to increase the participation of veteran owned businesses in the procurement process. In order to measure that goal LFUCG will track spending with MWDBE and Veteran contractors on a monthly basis. By the signature below of an authorized company representative, you certify that the information is correct, and that each of the representations set forth below is true. Any misrepresentation may result in termination of the contract and/or prosecution under applicable Federal and State laws concerning false statements and false claims. Please submit this form monthly to the Division of Central Purchasing/ 200 East Main Street / Room 338 / Lexington, KY 40507.

LFUCG STATEMENT OF GOOD FAITH EFFORTS

Bid/RFP/Quote # 2-2023

By the signature below of an authorized company representative, we certify that we have utilized the following Good Faith Efforts to obtain the maximum participation by MWDBE and Veteran-Owned business enterprises on the project and can supply the appropriate documentation.

_____ Advertised opportunities to participate in the contract in at least two (2) publications of general circulation media; trade and professional association publications; small and minority business or trade publications; and publications or trades targeting minority, women and disadvantaged businesses not less than fifteen (15) days prior to the deadline for submission of bids to allow MWDBE firms and Veteran-Owned businesses to participate.

_____ Included documentation of advertising in the above publications with the bidders good faith efforts package

_____ Attended LFUCG Central Purchasing Economic Inclusion Outreach event

_____ Attended pre-bid meetings that were scheduled by LFUCG to inform MWDBEs and/or Veteran-Owned Businesses of subcontracting opportunities

_____ Sponsored Economic Inclusion event to provide networking opportunities for prime contractors and MWDBE firms and Veteran-Owned businesses

_____ Requested a list of MWDBE and/or Veteran subcontractors or suppliers from LFUCG and showed evidence of contacting the companies on the list(s).

_____ Contacted organizations that work with MWDBE companies for assistance in finding certified MWBDE firms and Veteran-Owned businesses to work on this project. Those contacted and their responses should be a part of the bidder's good faith efforts documentation.

_____ Sent written notices, by certified mail, email or facsimile, to qualified, certified MWDBEs soliciting their participation in the contract not less than seven (7) days prior to the deadline for submission of bids to allow them to participate effectively.

_____ Followed up initial solicitations by contacting MWDBEs and Veteran-Owned businesses to determine their level of interest.

_____ Provided the interested MWBDE firm and/or Veteran-Owned business with adequate and timely information about the plans, specifications, and requirements of the contract.

_____ Selected portions of the work to be performed by MWDBE firms and/or Veteran-Owned businesses in order to increase the likelihood of meeting the contract goals. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MWDBE and Veteran participation, even when the prime contractor may otherwise perform these work items with its own workforce

_____ Negotiated in good faith with interested MWDBE firms and Veteran-Owned businesses not rejecting them as unqualified without sound reasons based on a thorough investigation of their capabilities. Any rejection should be so noted in writing with a description as to why an agreement could not be reached.

_____ Included documentation of quotations received from interested MWDBE firms and Veteran-Owned businesses which were not used due to uncompetitive pricing or were rejected as unacceptable and/or copies of responses from firms indicating that they would not be submitting a bid.

_____ Bidder has to submit sound reasons why the quotations were considered unacceptable. The fact that the bidder has the ability and/or desire to perform the contract work with its own forces will not be considered a sound reason for rejecting a MWDBE and/or Veteran-Owned business's quote. Nothing in this provision shall be construed to require the bidder to accept unreasonable quotes in order to satisfy MWDBE and Veteran goals.

_____ Made an effort to offer assistance to or refer interested MWDBE firms and Veteran-Owned businesses to obtain the necessary equipment, supplies, materials, insurance and/or bonding to satisfy the work requirements of the bid proposal

_____ Made efforts to expand the search for MWBE firms and Veteran-Owned businesses beyond the usual geographic boundaries.

_____ Other--any other evidence that the bidder submits which may show that the bidder has made reasonable good faith efforts to include MWDBE and Veteran participation.

NOTE: Failure to submit any of the documentation requested in this section may be cause for rejection of bid. Bidders may include any other documentation deemed relevant to this requirement which is subject to approval by the MBE Liaison. Documentation of Good Faith Efforts must be submitted with the Bid, if the participation Goal is not met.

The undersigned acknowledges that all information is accurate. Any misrepresentations may result in termination of the contract and/or be subject to applicable Federal and State laws concerning false statements and claims.

AMENDMENT 1 —
CERTIFICATION OF COMPLIANCE FOR EXPENDITURES USING FEDERAL FUNDS,
INCLUDING THE AMERICAN RESCUE PLAN ACT

The Lexington-Fayette Urban County Government (“LFUCG”) may use Federal funding to pay for the goods and/or services that are the subject matter of this bid. That Federal funding may include funds received by LFUCG under the American Rescue Plan Act of 2021. Expenditures using Federal funds require evidence of the contractor’s compliance with Federal law. Therefore, by the signature below of an authorized company representative, you certify that the information below is understood, agreed, and correct. Any misrepresentations may result in the termination of the contract and/or prosecution under applicable Federal and State laws concerning false statements and false claims.

The bidder (hereafter “bidder,” or “contractor”) agrees and understands that in addition to all conditions stated within the attached bid documents, the following conditions will also apply to any Agreement entered between bidder and LFUCG, if LFUCG uses Federal funds, including but not limited to funding received by LFUCG under the American Rescue Plan Act (“ARPA”), toward payment of goods and/or services referenced in this bid. The bidder also agrees and understands that if there is a conflict between the terms included elsewhere in this Request for Proposal and the terms of this Amendment 1, then the terms of Amendment 1 shall control. The bidder further certifies that it can and will comply with these conditions, if this bid is accepted and an Agreement is executed:

1. Any Agreement executed as a result of acceptance of this bid may be governed in accordance with 2 CFR Part 200 and all other applicable Federal law and regulations and guidance issued by the U.S. Department of the Treasury.
2. Pursuant to 24 CFR § 85.43, any Agreement executed as a result of acceptance of this bid can be terminated if the contractor fails to comply with any term of the award. This Agreement may be terminated for convenience in accordance with 24 CFR § 85.44 upon written notice by LFUCG. Either party may terminate this Agreement with thirty (30) days written notice to the other party, in which case the Agreement shall terminate on the thirtieth day. In the event of termination, the contractor shall be entitled to that portion of total compensation due under this Agreement as the services rendered bears to the services required. However, if LFUCG suspects a breach of the terms of the Agreement and/or that the contractor is violating the terms of any applicable law governing the use of Federal funds, LFUCG may suspend the contractor’s ability to receive payment by giving thirty (30) days’ advance written notice. Further, either party may terminate this Agreement for cause shown with thirty (30) days written notice, which shall explain the party’s cause for the termination. If the parties do not reach a settlement before the end of the 30 days, then the Agreement shall terminate on the thirtieth day. In the event of a breach, LFUCG reserves the right to pursue any and all applicable legal, equitable, and/or administrative remedies against the contractor.
3. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
 - (1) Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

4. If fulfillment of the contract requires the contractor to employ mechanic's or laborers, the contractor further agrees that it can and will comply with the following:

- (1) Overtime requirements: No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such a workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such a workweek.
- (2) Violation: liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section, the contractor and any subcontractor responsible therefor shall be liable for

the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory) for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. LFUCG shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

5. The contractor shall comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

6. The contractor shall report each violation to LFUCG and understands and agrees that LFUCG will, in turn, report each violation as required to assure notification to the Treasury Department and the appropriate Environmental Protection Agency Regional Office.

7. The contractor shall include these requirements in numerical paragraphs 5 and 6 in each subcontract exceeding \$100,000 financed in whole or in part with Federal funding.

8. The contractor shall comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.

9. The contractor shall report each violation to LFUCG and understands and agrees that LFUCG will, in turn, report each violation as required to assure notification to the Treasury Department and the appropriate Environmental Protection Agency Regional Office.

10. The contractor shall include these requirements in numerical paragraphs 8 and 9 in each subcontract exceeding \$100,000 financed in whole or in part with Federal funds.

11. The contractor shall comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.

12. The contractor shall report each violation to LFUCG and understands and agrees that LFUCG will, in turn, report each violation as required to assure notification to the Treasury Department and the appropriate Environmental Protection Agency regional office.

13. The contractor shall include these requirements in numerical paragraphs 11 and 12 in each subcontract exceeding \$100,000 financed in whole or in part with American Rescue Plan Act funds.

14. The contractor shall include this language in any subcontract it executes to fulfill the terms of this bid: "the subgrantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights

Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with 'Limited English Proficiency' in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement."

15. Contractors who apply or bid for an award of \$100,000 or more shall file the required certification that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient. The required certification is included here:

a. The undersigned certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

b. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

16. The contractor acknowledges and certifies that it has not been debarred or suspended and further acknowledges and agrees that it must comply with regulations regarding debarred or suspended entities in accordance with 24 CFR § 570.489(l). Funds may not be provided to excluded or disqualified persons.

17. The contractor agrees and certifies that to the greatest extent practicable, it will prefer the purchase, acquisition, and use of all applicable goods, products or materials produced in the United States, in conformity with 2 CFR 200.322 and/or section 70914 of Public Law No. 117-58, §§ 70901-52, also known as the Infrastructure Investment and Jobs Act, whichever is applicable.

18. The contractor agrees and certifies that all activities performed pursuant to any Agreement entered as a result of the contractor's bid, and all goods and services procured under that Agreement, shall comply with 2 C.F.R. § 200.216 (Prohibition on certain telecommunications and video surveillance services and equipment) and 2 C.F.R. 200 § 200..323 (Procurement of recovered materials), to the extent either section is applicable.

19. If this bid involves construction work for a project totaling \$10 million or more, then the contractor further agrees that all laborers and mechanics, etc., employed in the construction of the public facility project assisted with funds provided under this Agreement, whether employed by contractor, or contractor's contractors, or subcontractors, shall be paid wages complying with the Davis-Bacon Act (40 U.S.C. 3141-3144). Contractor agrees that all of contractor's contractors and subcontractors will pay laborers and mechanics the prevailing wage as determined by the Secretary of Labor and that said laborers and mechanics will be paid not less than once a week. The contractor agrees to comply with the Copeland Anti- Kick Back Act (18 U.S.C. § 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. The contractor further agrees to comply with the applicable provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. Section 327-333), and the applicable provisions of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. et seq.). Contractor further agrees that it will report all suspected or reported violations of any of the laws identified in this paragraph to LFUCG.

Signature

**RISK MANAGEMENT PROVISIONS
INSURANCE AND INDEMNIFICATION**

INDEMNIFICATION AND HOLD HARMLESS PROVISION

- (1) It is understood and agreed by the parties that Contractor hereby assumes the entire responsibility and liability for any and all damages to persons or property caused by or resulting from or arising out of any act or omission on the part of Contractor or its employees, agents, servants, owners, principals, licensees, assigns or subcontractors of any tier (hereinafter "CONTRACTOR") under or in connection with this agreement and/or the provision of goods or services and the performance or failure to perform any work required thereby.
- (2) CONTRACTOR shall indemnify, save, hold harmless and defend the Lexington-Fayette Urban County Government and its elected and appointed officials, employees, agents, volunteers, and successors in interest (hereinafter "LFUCG") from and against all liability, damages, and losses, including but not limited to, demands, claims, obligations, causes of action, judgments, penalties, fines, liens, costs, expenses, interest, defense costs and reasonable attorney's fees that are in any way incidental to or connected with, or that arise or are alleged to have arisen, directly or indirectly, from or by CONTRACTOR's performance or breach of the agreement and/or the provision of goods or services provided that: (a) it is attributable to personal injury, bodily injury, sickness, or death, or to injury to or destruction of property (including the loss of use resulting therefrom), or to or from the negligent acts, errors or omissions or willful misconduct of the CONTRACTOR; and (b) not caused solely by the active negligence or willful misconduct of LFUCG.
- (3) In the event LFUCG is alleged to be liable based upon the above, CONTRACTOR shall defend such allegations and shall bear all costs, fees and expenses of such defense, including but not limited to, all reasonable attorneys' fees and expenses, court costs, and expert witness fees and expenses, using attorneys approved in writing by LFUCG, which approval shall not be unreasonably withheld.
- (4) These provisions shall in no way be limited by any financial responsibility or insurance requirements, and shall survive the termination of this agreement.
- (5) LFUCG is a political subdivision of the Commonwealth of Kentucky. CONTRACTOR acknowledges and agrees that LFUCG is unable to provide indemnity or otherwise save, hold harmless, or defend the CONTRACTOR in any manner.

FINANCIAL RESPONSIBILITY

BIDDER/CONTRACTOR understands and agrees that it shall demonstrate the ability to assure compliance with the above Indemnity provisions and these other risk management provisions prior to final acceptance of its bid and the commencement of any work or provision of goods.

INSURANCE REQUIREMENTS

YOUR ATTENTION IS DIRECTED TO THE INSURANCE REQUIREMENTS BELOW, AND YOU MAY NEED TO CONFER WITH YOUR INSURANCE AGENTS, BROKERS, OR CARRIERS TO DETERMINE IN ADVANCE OF SUBMISSION OF A RESPONSE THE AVAILABILITY OF THE INSURANCE COVERAGES AND ENDORSEMENTS REQUIRED HEREIN. IF YOU FAIL TO COMPLY WITH THE INSURANCE REQUIREMENTS BELOW, YOU MAY BE DISQUALIFIED FROM AWARD OF THE CONTRACT.

Required Insurance Coverage

BIDDER/CONTRACTOR shall procure and maintain for the duration of this contract the following or equivalent insurance policies at no less than the limits shown below and cause its subcontractors to maintain similar insurance with limits acceptable to LFUCG in order to protect LFUCG against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by CONTRACTOR. The cost of such insurance shall be included in any bid:

<u>Coverage</u>	<u>Limits</u>
General Liability (Insurance Services Office Form CG 00 01)	\$1 million per occurrence, \$2 million aggregate or \$2 million combined single limit
Auto Liability	\$1 million per occurrence
Worker's Compensation	Statutory
Employer's Liability	\$100,000
Excess Liability	\$1 million per occurrence

The policies above shall contain the following conditions:

- a. All Certificates of Insurance forms used by the insurance carrier shall be properly filed and approved by the Department of Insurance for the Commonwealth of Kentucky (DOI). LFUCG shall be named as an additional insured in the General Liability Policy and Commercial Automobile Liability Policy using the Kentucky DOI approved forms.
- b. The General Liability Policy shall be primary to any insurance or self-insurance retained by LFUCG.
- c. The General Liability Policy shall include Premises and Operations coverage unless it is deemed not to apply by LFUCG.
- d. The General Liability Policy shall include Employment Practices Liability coverage or an endorsement in a minimum amount of \$1 million unless it is deemed not to apply by LFUCG.
- e. The Policy shall include Umbrella/Excess Liability coverage in the amount of \$1 million per occurrence, \$1 million aggregate, unless it is deemed not to apply by LFUCG.
- f. LFUCG shall be provided at least 30 days advance written notice via certified mail, return receipt requested, in the event any of the required policies are canceled or non-renewed.
- g. Said coverage shall be written by insurers acceptable to LFUCG and shall be in a form acceptable to LFUCG. Insurance placed with insurers with a rating classification of no less than Excellent (A or A-) and a financial size category of no less than VIII, as defined by the most current Best's Key Rating Guide shall be deemed automatically acceptable.

Renewals

After insurance has been approved by LFUCG, evidence of renewal of an expiring policy must be submitted to LFUCG, and may be submitted on a manually signed renewal endorsement form. If the policy or carrier has changed, however, new evidence of coverage must be submitted in accordance with these Insurance Requirements.

Deductibles and Self-Insured Programs

IF YOU INTEND TO SUBMIT A SELF-INSURANCE PLAN IT MUST BE FORWARDED TO LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT, DIVISION OF RISK MANAGEMENT, 200 EAST MAIN STREET, LEXINGTON, KENTUCKY 40507 NO LATER THAN A MINIMUM OF FIVE (5) WORKING DAYS PRIOR TO THE RESPONSE DATE. Self-insurance programs, deductibles, and self-insured retentions in insurance policies are subject to separate approval by Lexington-Fayette Urban County Government's Division of Risk Management, upon review of evidence of BIDDER/CONTRACTOR's financial capacity to respond to claims. Any such programs or retentions must provide LFUCG with at least the same protection from liability and defense of suits as would be afforded by first-dollar insurance coverage

Safety and Loss Control

CONTRACTOR shall comply with all applicable federal, state, and local safety standards related to the performance of its works or services under this Agreement and take necessary action to protect the life, health and safety and property of all of its personnel on the job site, the public, and LFUCG.

Verification of Coverage

BIDDER/CONTRACTOR agrees to furnish LFUCG with all applicable Certificates of Insurance signed by a person authorized by the insurer to bind coverage on its behalf prior to final award, and if requested, shall provide LFUCG copies of all insurance policies, including all endorsements.

Right to Review, Audit and Inspect

CONTRACTOR understands and agrees that LFUCG may review, audit and inspect any and all of its records and operations to insure compliance with these Insurance Requirements.

DEFAULT

BIDDER/CONTRACTOR understands and agrees that the failure to comply with any of these insurance, safety, or loss control provisions shall constitute default and that LFUCG may elect at its option any single remedy or penalty or any combination of remedies and penalties, as available, including but not limited to purchasing insurance and charging BIDDER/CONTRACTOR for any such insurance premiums purchased, or suspending or terminating the work.

E. Selection of Contractors

F. Bidder Submittal Forms

A. GENERAL INFORMATION

- Work detailed in this Request for Bid is under the management of Lexington-Fayette Urban County Government's (LFUCG's) Division of Environmental Services (DES). The contact information for the DES Mowing Contracts Manager will be provided at the time of contract approval.
- Please note budget constraints, weather, sale of property, or other factors may occur at any time during a mowing season, which could cause a mowing area to be removed from a bid package or number of mows reduced. Conversely, sale or change in use of property may add or increase area to a bid package.
- This Request for Bid includes mowing of road rights-of-way (ROW), medians, lots, facilities, and water quality lots (including greenways).
- The scope of this work includes: (a) removing litter and debris; (b) mowing (turf and brush cut); (c) string trimming of slopes, fence lines, trees (where applicable), concrete medians, and other hardscapes; (d) edging; (e) removing grass/leaves from hardscapes via blowing, raking, or sweeping; (f) removing clippings blown into landscaped areas; and (g) removing excessively clumped vegetation (clippings and leaves) from vegetated areas.
- This scope of work does NOT include use of herbicide.
- Each of the nine (9) bid packages is a stand-alone package to be awarded separately. It is not LFUCG's intent to split any of the bid packages; however, LFUCG reserves that right should it be in the government's best interest.
- Bidders may choose to bid on one, some, or all of the nine (9) bid packages.
- Review the Mowing Specifications carefully. Failure to follow these specifications may result in delay of payment and/or contract cancellation.
- Review the Bid Package Detail Information and the provided Mowing Maps for valuable detail on the work locations. Bidders are encouraged to visit locations to view the work areas. NOTE: LFUCG will provide a notebook containing one hard copy set of detailed color maps to the Contractor selected for each bid package prior to the start of mowing.

B. MOWING SPECIFICATIONS

B.1 Administrative

- B.1.1 The mowing season will begin April 1st and end November 30th. These dates may be altered at the discretion of the Division of Environmental Services.
- B.1.2 This agreement shall be for a period of two (2) years with an option to renew for two (2) annual renewals if mutually agreed upon by both parties.

- B.1.3 The Contractor hereby agrees to indemnify and hold harmless the LFUCG, its employees, and its agents, from any claims or demands whatsoever arising from the Contractor's performance under this contract.
- B.1.4 The Contractor shall keep in force at all times liability insurance in amounts specified herein. The Contractor hereby accepts responsibility for any loss or damage to property owned by LFUCG or the general public caused by the Contractor's employees or agents. Contractor shall replace or repair same at his own cost and expense in like kind and at the direction of the Division of Environmental Services. If damaged property resulting from the Contractor's operations has to be repaired or replaced by LFUCG, the cost of such work shall be deducted from the Contractor's payment. Failure to maintain such insurance shall be cause for cancellation of this contract without notice.
- B.1.5 In the event that any trees, shrubs, or other landscaping is hit or damaged by activities associated with this contract, LFUCG's arborist shall inspect for damage and determine the impact to the plant's health. Should the arborist determine the tree or landscaping is damaged beyond repair, the estimated replacement value of the trees, shrubs, or landscaping shall be deducted from the Contractor's payment.
- B.1.6 This contract may be cancelled by either party by delivering written notice of intent to cancel to the other party not less than 30 days before the proposed date of termination. Written notice to LFUCG should be sent to the Division of Central Purchasing.
- B.1.7 LFUCG may cancel this contract without notice if the Contractor fails to perform the services herein. In the event of such cancellation, LFUCG may make arrangements as it deems necessary to secure the services specified.
- B.1.8 LFUCG reserves the right to remove a mowing area from a Contractor with five (5) days notice. The bid amount for the package will be reduced by the Contractor's Price per Acre (from the Price Sheet) multiplied by the area removed.
- B.1.9 The failure of either party to insist on strict performance of any of the terms or conditions of this contract shall not be construed as a waiver of the right to insist upon strict enforcement of such provisions in the future.
- B.1.10 LFUCG reserves the right to either offer Contractors additional mowing acreage on existing bid packages based upon geographic location (e.g., North, Southwest, etc.) or seek services from available contractors on the approved list. Pricing shall be computed based upon the Contractor's Price per Acre for that bid package.
- B.1.11 Acreages provided in the bid package information are calculated by delineating areas on LFUCG's Geographic Information System (GIS) and shown on the attached map. It is the responsibility of the Contractor to review each location

visually prior to submitting a bid to verify mowing area, topography, site constraints, etc. The Contractor is responsible to mow and maintain all of the area listed on the tables and shown on the attached maps (except as described in B.3.10 or B.3.13). Bid package acreages are computed based upon these maps. Delineated areas are based upon GIS parcel line data and visible fence lines. Typically, fence lines provide a visual boundary for ROW mowing. In areas with no fence, the shaded map areas serve as a guide for helping determine the extent of the ROW. This is particularly important on slopes or at bridges, which may be located in wide ROW areas. In some cases, "no mow zones" are accounted for on the maps, but in other locations, "no mow zones" are not accounted for on the maps and must be located in the field.

B.1.12 Selected contractors shall be prepared to meet the following mowing schedule, evenly staggered to minimize excessive clumping, and provide for a manicured look. Weather conditions may affect the scheduled mows (i.e., dry weather in the summer will likely result in skipped cuts, while wet weather in the spring may require weekly cuts). Funding impacts types of areas differently. Contractors should only bid on packages for which they have adequate resources to meet this schedule and for which they can handle the longer than optimal time periods between mows due to budget constraints.

Estimated Number of Cuts by Portion of Growing Season

Activity	April - June	July - November	Notes
Turf Mowing	9 mows	10 mows	Depends upon budget constraints, funding source, and weather conditions

B.1.13 The estimated number of cuts per season provided in the above table is not a guarantee of work. Number of cuts is variable and will be determined by the Division of Environmental Services each month depending upon weather and budgetary constraints. A contractor shall not exceed the number of agreed upon mows. LFUCG shall not pay for unauthorized cuts.

B.1.14 LFUCG may request additional cuts due to special events or other unforeseen circumstances. Contractor is to respond to additional cut requests as soon as possible but no longer than 48 hours. Verified weather conditions at mowing locations may extend contractor response time.

B.1.15 Bidders shall include with their proposal all of the requested information listed in Section E.

B.1.16 Bidders shall allow personnel from the Division of Environmental Services and/or the Division of Purchasing to inspect the Contractor's equipment and signage prior to the contract being awarded. The Contractor's equipment must be well maintained to operate safely on public property with all appropriate safety guards. If the Division of Environmental Services and/or the Division of Central

Purchasing substantiates that a Contractor's equipment and/or signage does not meet the specification requirements, the Contractor will be eliminated from the bidding process. Inspection results that vary from the submittal information may result in modification (loss or gain) to assigned bid packages.

- B.1.17 The equipment and signage resources, references of past experience with the bidder, previous experience in past mowing contracts with LFUCG, and bidder personnel resources will all be factored into the placement of a contractor with each bid package. The number of bid packages any given contractor receives will be based on bids as well as the level of resources (i.e., equipment and personnel) of each low bidder. Work shall be allocated commensurate with bidders' resources.
- B.1.18 This contract may not be sub-contracted in whole or in part without approval of LFUCG. A copy of any proposed sub-contract shall be submitted, prior to its execution, to LFUCG's Divisions of Purchasing and Environmental Services for approval. The Contractor shall remain responsible for the performance of the contract and the Contractor shall be liable for compliance by any sub-contractor with the terms of this contract. If a sub-contractor is terminated by the Contractor, the DES Mowing Contracts Manager shall be notified immediately.

B.2 Types of Mowing and Definitions

- B.2.1 Turf mowing with a finishing (i.e., lawn) mower shall be used for the vast majority of the work in this scope. Turf mowing shall provide a clean cut to a **height of 3-4 inches**.
- B.2.2 Brush cut mowing may be used in the bottoms of detention basins or wet greenway areas, in areas where honeysuckle stumps exist, or on roadside sections (i.e., not medians or within 10 feet of sidewalk) of the Citation-Iron Works Bid Package. Brush cut mowing shall provide a clean cut to a **height of 4-5 inches unless requested otherwise**.
- B.2.3 String trimming / weed-eating shall consist of using a string trimmer to cut slopes, around hardscapes, concrete joints, gutter lines, fence lines, and areas that a mower cannot maintain due to stumps or other obstructions.
- B.2.4 Edging shall consist of using a stick edger or string trimmer to create a vertical edge of grass at a curb line or a sidewalk or parking lot edge.
- B.2.5 Terms:
- Hardscapes - any asphalt or concrete surface including but not limited to sidewalks, curbs, gutters, parking lots, roads, etc.
 - Litter / Debris - items that have been discarded, washed, or blown into a work area such as tires, plastic, paper, metal, glass, cans, bottles, etc. Includes

fallen or disposed of brush or limbs up to 6" in diameter. Also includes large rocks and broken off pieces of asphalt or concrete.

- No Mow Zones - areas along streams and drainage areas that will not be mowed. Most of these areas have been planted with native riparian species and are maintained by horticultural contractors. These areas are not to be mowed. Most no mow zones are denoted by green or white thin vertical stakes marked with "stream buffer" or "no mow zone" or by the placement of large rocks or logs at the edge of the zone.
- Obstacles - any objects that stand in the way or holds up the mowing process. This may include but is not limited to, sign posts, light posts, fences, guard rails, headwalls, utility boxes, bridge end abutments, trees, and landscape plantings.
- Rights-of-Way (ROW) - for the purposes of this scope, ROW refers to the public areas along the sides of roads, as a way to differentiate from medians.

B.3 Specifications for Mowing

- B.3.1 Practice safety first. All safety measures, equipment, guards, and chutes shall be in place while mowing. Always mow with the safety of the operator, others, vehicles, and property in mind. Contractors are required to follow OSHA and Department of Transportation regulations regarding employee safety.
- B.3.2 All mowing along roadways shall follow all requirements for traffic control and traffic control devices of the MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES (MUTCD), published by the Federal Highway Administration.
- B.3.3 Contractor employees shall wear HI VISIBILITY clothing (i.e., vest, shirt, or jacket) and proper attire remaining fully dressed during the performance of all work under this contract, whether in a roadway or not. Working without a shirt or appropriate closed toe protective footwear is prohibited.
- B.3.4 Public roads, walkways, and sidewalks shall not be blocked to vehicular or pedestrian traffic while performing mowing operations.
- B.3.5 All mowers used for mowing ROW and medians shall be fitted with mulching blades with the discharge pointing down AND chutes blocked to eliminate projection of grass or debris onto streets. No mowers shall be used on medians and ROW that do not have these protections in place. Blowing grass and debris into the road is a hazard for people and property and will not be tolerated.
- B.3.6 All mowing associated with this contract, except areas listed in B.3.7, shall be turf mowing to a grass height between 3 and 4 inches. Cutting too short is prohibited. Scalping shall be avoided.

B.3.7 Brush cut mowing or string trimming may be used instead of turf mowing in the bottom areas of detention basins, in areas where honeysuckle stumps exist, on steep slopes, or on roadside sections (i.e., not medians or within 10 feet of sidewalks) of the Citation-Iron Works Bid Package. Brush cut hog mowing shall provide a clean cut to a height of 4 to 5 inches.

B.3.8 Edging is required to varying degrees depending upon location, as follows:

- Curb lines and sidewalks on Lots, Water Quality Lots, and Facilities shall be initially edged with a stick edger or similar device, and the edge kept clean over time by use of a string trimmer or edger as needed to prevent grass/weeds from growing across the curb or sidewalk.
- Curb lines and sidewalks on Medians and ROW shall be kept clean by string trimming or edging to eliminate grass/weeds growing horizontally across the curb or sidewalk.

B.3.9 This contract requires the Contractor to maintain a clean manicured appearance within the entire mowing area including steep slopes, and includes cutting of weeds and grass via string trimming at the base of fence lines, in joints and cracks, and around obstacles such as utility poles, guardrails, fences, buildings, steps, and headwalls. This includes string trimming and/or blowing or brooming (reminder: no herbicide shall be used) to remove sediment and vegetation growing in:

- gutter lines (i.e., the 90 degree angle where the vertical curb ends and the gutter begins),
- gutter joints (i.e., the joint between the concrete gutter and the road asphalt pavement), and
- joints and cracks on concrete medians, sidewalks, and parking lots.

Care shall be taken not to mar obstacles or damage concrete joints or further damage failing concrete/asphalt. In such areas, the Contractor may ask for assistance from LFUCG in controlling weeds.

B.3.10 There are some areas of ROW that currently have overgrowth of honeysuckle or invasive pear trees which prevent mowing. These invasive shrubs/trees are in the process of being removed by DES staff from all mowing areas in this contract. Areas which have had these invasives removed or cut to the ground shall be mowed as part of this contract starting with the first mow in April. **In general, stumps are cut to 1-3" from the ground, but higher stumps could remain. The Contractor is required to string trim or brush cut mow these areas.** To control re-growth, any sprouts growing from previously cut stumps are to be mowed. In addition, the Contractor is required to immediately begin mowing areas once shrubs/trees are removed going forward throughout the period of the contract. The bid package areas are computed based assuming all honeysuckle/pears have been removed and the entire corridor or lot is mowable from fence to fence. (Note: This primarily applies to detention basins, and

corridors such as Man O War Blvd, Alumni Drive, Citation Blvd, and Armstrong Mill, where honeysuckle removal operations are currently ongoing, but other areas may also be affected over the course of the contract. If a corridor has honeysuckle, bidders should expect that this condition will occur at some point during this contract.) In areas where the honeysuckle is yet to be removed, the Contractor shall mow up to the edge of the shrubs.

B.3.11 All mowing shall be performed to minimize and/or eliminate projection of grass onto hardscapes, sidewalks, trails, or gutters. All grass clippings shall be removed from hardscapes, including out of gutter lines, by blower, broom, rake, etc., prior to leaving the work site. Shred and spread all excess clumps of grass. Reduce mowing speeds to reduce clumping of grass. Mowing blades are to be sharp to prevent tearing of grass and minimize clumping. In the case of excessive grass clippings or other material which could kill the grass underneath, or cause a stormwater blockage or other potential problem, the Contractor shall remove it from the site and properly dispose of it.

B.3.12 At no time shall the Contractor allow mowed clippings or litter or debris to be blown, swept, or raked into any planting bed, tree mulch ring, gutter, storm drain, yard inlet, curb inlet, drainageway, swale, or creek.

B.3.13 All designated "no mow zones" shall be off limits to mowing and string trimming. No Mow Zone locations are denoted in Section C. The Contractor will be informed if additional No Mow Zones are added.

B.3.14 Trees, shrubs, and landscaping shall be protected at all times.

- ROW and Medians: Most, if not all, planted trees in these areas will have been protectively mulched by the Division of Environmental Services prior to the start of mowing operations. This mulch is placed in part to keep mowing equipment from coming too close to the trees and to eliminate the need for string trimming. Contractors shall mow to the edge of the mulch (i.e., no grass left uncut next to the mulch). If there are trees that are not mulched, the Contractor shall stay two feet (2') away from the tree trunks to avoid hitting the trees or branches. No string trimming is required around these planted trees on ROW and medians; DES will maintain these areas. Volunteer (i.e., not planted) trees along roadways shall be carefully string-trimmed around to reduce unsightly high vegetation. In such cases, avoid nicking trees or removing bark.
- Lots and Water Quality Lots/Greenways: The Contractor shall keep mowing operations two feet (2') away from landscaping and mulched and/or smaller trees. All Contractor employees must be trained in the proper methods of string trimming without hitting tree trunks and branches. The Contractor shall carefully string trim around larger (> 8" diameter), established trees in these areas to a height of 6-8" only to knock down high weeds/grass to maintain a clean appearance. (It is LFUCG's preference to leave some higher grass

around a tree rather than damage a tree.) String trimming should be done in a fashion that avoids nicking trees or removing bark. If there are trees that the Contractor is concerned about damaging, they should contact the Mowing Contracts Manager. String trim up to mulched areas or clearly defined planting beds or trees maintained by others.

- Facilities: The Contractor shall keep mowing operations two feet (2') away from landscaping and trees. The Contractor shall carefully string trim, only if needed, around trees or landscaping in these areas to a height of approximately 6" to address unsightly high grass/weeds. String trimming should be done in a fashion that avoids nicking trees or removing bark. If there are trees that the Contractor is concerned about damaging, they should contact the Mowing Contracts Manager. The Contractor shall carefully string trim around landscaping and trees, avoiding hitting them with the string.
- The Contractor shall not blow grass clippings onto planter beds, landscaping, or mulch rings.

B.3.15 In some locations, abutting property owners may mow parts of a bid package. In those locations, the Contractor may skip over these areas as long as they are being maintained meeting the quality of this scope. If a Contractor notices a location in a bid package (e.g., a stand-alone median) that is clearly being maintained by someone else, the Contractor is obligated to inform the Mowing Contracts Manager for consideration for removal from the contract mowing list.

B.3.16 The following activities are **not** included in this contract and will be handled by others:

- Weed pulling / maintenance of landscaping beds, trees, and mulched areas
- Use of herbicide

B.4 Litter and Debris Removal

B.4.1 This operation shall include the **removal of all** litter and/or debris from all designated mowing areas including landscaped areas, hardscapes, curbs and gutters, and storm drain inlets **prior to mowing**. **No litter, grass, leaves, or debris shall be placed, pushed, or blown into storm drains.** Failure to remove litter, etc. prior to mowing, failure to remove mowed over trash, or placing trash/grass in a storm drain is a violation of this contract and may result in removal from bid packages and/or cancelling of the contract.

B.4.2 The Contractor shall be responsible to remove and dispose of limbs smaller than six inches (6") in diameter. Contact the Mowing Contracts Manager to remove larger limbs. Contact the Mowing Contracts Manager to pick up litter/debris clearly resulting from dumping or larger items such as shopping carts or furniture.

- B.4.3 If the Contractor comes across any debris that appears to be illegal in nature (e.g., weapons, drugs), leave in place and immediately contact 911 and the Mowing Contracts Manager. If the Contractor comes across a chemical or other illicit spill, leave in place and immediately contact the Mowing Contracts Manager who will forward the request for investigation to the Division of Water Quality.
- B.4.4 Contractors shall ensure all staff working on this contract are fully trained in OSHA regulations and guidelines related to mobile meth labs, blood-borne pathogens, and proper procedures when encountering discarded needles or blood-soaked materials. All litter crew vehicles shall keep a Sharps Disposal Container marked as Biohazard. Needles or similar items shall be placed in Sharps Disposal Containers and properly disposed of as Biomedical/Biohazard waste following all local, state, and federal laws and regulations.

B.5 Specifications for KYTC Mowing

The city serves as a contract mower for the Kentucky Transportation Cabinet (KYTC). These areas are designated as "KYTC" in the tables. Specifications of the KYTC for mowing in these areas are listed below and apply to mowing in all KYTC areas. Failure to meet the following traffic control requirements of KYTC when mowing in their areas is equivalent to failure to meet the specifications of this contract, and may result in removal of the area and/or termination of the contract.

- Perform Right-of-Way Mowing and Trimming Operations in accordance to these Terms and Conditions for traffic control. Maintain traffic and furnish all traffic control devices and all materials that conform to these Terms and Conditions and the Manual on Uniform Traffic Control Devices (MUTCD), the Standard Drawings or Sepia Drawings, Current Editions, and the Standard Specifications for Road and Bridge Construction, Current Edition.
- A link to the Manual on Uniform Traffic Control Devices can be found at: <http://mutcd.fhwa.dot.gov>
- A link to the Standard Drawings can be found at: <http://transportation.ky.gov/Highway-Design/Pages/2012-Standard-Drawings.aspx>
- A link to the Standard Specifications can be found at: <http://transportation.ky.gov/Construction/Pages/Kentucky-Standard-Specifications.aspx>
- All temporary traffic control devices and retrofitted equipment required for execution of services for this project shall comply with MUTCD standards.
- Provide flags that are fluorescent red/orange in color, 24 inches by 24 inches in size, and that are made of a heavy-duty nylon reinforced coated vinyl material that has weighted edges (See Drawings).

- Provide warning signs that conform to Section 112.02.04 of the Standard Specifications.
- Furnish all traffic control devices in new or in like new condition at the beginning of the work and maintain the devices in like new condition until the completion of the work.
- Require employees to wear safety vests that conform to OSHA regulations on the job site at all times.
- Maintain the flow of traffic in all lanes at all times. The Department will not allow lane closures for the performance of right-of-way mowing on this contract project; however, mobile lane closures will be allowed for tramping mowing equipment across bridges. Perform mowing operations with the flow of traffic when operating within twenty feet of the edge of the pavement (edge-line of the driving lane).
- Do not perform mowing operations with a mowing unit attachment extending past the unit into a traffic lane or onto a paved shoulder. When moving mowing equipment (tramping) from one location to another within the project limits, operate the equipment with the flow of traffic on the shoulder or in the median. However, where the shoulder on a bridge is not full-width and any other method of passage across the bridge is impractical, mobile lane closures will be allowed for tramping the mowing equipment across the bridge. Use extreme caution when utilizing mobile lane closures to cross highway bridges.
- Perform all work only during daylight hours (one-half hour after dawn to one-half hour before dusk). Do not perform work when headlights would interfere with the normal flow of roadway traffic. Failure to comply with this requirement will result in an immediate suspension of all work operations. Operations will remain suspended until approval has been given by the Department for work operations to continue.
- Do not tram (move from one location to another) mowing equipment on the pavement or on the shoulder surface from one contract project to a second contract project on a fully controlled access highway facility (i.e., interstate or parkway route). Any occurrence of this action is in violation of state statute, and if observed, will result in an immediate suspension of the tramping operation. Operations will remain suspended until an alternative method of transporting the mowing equipment is secured and approval is given by the Department for the equipment to be moved by the alternative method.
- Provide warning signs that are 48 inches by 48 inches in size, diamond shaped with black Series "C" letters 8 inches in height on an orange background with a black border. Place warning signs with the message "Begin Mowing Zone" four of each and with the message "End Mowing Zone" four of each to designate a mowing work zone on a multi-lane median divided highway facility.
- Where the highway facility is not median divided place two each of "Begin Mowing Zone" signs and two each of "End Mowing Zone" signs to designate the mowing work zone.

- Establish a designated work zone(s) for mowing that is a maximum of two miles in length. Place the warning signs 750 feet prior to the beginning of the work zone and 750 feet beyond the end of the work zone.
- Establish additional two-mile work zones adjacent to the initial work zone to a maximum distance of eight (8) miles, provided work is being performed in each adjacent work zone. As an option, place a supplemental plate with the message NEXT. [2, 4, 6, or 8] MILES below the initial warning sign, or with a message to correspond with the length of the work zone that has been established.
- Place warning signs on a median divided highway facility in a dual manner, one on the outside shoulder and one in the median, or inside shoulder of the roadway at both the beginning and ending points of the designated work zone for both directions of travel.
- Where the roadway is not a median divided highway facility, place warning signs on the right and left shoulders of the roadway at both the beginning and ending points of the designated work zone for both directions of travel.
- Place warning signs on the entrance ramp of any interchange or roadway intersection that is located within a designated work zone and place the signs on the right shoulder of the ramp or side road 500 feet prior to the beginning of the merge area or intersection. Where the length of the entrance ramp is less than 500 feet, place the warning signs at the beginning of the ramp.
- Mount warning signs on multi-leg stands in a secure and visible manner such that the signs will be a minimum of eighteen inches (18") above the shoulder or roadway pavement.
- Where the paved shoulder area adjacent to a median barrier wall on a multi-lane median divided highway facility is not of sufficient width to place warning signs in a proper manner, place the warning signs atop the median barrier wall for both directions of travel. Achieve this placement by using a clamping device approved by the Department. Do not attach warning signs to other roadway appurtenances that exist on the project such as signposts, delineator posts, or guardrail end treatments.
- Use a full complement of warning signs at all times. Place the warning signs to designate a work zone on the job site at the beginning of each workday prior to the beginning of work operations. Move the warning signs and re-establish a work zone as work operations progress. Remove warning signs from the job site after work operations cease at the end of each workday.
- Place warning signs that are 24 inches by 48 inches with black Series "C" letters eight inches in height on an orange background with a black border on vehicles designated as work zone support vehicles. Provide the designated message "Watch for Sudden Stop" on the signs.

- Failure to place warning signs in a manner consistent with these Traffic Control Terms and Conditions will result in a suspension of work operations. Operations will remain suspended until signing consistent with the Traffic Control Terms and Conditions are achieved and approval is given by the Department for work operations to resume.
- Move Contractor Vehicles and Contractor Employee Vehicles with the flow of traffic at all times. Enter and leave work areas in a manner that will not be hazardous to or interfere with the normal flow of traffic. Do not park or stop vehicles except within designated work areas as approved by the Department. Prohibit vehicles from crossing the roadway. Limit all employee pedestrian movement on the roadway to the protected work zone areas. Park personal vehicles only in areas within the right-of-way as designated by the Department.
- Coordinate the work with other projects that may be in progress within or in the near vicinity of this project. The traffic control of those projects may affect this project and the traffic control of this project may affect those projects. Coordinate the work on this project with the work of the other contractors. The Department will determine the relative priority to give to work phasing on the various projects when there is a conflict.
- Designate a Traffic Control Coordinator in accordance to Section 112.03.12 of the Standards Specifications.

B.6 Invoicing, Inspection, and Tracking

- B.6.1 Payment Terms are Net 30 from date of invoice.
- B.6.2 Invoices must list the full Contractor name and address, LFUCG address and contact, locations serviced, date or date range of service, and reference the purchase order number. Because roads, water quality areas, and facilities are paid with different accounts, these should be listed out separately. The mow number(s) for the season shall be listed on the invoice for each line (e.g., Mow #1 city roads, Mow #1 KYTC, Mow #1 WQ, Mow #1 facilities). Invoices can be for a single cut, multiple cuts, or monthly.
- B.6.3 Invoices must be sent separately for each Purchase Order (if there are multiple purchase orders).
- B.6.4 Failure to meet the requirements of the scope specifications, including string trimming, edging, blowing off hardscapes, picking up litter, etc. will result in delay of payment until all work is completed to the satisfaction of LFUCG. Recurring issues with partially completed work will not be tolerated and will result in reduction of mowing area, removal from bid packages, and/or cancelling of the contract.

- B.6.5 Invoices shall be emailed to the Data Manager and Mowing Contracts Manager for review, inspection, and processing.

Please include invoice # and area in subject line of emails. Please follow the following naming convention for invoices and email attachments:

Company Name_Invoice#_Bid Pkg
Ex.: HR Mowing_1105_North 1

- B.6.6 Work sites will be inspected by LFUCG personnel prior to approval of invoices for processing.
- B.6.7 The Contractor shall create a mowing route for each bid package. The Contractor shall track mow dates on a spreadsheet that lists each location in the bid package and the date mowing occurred. This table shall be emailed to the Mowing Contracts Manager on a weekly basis.

B.7 Insurance - See Attached Risk Management Provisions

- B.7.1 The Contractor shall be required to submit a Certificate of Insurance coverage as required by the Risk Management Provisions.
- B.7.2 Submission Requirements:
The Contractor shall furnish before the contract is awarded a Certificate of Insurance to the Division of Central Purchasing. The Contractor shall also be required to submit updated insurance certificates quarterly to the Data Manager and Mowing Contracts Manager for compliance purposes. Valid Certificates of Insurance shall be maintained by the Contractor throughout the term of this Contract and any renewal thereof. Original copies of the insurance policy, with all endorsements, shall be provided upon request. Failure to comply with this Section shall constitute an event of default under this contract.

C. BID PACKAGE DETAIL INFORMATION

Bid Packages are organized by geographic location. See Figure 1 in Section D for an overview of the nine (9) areas. See the following detailed tables and the detailed maps on Ionwave for the location of each mowing area. Each individual location area is rounded to the nearest 0.1 acres.

BID PACKAGE: MAN O WAR

ID	Type	# of Medians	Street Name	Location	Mowing Acres
1	Medians	40	Man O War Blvd	From Terminal Dr to just past Helmsdale Dr in Hamburg Area - <u>includes concrete tips</u>	17.4
2	ROW		Man O War Blvd	From Terminal Dr to just past Helmsdale Dr in Hamburg Area	64.3
3	Concrete Medians	1	Man O War Blvd	Concrete median from Harrodsburg Rd to Gladman Way	0.1
4	Concrete Medians	1	Man O War Blvd	Concrete median from Armstrong Mill Rd to Bold Bidder Dr	0.1
5	Concrete Medians	1	Man O War Blvd	Concrete median from Buckhorn Dr to Jocasta Dr	0.1
BID PACKAGE MAN O WAR TOTAL ACREAGE:					82.0

Notes:

- a) This package does NOT include mowing around the beautification areas along Man O' War around the airport (see map for details). This area is mowed by LFUCG.
- b) ROW lines are demarcated by wire fence or plank fence along most of the corridor length.
- c) Medians INCLUDE concrete tips and concrete medians within the corridor.

BID PACKAGE: NEW CIRCLE (KYTC)

ID	Type	# of Medians	Street Name	Location	Mowing Acres
1	KYTC Medians	14	New Circle Rd	All raised grass medians from Richmond Rd counterclockwise to south of Leestown Rd	5.8
2	KYTC Triangle Medians		New Circle Rd	Grass on ramps, off ramps, and interior areas of the NCR and Winchester Rd interchange (not including the horticultural beds maintained by others)	3.7
BID PACKAGE NEW CIRCLE TOTAL ACREAGE:					9.5

Notes:

- a) This package is for KYTC areas on New Circle Rd that are RAISED medians only.
- b) New Circle Medians DO INCLUDE concrete tips attached to grass medians.
- c) Medians DO NOT INCLUDE concrete medians not attached to grass medians.
- d) This package includes the interior grass areas within the Winchester/New Circle interchange. The horticultural installation is maintained by others. Grass clippings shall NOT be blown into the horticultural areas.

BID PACKAGE: CITATION - IRON WORKS (KYTC)

ID	Type	# of Medians	Street Name	Location	Mowing Acres
1	KYTC Medians	15	Citation Blvd	Leestown Rd to Newtown Pike	11.4
2	KYTC ROW		Citation Blvd	Leestown Rd to Newtown Pike, both sides	60.6
3	KYTC Medians	11	Iron Works Pike	Georgetown Rd to east of Research Park Dr	2.6
4	KYTC ROW		Iron Works Pike	Georgetown Rd to Kentucky Horse Park	5.6
BID PACKAGE CITATION - IRON WORKS TOTAL ACREAGE:					80.2

Notes:

- a) Some areas along Citation Blvd are maintained by abutting property owners but it can vary year to year, therefore all of the ROW is included in the mowing acres above. ROW lines are demarcated by wire fence or plank fence along most of the corridor length.

D. MOWING MAPS

Figure 1 is the overall Zone Map. Detailed maps are available for download on IonWave. It is highly recommended potential bidders review these maps and visit mowing locations on the bid packages they intend to bid.

Figure 1 – ZONE MAP

E. SELECTION OF CONTRACTORS

The selection of the mowing contractors in this 2023 mowing proposal shall be based on four criteria. Each contractor shall be evaluated for each of the nine (9) bid packages. Equipment and staffing resources shall be considered when determining the number of bid packages that contractors are awarded.

1. Cost of services	50 points
2. References and past work experience with LFUCG	25 points
3. Qualifications and staffing	12.5 points
4. Equipment	<u>12.5 points</u>
Total:	100 points

Interested contractors must submit all four submittal forms in order to bid on this work. Failure to submit all requested information may result in rejection of your bid.

E.1 Cost of services

Using the attached form, submit one price per acre bid for a single mow for each bid package per the requirements of this proposal. This price shall include all work required by the specifications. Contractors can choose to bid on one, some, or all bid packages. (Note: Separate bid prices are not being requested for roads, water quality lots, or facilities for this contract. One price will be used regardless of the type of parcel.) **SUBMIT ALL BIDS ROUNDED TO THE NEAREST DOLLAR. BIDS THAT HAVE NOT BEEN ROUNDED TO THE NEAREST DOLLAR WILL BE TRUNCATED.**

E.2 References and past work experience with LFUCG

Using the attached form, provide at least five and up to ten references from past and present customer contracts. Provide the customer / contact name, phone number, and date range of contract. If an interested contractor has provided turf mowing services for LFUCG in the past, contracts with each division will be counted as separate references.

E.3 Qualifications and staffing

Using the attached form, list all key staff members detailing their years of experience in the landscape/turf industry, including any college degrees in turf management, horticulture, or related field. Include average number of seasonal/part-time employees that your company hires on an annual basis. List a main contact for the contract and identify employee to serve as Traffic Control Coordinator.

E.4 Equipment

Using the attached form, identify mower and string trimmer equipment that will be used to perform mowing operations. Provide the manufacturer, make, and model for each mower, including the unit acres per hour capacity. Provide the number of string trimmers, including make and model. List all traffic control signage and equipment.

F.3 QUALIFICATIONS AND STAFFING SUBMITTAL FORM

ENVIRONMENTAL SERVICES TURF MOWING BID

CONTRACTOR NAME: Brownfields Development, LLC

Attach a list of all key staff members detailing their years of experience in the landscape/turf industry. Include any college degrees in turf management, horticulture, or related field.

List the average number of seasonal/part-time employees that your company hires on an annual basis.

Designate the name and contact information for the main contract contact AND the day-to-day manager. They can be the same person.

List the Traffic Control Coordinator for the project.

ATTACH THIS SHEET TO THE FRONT OF YOUR LIST

YOUR LISTS CAN BE TYPED OR HANDWRITTEN, BUT MUST BE LEGIBLE

F.3 Qualifications and Staffing

We understand the importance of keeping any project on schedule and as such, we have evaluated our staff's current availability. The most experienced staff is only effective if it is available. We know that successful project delivery is the key ingredient to maintaining our solid reputation and we don't sacrifice our ability to provide high quality services by taking on too much work. Quality is the priority and we carefully control our volume of work to maintain that priority and meet the schedule commitments of the projects we undertake. Our Team utilizes a detailed forecasting system to manage the staffing of our projects and we have utilized this system to evaluate the availability of key staff for this project. During execution of project work, weekly staff meetings are held in which work is scheduled in advance on a master schedule. This ensures that appropriate staff are available to meet client needs and project schedules.

Our Team's past performance record demonstrates that we can successfully complete multiple task orders simultaneously. On a routine basis with our current and our previous contracts, it is not unusual for us to manage multiple simultaneous task orders with similar performance schedules. We achieved this high level of performance with dedicated project managers and project teams committed to each task order allowing us to handle all task orders efficiently and effectively.

The management approach presented in this section is structured to consistently provide quality service that will achieve three major objectives:

- Complete assigned work tasks in a workman-like manner.
- Meet all interim project milestones and the overall schedule.
- Finish the project tasks on or under budget.

The first step in successful project management is the right organization, and the central figure in any project organization is the Project Manager. For this project we are fortunate to offer one of our most experienced managers, Richard Bascom, to fill this role. Richard is very experienced in working with various city, state and Federal agencies. Richard will also be the designated Field Superintendent for tasks assigned under this contract.

Project Manager/Field Superintendent – Richard Bascom. Richard possesses over 30 years of experience managing and implementing large-scale construction and maintenance projects. Richard is available 7 days a week and will serve as the single point-of-contact (POC), as well as the "day-to-day" manager, for this contract. His contact information is listed below.

Point-of-Contact Information	
Name	Richard Bascom
Office Phone	502-409-7733
Cell Phone	502-974-2240
Email	rbascom@brownfieldsenv.com

In addition to the Field Superintendent, we anticipate using multiple laborers and equipment operators to complete the work tasks associated with the various mowing packages. A summary of our proposed Field Superintendent and Supervisors is provided below. We have access to a full-service staff of laborers, operators and support personnel. Additional resources will be provided from other locations as needed.

Brownfields typically employs up to ten seasonal or part time employees during the mowing season. The seasonal or part time employees are trained in the proper and safe use of power equipment including zero turn mowers, tractors with bush hog attachments, string trimmers, chain saws, edgers, etc. In addition, all workers are trained in the proper use and implementation of traffic control safety measures.

ADDENDUM #1

Bid Number: **#2-2023**

Date: January 4, 2023

Subject: **Mowing for Environmental Services**

Address inquiries to:
Kristie Thomas
(859) 258-3320

TO ALL PROSPECTIVE SUBMITTERS:

Please be advised of the following clarifications to the above referenced Bid:

1. The price submitted per mowing package must rounded to the nearest dollar and per acre for a single mow. (Ex. A price of \$47 would be submitted for a mowing package with 10 acres where a single mow cost of service is \$470.)
2. Ionwave Online Q&A:
 - a. Q: Where can we get a copy of previous bid tabs for this Bid?
A: Prior bid tabulation results attached.

Todd Slatin, Director
Division of Central Purchasing

All other terms and conditions of the Bid and specifications are unchanged.
This letter should be signed, attached to and become a part of your Bid.
