LeAnn,

Approval granted from program income, \$1,920 to enter a Memorandum of Understanding (MOU) with the Kentucky Workforce Development Cabinet for access to a database providing LPD-Street Sales with wage information. It is important to drug investigations because it helps LPD-Street Sales determine legitimate sources of income from illegal gains. The cost is \$160 per month.

I would like to request permission to spend 1920.00 from program income. We would be entering a MOU with the kentucky workforce development cabinet for access to a database that would provide us with wage information. It is important to drug investigations because it helps us determine legitimate sources of income from illegal gains. The cost is \$160 per month.
