Re: Requesting authorization to execute an agreement awarding a Class B (Infrastructure) Stormwater Quality Projects Incentive Grant to The Fountains at Andover Brookfield, LLC, at a total cost not to exceed \$203,944.00.

The grant application of The Fountains at Andover Brookfield, LLC. was reviewed and recommended by the Water Quality Fees Board at its October 11, 2012 meeting. Funding is provided by revenue from the Water Quality Management Fee and is fully budgeted and available in the Fund 4051 303204 3373 78112. This grant requires a minimum 10% cost share on design phase costs by the grant recipient. The Grant Award Agreements require the Mayor's signature.

Grant Project Description

Project Site Location: 3200 Todds Road

Grantee shall design and construct three stormwater control facilities to improve water quality and reduce runoff leaving the site. Facilities include addition of a water quality unit to capture trash and debris in line with a 72" storm sewer that receives offsite runoff from approximately 61 acres upstream of the site, retrofit of 10,000 square feet of existing parking lots with pervious pavements, and addition of aeration units in one or two on-site retention ponds to increase dissolved oxygen and limit algae blooms.

Questions regarding this agreement should be directed to Chris Dent at 859-425-2521.
