RE: Donation - McCreary County Sheriff's Office – Police Cruisers (2)

Please find attached documentation requesting approval for the Lexington Police Department to donate two (2) police cruisers to the McCreary County Sheriff's Office for law enforcement use only. Both of the police cruisers are scheduled to be removed from the fleet this year (Vehicle Acton Sheet is attached). Our intention is to remove the radios, but leave the lighting package; neither vehicle is equipped with a cage. Upon approval of donation, the cruisers will be transferred to the McCreary County Sheriff's Office.

There will be no budgetary impact. If you have any questions or require additional information, please contact my office.
