SUBJECT: Abolish/Create position – Division of Facilities and Fleet Management

The attached action amends Section 21-5 and 22-5 of the Code of Ordinances, abolishing two (2) positions of Equipment Operator Sr., (Grade 109N) in the Division of Waste Management and creating three (3) positions of Heavy Equipment Technician, (Grade 113N), one (1) unclassified position of Service Writer (Grade 109N), and one (1) unclassified position of Fleet Parts Specialist all in the Division of Facilities and Fleet Management, effective upon passage by Council.

These positions are being created in the Division of Facilities and Fleet Management specifically to improve the response time to repair requests and enhance the level and quality of maintenance performed on the Division of Waste Management's refuse collection vehicles and equipment. The Divisions request for the unclassified positions to have a termination date of 48 months.

The fiscal impact for FY2014 (1 pay period) will be a cost of \$5,652.12 and will be funded from the Divisions professional account. All costs include benefits.
