

**GRANT AWARD AGREEMENT**

***Fiscal Year 2018 Class A Incentive Grant Program***

THIS AGREEMENT, made and entered into on the 8 day of March, 2018, by and between the **LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT**, an urban county government of the Commonwealth of Kentucky, pursuant to KRS Chapter 67A (hereinafter "Government"), on behalf of its Division of Water Quality, and **WGPL NEIGHBORHOOD ASSOCIATION, INC.**, 143 GOODRICH AVENUE, Lexington, KY 40503, (hereinafter "Grantee").

**WITNESSETH:**

**WHEREAS**, the Government has funds available through the Stormwater Quality Projects Incentive Grant Program to assist qualified applicants in the implementation of projects that meet the goals of the program; and

**WHEREAS**, the Grantee represents directly or indirectly a group of single-family residences in Fayette County who are fee-payers of the Government's Water Quality Management Fee; and

**WHEREAS**, the Grantee has proposed a need for the funds requested to develop and implement a proposed project by submitting a valid grant application; and

**WHEREAS**, the Grantee desires to implement a specific project that meets one or more Incentive Grant program goals to improve water quality, reduce stormwater runoff, and provide public or private education related to stormwater quality for the benefit of its members, community, and the general public; and

**WHEREAS**, the Grantee's grant application has been reviewed and selected for funding by the Government's Water Quality Fees Board in accordance with Sections 16-408 and 16-410 of the Government's Code of Ordinances;

**THAT FOR AND IN CONSIDERATION OF THE MUTUAL PROMISES AND COVENANTS HEREIN EXPRESSED, GOVERNMENT AND GRANTEE AGREE AS FOLLOWS:**

- (1) The Government hereby grants the Grantee the sum of **\$11,575.00** (hereinafter "the Grant"), for use in implementing the project elements as listed in Attachment A which is incorporated herein by reference as if fully set out herein.
- (2) The Grantee agrees to match the Grant with contributions, labor and other services equal to or greater than 20% of the total project cost.
- (3) The Grantee agrees to use the Grant only for the activities set forth in Attachment A.
- (4) The Grantee agrees to perform periodic reporting as detailed in Paragraph 5 herein below, and provide to the Government a Project Final Report, in digital and hard copy, within thirty (30) calendar days of the completion of the project elements following a standardized format to be provided by the Government summarizing all work completed and detailing the total grant expenditures.

ments or stipulations of this Agreement, the Government shall provide the Grantee thirty (30) calendar days to address the deficiency or violation. If the Grantee does not, after the thirty (30) days, come into compliance with this Agreement, the Government shall thereupon have the right to terminate this Agreement by giving written notice to the Grantee of such termination and specifying the effective date thereof, at least five (5) calendar days before the effective date of such termination. In that event, all finished or unfinished documents, receipts and reports prepared by the Grantee shall, at the option of the Government, become its property and the Grantee shall immediately repay to the Government all monies received pursuant to this Agreement less any amount representing just and equitable compensation for the Government's share of any satisfactory work completed pursuant to the Agreement.

- (26) The Grantee's sole remedy for a breach of this Agreement by the Government shall be limited to the amount of the Grant.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement at Lexington, Fayette County, Kentucky, this the day and year first above written.

(Wabash Drive, Goodrich Drive, Pensacola Drive and Lackawanna Drive)

**Property Owners:** To Be Determined (TBD)

**Project Participants:** WGPL Neighborhood Association Members (Residents)  
Trees Lexington!

**Contractor:** To Be Determined

**PROJECT PLAN ELEMENTS**

All improvements shall be located on private properties in the WGPL Neighborhood (exact parcels are "To Be Determined". No other property or Right-of-Way shall be disturbed without the written permission from the property owners and/or LFUCG.

The goal of this project is to mitigate the effects of stormwater while improving water quality and increasing the tree canopy in the WGPL Neighborhood. The project elements include a Tree Planting and Maintenance Training Event for homeowners, Tree Planting Day event, stormwater education, and signage.

**1) ELEMENTS:**

- A. Tree Planting and Maintenance Training Event – Organization to provide a detailed tree planting training to educate residents about proper tree placement, planting and maintenance. This training will also focus on stormwater and water quality elements to educate residents about the focus of the project and its long-term benefits. The anticipated number of participants reached through informational meetings and the training is estimated to be about 60 residents.

- B. Tree Planting Event – Organization will also host an official Tree Planting Event. Approximately twenty-five (25) of the participants/residents who attend the above mentioned Tree Planting and Maintenance Training Event should participate in planting a tree on their property, and an additional 10-12 neighborhood volunteers will plant 5 trees on the the LFUCG Greenway lots near where Goodrich and Pensacola intersect.
- C. Stormwater Education – The target audience for citizen education is the WGPL neighborhood residents. The project seeks to educate WGPL residents on the long-term, widespread and sustainable benefits of tree planting. It will inform residents that the environmental benefits of tree planting will increase over time as the trees mature, allowing for better stormwater control, improved water quality, a decreased heat island effect, improved air quality, enhanced wildlife habitat, and increased health benefits for residents. Additionally, this project provides a unique way to engage with citizens and educate them about ways they can improve the environment around them.
- D. Educational Signage – Residents who plant trees on their property through this grant will receive an educational yard sign denoting the project, its benefits, and funding source.

### **REPORTING REQUIREMENTS**

In addition to the reporting requirements outlined in the Grant Award Agreement, the following special items are noted for this project:

- The Organization shall provide written authorizations for private property access (including LFUCG Division of Parks or Division of Environmental Services) to the LFUCG Grant Manager prior to work on any area for which they are required. Work associated with this project shall not begin until Grantee and the LFUCG Division who maintains the lots provide agreement regarding any work and future maintenance responsibilities in writing. This shall be provided to the LFUCG Grant Manager prior to proceeding with construction.
- All attachments to Request for Funds & Project Status Reports shall reference the associated line Table 2. Eligible Expenses

### **EDUCATIONAL OPPORTUNITIES**

The educational components of this grant are incorporated in all of its “Project Plan Elements”.

### **EQUIPMENT**

Any equipment purchased with the Grant shall remain the property of the Organization.

### **PERMANENT FACILITIES/INFRASTRUCTURE**

**Permanent Capital Infrastructure:** This grant does not include “Permanent Capital Infrastructure” as defined in the Grant Award Agreement. Attachment B is not required for this Agreement.

**Monitoring:** The Organization agrees to allow LFUCG staff access to the project site to monitor the installed features for compliance with this agreement. Water quality sampling via grab samples or other methods may be employed by LFUCG staff as part of LFUCG’s annual reporting requirement of its Kentucky Pollutant Discharge Elimination System (KPDES) MS4 Phase 1 permit.

### **CONSTRUCTION ACCESS**

If work is to be performed on private property, the Organization is responsible to obtain written authorization from the affected property owner(s) allowing such access. No permanent feature (including plantings), shall be placed upon private property without prior signed authorization from the owner.

### **ADDITIONAL GRANT STIPULATIONS**

Design, construction, and plant installation shall meet the following requirements:

- Tree plantings shall be coordinated with existing utilities prior to plantings, and if possible, trees shall not be planted within 10' of an existing utility. Encroachment agreements shall be obtained when working within any private utility areas.
- Applicant shall obtain written approval/agreement prior to work being done on properties not owned by the applicant.
- All projects shall not proceed with field work until written approval to proceed is obtained from the Grant Administrator or Director or Water Quality, because of the potential for conflict with potential future LFUCG Capital Projects.
- Grant applicant shall verify the need and ensure all permits are received (i.e. FEMA, Army Corp, DOW, etc.) prior to any planting activities.
- Organization proposed a larger cost share beyond that required by the grant program. Budget shall reflect the 25.6% cost share offered in the application (Approximately \$3,697.75).
- Tree removal and planting activities shall be reviewed and approved by Division of Environmental Services Urban Forester and/or Arborist prior to any tree removal or planting activities. A maintenance plan for tree plantings shall be provided for approval to the Grant Manager prior to plantings.

**GRANT PERIOD & PROJECT SCHEDULE**

The grant period starts on the date of execution of the Grant Award Agreement by the Mayor and extends for the time period as listed in the Grant Award Agreement. Any time extensions must be approved in writing by the LFUCG Incentive Grant Manager. The project schedule shown in Table 1 is preliminary. Proposed changes to the project which alter this schedule significantly shall be discussed with the LFUCG Grant Manager prior to implementation.
