SUBJECT: MOU between the Division of Fire and Emergency Services and the Kentucky Board of Emergency Medical Services

---

The Division of Fire and Emergency Services requests authorization to enter into an agreement with the Kentucky Board of Emergency Medical Services.

Why are you requesting? We are requesting so that we will be able to continue the Community Para Medicine Program (CPMP). The Kentucky Board of Emergency Medical Services requires renewal of this agreement every year as it is a pilot project. This pilot project allows paramedics to provide non-emergency services and visits not normally permitted or addressed by Kentucky Revised Statute. This provides paramedics assigned to the CPMP with certification and operational assurances.
