EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. - Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states: *The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.*
- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states: The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

During the installation of loops, or at the convenience of Traffic Engineering staff, the technician shall meter the loops by test instruments capable of measuring electrical values of installed loop wires and lead-ins to measure inductance in microhenries, leakage resistance in megohms and the resistance of the conductors in ohms. Traffic Engineering reserves the right to make spot inspections during all phases of the loop installations.

An unacceptable loop installation shall be defined as follows:

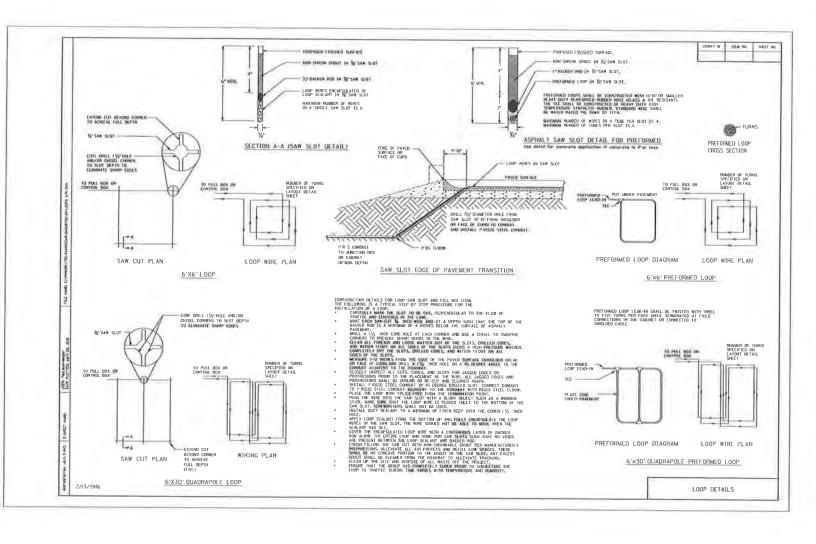

Leakage to ground: Deflection of the pointer to below 5 megohms. Loop Resistance: The resistance reading is 10% more than calculated. Installation in accordance with Installation Diagram and Bid Specifications

Technical assistance shall be provided by an Urban County Government technician if requested by the contractor at no charge to the contractor provided it does not become a repetitive request for the same problems.

<u>Davis H. Elliot Construction Company, Inc.</u> <u>Diversity and Inclusion Plan</u>

Mission Statement

To create an environment that promotes meaningful business opportunities, showcase viable M/W/DBE firm capabilities, build productive partnerships and exercise effective program management, targeted towards successful integration of M/W/DBE firms within the business structure of the Markets where we work.

The vast majority of Elliot's work is self-performed. Our diversity plan includes looking at every "non-labor" component of our cost structure to employ the use of diverse suppliers which will add value without unnecessary cost burden that would increase our cost of service to the Customer. Attached is a current listing of 2nd Tier Diverse Suppliers which Elliot utilizes. Elliot actively seeks opportunities to support disadvantaged and diverse subcontractors. We advertise, recruit, and otherwise encourage participation when project scope and constraints make subcontracting possible. Elliot maintains a list of suppliers, labor and equipment subcontractors, and specialized service providers in order to maximize our diversity participation.

Disabled, Minority and Women Business Enterprises

The Davis H. Elliot Company strives to maintain an environment that values a diverse supplier base. We believe that by taking the initiative in seeking qualified suppliers, creating, and increasing alliances with and purchasing from M/W/DBEs, and including our customers and consumers in our purchasing strategy, will help build thriving local communities and generate long-term growth, as well as a competitive advantage for us. We do this by offering the greatest possible opportunities for minority and women-owned businesses to contribute as suppliers, contractors, and sub-contractors in our business.
