Re: Amendment to Agreement with Granicus, Inc.

---

The Mayor's office requests Council authorization of an Amendment to Agreement with Granicus, Inc. to be implemented in July, 2017.

This amendment will authorize the addition of a Boards and Commissions application to the current Granicus platform, allowing better access and transparency for both internal and external inquiries about vacancies, membership requirements, general information, meeting notes, and the application/appointment processes.

The cost of our monthly managed services will increase from \$4,343.92 to \$5,343.92. There is an additional one-time cost of \$450.00 for services to transfer the data from our current database. Funds are budgeted by the Mayor's office pending approval by Council of the FY 2017 Proposed Budget.

If you have any questions or comments, please contact me at 859-258-3155. Thank you for your consideration in this matter.
