Re: Lexington-Fayette RiskMaster eXpress Access Agreement

Request for council approval and mayor signature on a contract with RiskMaster vendor CSC to migrate our current onsite RiskMaster software to SaaS (Software as a Service) with CSC hosting. RiskMaster software currently utilized by Law, Risk Management, Claims and the LFUCG TPA for insurance claims adjudication.

The annual impact is \$34, 875 with a one-time fee of \$8,250 for set up/configuration/project management and training.
