The Agreement for CMOM Implementation Services with Hazen and Sawyer, P.S.C., approved in December 2011, Resolution #555-2011, provided for two annual renewals. The Division of Water Quality is recommending the second of the two renewal options for approval.

The renewal option with Hazen and Sawyer, P.S.C. is for continued services associated with implementation of Lexington-Fayette Urban County Government's Consent Decree related to the CMOM program. The specific scope of services associated with these deliverables will be allocated via a series of written task orders. Lump sum fees will be assigned to each approved task order pursuant to the Agreement.

Deliverables associated with this renewal include operational implementation of the:

- CMOM Self-Assessment
- Sewer Overflow Response Plan (SORP)
- Fats, Oils, and Grease (FOG) Control Program
- Pump Station Operation Plan for Power Outages (PSOPPO)
- Gravity Line Preventative Maintenance Plan (GLPMP)

In FY 2014, \$345,000.00 has been budgeted in account 4003 303401 3425 71205 CMOMPRMGR_2014 CONSENT_DE for CMOM task orders. The budget is an amount not to exceed, and funds will only be encumbered for task orders on an as needed basis.
