

MAYOR LINDA GORTON

**LEXINGTON**

CHARLES H. MARTIN, P.E.  
DIRECTOR  
WATER QUALITY

To: Mayor Linda Gorton  
Lexington Fayette Urban County Council

From:   
Charles H. Martin, P.E., Director  
Division of Water Quality

Date: December 9, 2020

Subject: Evoqua Emergency Vapor Scrubber Service for West Hickman WWTP & Town Branch WWTP

---

Request

The Division of Water Quality is requesting authorization to purchase services from Evoqua Water Technologies, LLC, a sole source provider, to acid wash the Emergency Vapor Scrubber System (EVSS) at West Hickman Wastewater Treatment Plant and Town Branch Wastewater Treatment Plant, at a cost estimated not to exceed \$80,673.12.

Purpose of Request

This request includes caustic disposal and cleaning services for the chlorine scrubber systems at both wastewater treatment plants. Included in this scope is a limited amount of valve / fitting repair and replacement.

Replace and Repair Cost in FY21

The estimated quote provided by Evoqua Water Technologies, LLC for parts and labor is \$80,673.12 (\$56,318.62 at West Hickman and \$24,354.50 at Town Branch).

Are Funds Budgeted
