**STEP 1**

TO: Mayor

FROM: Public Safety/Emergency Management  
(requesting Department/Division)

DATE: 12/08/2020

I recommend the immediate purchase of \_\_\_\_\_ of Contractual Services for  
(quantity) (description)  
3 employees from Management Registry  
(vendor)

for the total price of \$30,000.00 without competitive bidding on

the ground that an emergency exists (as provided in KRS 424.260) and the purchase must be

made not later than December 18 2020 because of the following circumstances,  
(date)

(describe the emergency in detail, attach separate sheet if necessary), and after consulting with

the Director of Purchasing it was decided that the normal procurement process would result in a

delay in the LFUCG obtaining relief from this situation such that I have also determined further

damage or harm to the LFUCG or the general public is likely to occur:

An RFP was issued for a new contract. The bids have been received and a contractor selected. The contract is being reviewed by the Division and Law. The new contract will be on the council docket for Jan 12 2021. This amount will allow continuation of the employees until Feb 8<sup>th</sup> 2021.
