EQUAL OPPORTUNITY AGREEMENT

The Law

Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.

Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.

Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.

Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

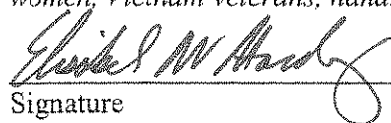

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

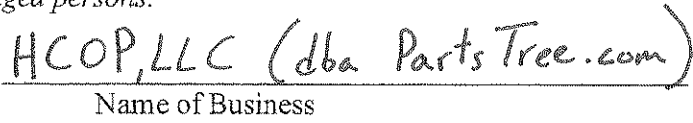

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Exceptions to Bid Specification for Bid #87-2012

3.1 Pricing – “Discounts to the Lexington Fayette Urban County Government, shall be based on manufacturers published list pricing. Pricing may...”

- **There is not a nationwide standard available for “manufacturers published list pricing” for retail sales, as most manufacturers do not sell directly to customers and prices vary based on several factors. Furthermore, as there are millions of parts associated with outdoor power equipment and engines, it would be impractical for manufacturers to publish and maintain a comprehensive and updated published list. As such, the discounts quoted in our bid response are relative to our online catalog at www.PartsTree.com which is up-to-date and available at all times. Our prices predominantly reflect the manufacturers’ implied retail list pricing.**
- **An online account can be setup on www.PartsTree.com to allow Lexington Fayette Urban County Government representatives to be able to login and lookup part prices reflective of the discounts offered herein.**
- **Shipping & Handling charges apply on a per order basis and are not subject to any additional discounts. Our S&H charges are described below:**

PartsTree.com partners with several major carriers for each shipping delivery option, including the United States Postal Service (USPS), United Parcel Service (UPS) and Federal Express (FedEx). We offer several shipping service level options from inexpensive ground service to expedited "Air" service levels for most physical addresses. Please note that holidays observed by PartsTree.com and/or carriers are not considered business days for the purposes of estimating shipping transit times. The shipping and handling costs vary based upon the service level requested, your location and possibly the billable weight of your order. Shipping and handling charges for a specific order can be obtained by calling PartsTree.com Customer Service at 877-798-7278. Current Ground service shipping rates are listed below...

USPS Ground	\$7.95 *	3-5 Business Days
UPS or FedEx Ground	\$8.95 *	3-5 Business Days

* Additional shipping charges apply for packages with billable weight greater than 20 lbs for Ground, and 20 lbs for Air shipments. Billable weight is the larger of the actual package weight or the package cubic volume in inches divided by 194. If additional shipping charges apply, we will charge listed rates for the service level, taking into account the destination distance, weight and dimensions of the package. Size limits apply. For freight shipments, please call PartsTree.com Customer Service at 877-798-7278 for a quotation.
