

MOTION TO WALK-ON

I move to place on the docket for the July 1, 2026, Council Meeting an Ordinance amending certain of the Budgets to account for Rolled Purchase Orders from FY 2026 to FY 2027, and appropriating and re-appropriating funds, FY 2027 Schedule No. 2. As is our practice, the Division of Procurement has reviewed open FY 2026 Purchase Orders for items specifically approved by Council, containing Claims (Insurance) accounts, or are for ongoing construction or professional services projects, and moved those items forward into FY 2027. The budget to cover these purchase orders must be moved to cover these items and will be identified in the FY 2026 fund balance for this purpose.
