**SUBJECT:** Automatic Reclassification – Division of Traffic Engineering

The attached action amends Section 21-5 of the Code of Ordinances, abolishing one (1) position of Associate Traffic Engineer, (Grade 115E) and creating one (1) position of Traffic Engineer (Grade 117E) (& reclassifying the incumbent) in the Division of Traffic Engineering, effective June 2, 2014.

It is the policy of the Urban County Government to reclassify Associate Traffic Engineers to Traffic Engineers once an employee has obtained his/her Professional Engineer exam from the Commonwealth of Kentucky. This individual has recently obtained certification as a Professional Engineer; therefore, he will be reclassified from an Associate Traffic Engineer to a Traffic Engineer.

Funding for this position is included in the FY2015 budget.
