Laws and Regulations

All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and to promote equal employment through a positive, continuing program from itself and each of its subcontracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;

(2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;

(3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and

(4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

REQUEST FOR PROPOSALS

Consultant to Develop Five-Year Strategic Plan to Reduce and End Homelessness in Fayette County

Purpose

The LFUCG is accepting proposals from qualified organizations/businesses/individuals for one-time Innovative and Sustainable Solutions to Ending Homelessness Fund funding. This request for proposals is specifically to solicit proposals to develop the Continuum of Care's 5-year plan to end and reduce homelessness in Fayette County. By responding to this RFP proposers agree to collaborate fully with LFUCG and/or its designee to perform the proposed tasks.

1.0 GENERAL INFORMATION

1.1 Background

The Lexington-Fayette Urban County Government (LFUCG), a merged city-county government and entitlement community, is seeking a consultant to develop a Five-Year Strategic Plan to reduce and end homelessness and associated documents for the community for fiscal years 2021 – 2025. The LFUCG Office of Homelessness Prevention and Intervention requests proposals from qualified firms and/or individuals with experience developing strategic plan for ending homelessness – or similar planning documents – in compliance with all associated federal laws and regulatory requirements.

The LFUCG released the “for the Greater Good” report of the Mayor’s Commission on Homelessness in January 2013. Several recommendations included in that report have been implemented including the establishment of the Office of Homelessness Prevention and Intervention and the Homelessness Prevention and Intervention Board, which is also designated as the Continuum of Care Board.

The LFUCG Code of Ordinances 102-2014 Section 2-490(5)(7) requires the Homelessness Prevention and Intervention Board in conjunction with the Office of Affordable Housing and other divisions within the Urban County Government to re-assess community needs at least once every (5) five years. This plan serves as a comprehensive planning document for the Homelessness Prevention and Intervention Board as well as the Continuum of Care. This plan drives program funding decisions for the \$750,000 annual local investment and the estimated \$1.7 million annual federal investment.

LEXINGTON

Homelessness Prevention & Intervention

The Consolidated Plan is designed to be a collaborative process whereby a community establishes a unified vision for the homeless service delivery system and affordable housing actions. The Strategic Plan must identify housing and homeless system needs, set priorities, and describe how HUD funding and other resources should be used for activities designed to meet those needs. The Strategic Plan also creates opportunities for comprehensive strategic planning and citizen participation.

1.2 Context

Lexington-Fayette County is located in Central Kentucky in the heart of the Commonwealth and home to the thoroughbred racing industry; a major research institution in the University of Kentucky; major retail and medical centers serving Central and Eastern Kentucky; and a growing craft bourbon and beer industry, among others. The merged city-county population is approximately 325,000 with nearly 18 percent of those residents having income below the Federal Poverty Level. The Lexington-Fayette Urban County Government is led by a full-time Mayor and 15-member, non-partisan Urban County Council with an appointed Chief Administrative Officer who manages daily functions.

Annually, Fayette County serves over 5,500 individuals, including children, in the homeless system with an estimated 785 individuals, including children, experiencing homelessness on any given night. The community is still experiencing an affordable housing crisis that originally led to the creation of an Office of Homelessness to lead the Continuum of Care and an Affordable Housing Manager to direct a local Affordable Housing Trust Fund. Since the creation of these two offices and under the recommendations of the first report, the community has seen a decrease of homelessness on any given night by 48 percent and the effective end to veteran homelessness.

The Homelessness Prevention and Intervention Board consists of 13 members, all of which are appointed by the Mayor and confirmed by the LFUCG Council. Members include at least one (1) formerly homeless or homeless individual, two (2) LFUCG Council members, and the remaining members are representatives from relevant organizations and projects serving homeless subpopulations. The Continuum of Care membership has an active core of 24 organizations with over 100 additional organizations being members but not active.
