MONICA CONRAD  
DIRECTOR  
PARKS & RECREATION

Adrienne,

We received the enclosed check from the Friends of TR group in the amount of \$297.54. They are reorganizing the Friends of TR group and in the process of closing out their bank account they decided to donate the remaining funds to our programs.

We would like to have these funds used for the purchase of new uniforms for our Miracle League Teams. It should be deposited to the following Chart String: 1103-707605-7572-75601-729

Please let me know what additional information you will need from me to process this donation.

Thank you.
