RE: Homeland Security Grant Award – LFUCG / Cyber Security Enhancement 20-165

Dear Mayor Gorton:

On behalf of Governor Andy Beshear, the Kentucky Office of Homeland Security would like to take this opportunity to congratulate you on your successful grant application submitted for the FFY-2020 Homeland Security Grant Program. The project referenced below has been awarded \$178,120

Approved Scope of Work: Provide funding for election security for use in 120 county clerk offices in Kentucky as requested in application 20-165 submitted by LFUCG.

**DO NOT SPEND ANY FUNDS UNTIL WE CONTACT YOU FOR A GRANT MEETING. FEMA has placed a funding hold on national priority areas. Therefore, KOHS will not be holding a meeting until 2021.**

You, along with the other individuals listed on the application as project staff, will receive an email in 2021 with instructions on scheduling an appointment to meet with us virtually to discuss your award. If you have any questions at any time, please do not hesitate to contact our grants management team, Jennifer Annis and Anna Roaden, at 502-892-3382. If no one answers, please leave a message and one of us will return you call.

Again, please accept our congratulations and best wishes for a successful project. My staff and I look forward to working with you throughout the course of this grant.

Sincerely,

A handwritten signature in black ink, appearing to read "Josiah Keats".
